The Essentials

Cambridge English First Masterclass

This text offers a thorough analysis of how listening, speaking, reading and writing, as well as grammar and vocabulary, are tested in a range of exams, along with appropriate teaching strategies for each. Also includes a guide to all major international English language exams.

The contemporary design and updated material in this revised edition will motivate students preparing for the 2015 Cambridge English: First exam. The exams skills training activities and tips give students confidence when approaching FCE tasks. The Student's Book includes access to an online practice test, as well as Online Skills Practice, to give learners plenty of support outside class.

The Teacher's Book is accompanied by a DVD-ROM with tests in both PDF and editable Word format, along with a series of teacher training videos. There is also additional photocopiable material in the

Teacher's Book, with a focus on material for the Speaking test.
