

First Impressions The Fated Wings Series Book 1

The tragedy of Romeo and Juliet - the greatest love story ever.

Soulmates. I believe in them. I was lucky enough to have two of them at one point. The only problem. My soulmates happened to be twin brothers. Caiden was the light to Jackson's dark. And after all that I had been through, the light was what I thought I needed. When I chose Caiden, I lost Jackson. Feeling like half a person after Jackson left, I barely survived when tragedy struck and I lost Caiden too. It took me years to admit to myself that I had chosen wrong from the beginning. I'm ready to admit it to Jackson...only problem, he hates me. I'm ready to fight for my happily ever after. But there's a reason they call him the Heartbreak Prince.

Welcome to Raven Academy... Where the price of admission could be your soul... Adeline Jones is perfectly average. Or at least she thinks she is until she receives an invite to attend Raven Academy, complete with a full scholarship. Raven Academy is the mysterious school that only the elite of the elite go and despite Adeline's misgivings about giving up her whole life to attend, there's no way her parents are going to let her give up such an opportunity. But things at Raven Academy aren't what they seem. Everyone is a little too perfect, a little too rich, and a little too powerful for any normal student population. Things only complicate further when Adeline catches the eyes of Raven Academy's group of elite boys. Can Adeline figure out what secrets Raven Academy is hiding before it's too late? Or will the price of admission to the elite academy be more than she can pay...like perhaps the price of her soul. School of Broken Souls is book 1 in the Academy of Souls series. This is a paranormal, reverse harem, fantasy and bully romance.

The LitJoy Classics edition of Jane Eyre features a fully illustrated cover and interior end pages, five full-page illustrations, gold-color ribbon, custom slip cover, gilded gold page edges, and artwork by Felix Abel Klaer.

Set on You

I'm not in the habit of stealing women. They come to me. They beg and plead for a taste of my power. My brothers and I rule the pack, crushing all challengers and scaring the rest into submission. We're the nightmares that wake you up screaming, the devils you crave. We have everything, so we want for nothing. Until she came along. From the first moment I laid eyes on her, I knew she was mine? ours. We took her swiftly in the middle of the night, stealing her out from under her fated mate's clutches. She was only meant to be a play thing, a passing fancy. So why do I find myself watching her as she sleeps, protecting her? falling for her?

Okonkwo is the greatest warrior alive, famous throughout West Africa. But when he accidentally kills a clansman, things begin to fall apart. Then Okonkwo returns from exile to find missionaries and colonial governors have arrived in the village. With his world thrown radically off-balance he can only hurtle towards tragedy. Chinua Achebe's stark novel reshaped both African and world literature. This arresting parable of a proud but powerless man witnessing the ruin of his people begins Achebe's landmark trilogy of works chronicling the fate of one African community, continued in Arrow of God and No Longer at Ease.

More than 250,000 readers made this the No. 1 best selling ebook in Germany 2016. Now finally available in English, too! A story of deep love. A story of trust, courage, pain, despair, and the strength to let go. A true story. Jessica has an uncomplicated life and a promising future. Leaving the house one evening, she has no idea that she's about to meet the love of her life - and that her entire understanding of the world is about to change. Before long, she's going to face a decision that will shape her forever ... In So Near the Horizon, Jessica Koch describes a life lived somewhere between hope and fear, confronting true events from her own past with raw honesty and frank reflection - and exploring more than one difficult subject along the way. Reading sample (...) "Why?" I tried to meet his eyes, but he shut them, avoiding my gaze. His fingernails dug into the skin on his bare arms, and he pursed his lips grimly. Slowly, I scooted toward him. "Talk to me, Danny, please," I said, trying to pry one of his arms loose. But the more I tugged, the more rigidly he kept them crossed against his body as he shrank away from me as far as he could inside the cramped car. For a moment, I was afraid he would simply get out and walk away. Too close, a voice whispered inside me. You're much too close to him! I let go of his arm so I could slide back into my seat, and he relaxed almost instantly. He took several deep, slow breaths before opening his eyes and blinking at me through his long lashes. "You know why," he whispered. "And someday I'll tell you myself. I promise. Be patient with me." About the author Jessica Koch was born in Ludwigsburg, Germany, and began writing short stories when she was still in high school - but never submitted her work to publishers. Shortly after finishing school, she met Danny, a German-American dual citizen. Her experiences with him eventually formed the basis for So Near the Horizon, though it was nearly thirteen years before she felt ready to bring the manuscript to the public. The author describes a life lived somewhere between hope and fear, between optimism and despair. She reflects on events from her own past with raw honesty, confronting more than one difficult subject along the way. Jessica Koch's dramatic debut novel, Dem Horizont so nah (So Near the Horizon), broke every record when it hit stores in Germany. Released in 2016 through a small, independent publishing house, the e-book was an instant success, selling over 250,000 copies in just a few months and topping the Amazon bestseller list for more than six weeks - which made it the

number-one bestselling German-language ebook of 2016! Since then, one of Germany's largest publishing houses has purchased the rights to this riveting and highly emotional memoir. The foreign rights have been picked up in numerous countries, and the feature film is scheduled to arrive in theaters at the end of 2018. Jessica Koch lives near the city of Stuttgart with her husband, their son, and two dogs. The second and third books in the trilogy, *So Near the Abyss* and *So Near the Ocean*, are already best-sellers in Germany as well.

The Shadow Out of Time is a novella by American horror fiction writer H. P. Lovecraft. Written between November 1934 and February 1935, it was first published in the June 1936 issue of *Astounding Stories*.

The critical reading section on standardized tests, especially the SAT 1 exam, is often cited as a trouble section for even the best test-takers. Examinees get test-targeted reading comprehension practice questions to score better with LearningExpress' series, Skill Builder in Focus. This specialized drill book provides the focused practice necessary for test-taking success. Plus, all answers are explained, using terms that clarify context, main ideas, themes, and critical thinking skills for effective studying and positive reinforcement. Almost every standardized test in verbal skills, including civil service exams, contains reading comprehension questions. Each practice consists of several passages followed by questions and answer explanations.

The gripping first book of a rebellious trilogy about truth, power, and impossible choices, perfect for fans of *Divergent* and *Legend*. Kyla's memory has been erased, her personality wiped blank, her memories lost forever. She's been slated. The government claims that she was a terrorist and they are giving her a second chance—if she plays by their rules. But scenes from the past haunt her as she tries to adjust to a new life, family, and school, leaving her unsettled. Who is she really? And if only criminals are meant to be slated, why are so many other teens disappearing? As she and her friend Ben seek answers, Kyla is torn between the need to know more and her instinct for self-preservation. "A suspenseful page-turner with a highly sympathetic and strong female protagonist. . . . Will have readers waiting eagerly for a sequel." —Booklist "Excellent. . . . Kyla's erased memory works wonderfully as a storytelling device." —io9

Eva Taylor has been locked in an attic for 4 years. Failed by the foster system, and left in the hands of a woman who hates her, and a man who wants her, Eva has given up hope of ever having a life. When she finds a mysterious letter from Rothmore College addressed to her in the trash, Eva's future suddenly comes alive. Now all she has to do is figure out a way to escape her attic prison, make her way across the country to New York City, and figure out all the things that hint she isn't exactly normal...Along the way Eva meets new friends, explores new places, and stumbles across three beautiful, charismatic, and alarmingly otherworldly men. Do they hold the key to Eva discovering who she really is, or are they just good at first impressions?

Before New York Times bestselling author Bill Bryson wrote *The Road to Little Dribbling*, he took this delightfully irreverent jaunt around the unparalleled floating nation of Great Britain, which has produced zebra crossings, Shakespeare, Twiggie Winkie 's Farm, and places with names like Farleigh Wallop and Titsey.

The story of a frontier family in the Midwest.

During the Cold War, freedom of expression was vaunted as liberal democracy 's most cherished possession—but such freedom was put in service of a hidden agenda. In *The Cultural Cold War*, Frances Stonor Saunders reveals the extraordinary efforts of a secret campaign in which some of the most vocal exponents of intellectual freedom in the West were working for or subsidized by the CIA—whether they knew it or not. Called "the most comprehensive account yet of the [CIA 's] activities between 1947 and 1967" by the New York Times, the book presents shocking evidence of the CIA 's undercover program of cultural interventions in Western Europe and at home, drawing together declassified documents and exclusive interviews to expose the CIA 's astonishing campaign to deploy the likes of

Hannah Arendt, Isaiah Berlin, Leonard Bernstein, Robert Lowell, George Orwell, and Jackson Pollock as weapons in the Cold War. Translated into ten languages, this classic work—now with a new preface by the author—is "a real contribution to popular understanding of the postwar period" (The Wall Street Journal), and its story of covert cultural efforts to win hearts and minds continues to be relevant today.

One day Sophie comes home from school to find two questions in her mail: "Who are you?" and "Where does the world come from?" Persuasion is a novel written by a famous British writer Jane Austen. It is a story about the life of Anne Elliot, a middle daughter of baronet Sir Walter, a spender and to these features of his character, he found himself in a difficult financial position. He has to rent a family estate Kellynch Hall in order to pay his debts. Meanwhile, his kind and considerate daughter Anne goes to Uppercross to look after a sick sister. In the days of her youth she was mutually in love with Frederick Wentworth, but because of a poor marriage, "reasons of conscience" and on the insistence of a "family friend" Lady Russel Anne stopped her relationship with him. But now after eight years, so incredible coincidence happens. The family that rents Kellynch Hall is related to Frederick Wentworth. Is the old-time love still alive in the hearts of Anne and Frederick? Alamut takes place in 11th Century Persia, in the fortress of Alamut, where self-proclaimed prophet Hasan ibn Sabbah is setting up his mad but brilliant plan to rule the world with a handful of elite fighters who are to become his "living daggers." By creating a virtual paradise at Alamut, filled with beautiful women, lush gardens, wine and hashish, Sabbah is able to convince his young fighters that they can reach paradise if they follow his commands. With parallels to Osama bin Laden, Alamut tells the story of how he was able to instill fear into the ruling class by creating a small army of devotees who were willing to kill, and be killed, in order to achieve paradise. Believing in the Sunni Islamist motto "Nothing is true, everything is permitted," Sabbah wanted to "experiment" with how far he could manipulate religious devotion for his own political gain through appealing to what he called the stupidity and gullibility of people and their passion for pleasure and selfish desires. The novel focuses on Sabbah as he unveils his plan to his inner circle, and on two of his young followers — the beautiful slave girl Halima, who has come to Alamut to join Sabbah's paradise on earth, and young ibn Tahir, Sabbah's gifted fighter. As both Halima and ibn Tahir become disillusioned with Sabbah's vision, their lives take unexpected turns. Alamut was originally written in 1938 as an allusion to Mussolini's fascist state. In the 1960's it became a cult favorite throughout Tito's Yugoslavia, and in the 1990s, during the Balkan's War, it was read as an allegory of ethnic strife and became a bestseller in Germany, France and Spain. Following the attacks of September 11, 2001, the book once again took on a new life, selling more than 2 million copies in a new Slovenian edition, and being translated around the world in more than 19 languages. This edition, translated by Michael Biggins, is the first-ever English translation.

The dangerous, cruel men of the Sphinx secret society intend to uncover my secrets...and break me. Stellan, my childhood crush who lost his sister to the Demon. Cain, the boy with the face of an angel to who manipulation comes as easy as breathing; Remington, the playboy soccer star full of secrets. Pax, the dark psycho who hides behind his fists. I hoped for a second chance at Darkwood University, only to

have my dream ripped away the first time I kissed one of the handsome bastards. They know who I am. And they're determined to make me pay. They should have thought twice about who they were playing with. Because I am the demon's daughter. And just because they have the power, the connections, the faces and bodies of gods... do they really think they'll win? I wanted a new life, not a war. But if they insist, we'll see who ends up playing. A dark bully, enemies to lovers romance.

Hades and Persephone. Everyone knows the story. How he met her and immediately fell in love. How because of that tiny pomegranate seed she spent half of the seasons in the Underworld, and the rest here on Earth. No one mentions the part of the story where she left him. No one mentions that she shattered his heart. And no one ever mentions that Hades was cursed after that. I've just found out that I'm the next girl to be offered to him in an effort to break the curse. The goal is supposed to be simple. Fall in love with Hades. The Fates just never considered he might not love me back. A Hades Retelling like nothing you've read before....

*NEW YORK TIMES BESTSELLER • The “compassionate” (People), “startling” (Baltimore Sun), “moving” (Chicago Tribune) true story of two kids with the same name from the city: One went on to be a Rhodes Scholar, decorated combat veteran, White House Fellow, and business leader. The other is serving a life sentence in prison. In development as a feature film executive produced by Stephen Curry, who selected the book as his “Underrated” Book Club Pick with Literati The chilling truth is that his story could have been mine. The tragedy is that my story could have been his. In December 2000, the Baltimore Sun ran a small piece about Wes Moore, a local student who had just received a Rhodes Scholarship. The same paper also ran a series of articles about four young men who had allegedly killed a police officer in a spectacularly botched armed robbery. The police were still hunting for two of the suspects who had gone on the lam, a pair of brothers. One was named Wes Moore. Wes just couldn't shake off the unsettling coincidence, or the inkling that the two shared much more than space in the same newspaper. After following the story of the robbery, the manhunt, and the trial to its conclusion, he wrote a letter to the other Wes, now a convicted murderer serving a life sentence without the possibility of parole. His letter tentatively asked the questions that had been haunting him: Who are you? How did this happen? That letter led to a correspondence and relationship that have lasted for several years. Over dozens of letters and prison visits, Wes discovered that the other Wes had had a life not unlike his own: Both had had difficult childhoods, both were fatherless; they'd hung out on similar corners with similar crews, and both had run into trouble with the police. At each stage of their young lives they had come across similar moments of decision, yet their choices would lead them to astonishingly different destinies. Told in alternating dramatic narratives that take readers from heart-wrenching losses to moments of surprising redemption, *The Other Wes Moore* tells the story of a generation of boys trying to find their way in a hostile world. BONUS: This edition contains a new afterword and a *The Other Wes Moore* discussion guide.*

Five Hundred and One Critical Reading Questions

You have been selected to attend Zodiac Academy, where your star sign defines your destiny. If you're one of the Fae, elemental magic is in your blood. And apparently it's in ours. As twins born in the month of Gemini, we're a rare breed even in this academy of supernatural a-holes. Changelings were outlawed hundreds of years ago but I guess our birth parents didn't get the memo. Which means we're totally unprepared for the ruthless world of Fae. Air. Fire. Water. Earth. No one has ever harnessed all four of them, until we arrived. And it hasn't made us any friends so far. As the rarest Elementals ever known, we're already a threat to the four celestial heirs; the popular, vindictive bullies who happen to be some of the hottest guys we've ever seen. It doesn't help that they're the most dangerous beasts in the Academy. And probably on earth too. Our fates are intertwined, but they want us gone. They've only got until the lunar eclipse to force us out and they'll stop at nothing to succeed. We never knew we had a birthright to live up to but now that we do, we intend to claim our throne. We can't expect any help from the faculty when it comes to defending ourselves. So if the dragon shifters want some target practice, the werewolves want someone to hunt or the vampires fancy a snack then we have to be ready. But we've been looking after each other for a long time and fighting back is in our blood. Today's horoscope: totally screwed. This is a full-length medium burn novel that is the first in a university-age academy series. Expect forbidden teacher romance and bully romance with mature content suitable for upper YA readers and onwards.

Set on the Caribbean coast of South America, this love story brings together Fermina Daza, her distinguished husband, and a man who has secretly loved her for more than fifty years.

This book is about the journey of an unopened letter treasured in a white envelope, which has now turned pale rusty-brown, the color of aging time. It belongs to an author who has resigned to the lap of nature. But when a stranger knocks on his door to interview him, the author shares his life's story by recounting his memories. The letter that was given to him by his beloved upon their separation remained unopened for two decades. It was a companion he could never leave behind yet at the same time never face.Sagar and Deeksha have a bumpy start. But soon the ride turns smooth as the time passes by. Right from their first meeting to the magic of their blossoming love until their separation, the book introduces us to a roller-coaster journey of pure and undiluted love filled with romance, despair and tragedy.Why did the author never open the letter? What choice tore the two loving souls apart? What impact does the stranger have on the author's halted life? What does it take to lose in love and then live with that loss?The story is a work of poetic prose. It delineates all the facets of love: time, distance, promise, patience and hope. A journey light as a breeze and promising a tear on the smiling lips.

Thirty-three-year-old Winston Mabie is released from prison after serving five years for a drunk-driving accident that killed his grandmother, and now he and his family must come to terms with the pain of readjustment, broken hearts, addiction, mortality, and forgiveness.
