

First Step Bethel Church

No. 3 of each volume contains the annual report and minutes of the annual meeting.

Take the first steps to living as a healthier and happier woman and discover the spiritual importance of acceptance, gathering, and community. Jenn Johnson has come to realize that the pursuit of perfection is unrealistic and unfair. Instead, we need to pause and reflect on what’s in front of us. But how? How can we slow down? How can we remain focused on what’s important and do things with intention? What can we pursue that represents God’s heart for us, things that are true, noble, right, pure, admirable, excellent, praiseworthy? By pursuing all things “lovely.” Living a holistic and holy life, a life marked by beauty and truth, means being mindful and intentional about what we put in our bodies, how we present ourselves to the world, the spaces we create, and the people we let into our lives. When we set our minds on what is lovely, we begin to see ourselves and the world as God intended. We begin to be wholly renewed.

Up-and-Coming Leader Reveals the Key to a Life of Supernatural Possibility Peter never set out to walk on water; he didn't attend a special seminar or school. He just wanted to be closer to Jesus. No matter the storm, no matter the danger, he saw only Jesus--and that's what got him out of the boat and into the impossible. We all have storms and barriers in life. And, like Peter, we have a choice: stay in the safe, small places or pursue with reckless abandon the limitless heart of Jesus. With fresh biblical insight and immediately practical application, author and teacher Jennifer Miskov paints a bigger and entirely more compelling vision of a life lived on the water. You'll discover the source of courageous faith and how to let go and take those first steps. The wind and the waves will come. But the One you're walking toward has calmed the storm, and he's waiting to do the impossible on your behalf. He's waiting for you to take a risk, to follow your heart--and to step out of the boat.

Walking in a daily relationship with Jesus Christ is imperative for today's born-again believer. Too many live according to how they feel (emotionally led). And, far too many follow their own fleshly (worldly) desires. Doing this creates believers who are always under attack by the kingdom of darkness. We must walk as Jesus walked, imitating His life. In this book, author and pastor Danny L. Formhals Sr. shares ten essential ways to walk with Jesus every day. The Bible says, "Whoever claims to live in him must walk as Jesus did" (1 John 2:6 NIV). This book provides ten practical and Biblical ways to help you walk like Jesus.

Experience Salvation, Healing, and Deliverance in Every Area of Your Life For too long, the popular understanding of Christian salvation has been limited to securing a place in Heaven. Sadly, many Christ-followers experience constant defeat during their time on Earth. Something is missing. The Biblical concept of salvation comes from the Greek word Sozo and has a holistic implication. Power and victory flowed through the New Testament Church because the early Christians understood how to live out their salvation in a way that impacted every area of their lives spirit, soul, and body. In SOZO, Dawna DeSilva and Teresa Liebscher provide revelatory teaching and miraculous testimonies that paint a stunning picture of how to experience Heavens freedom in every area of your life. You will receive: practical tools to deepen your relationship with the Triune GodFather God, Jesus, and Holy Spirit, victory strategies to help you disarm lies, break harmful patterns, shift spiritual atmospheres, and access the often-unreached realms of abundant life, keys to experience inner healing by breaking addictions, overcoming obstacles, and walking in sustained deliverance. Salvation is not simply a ticket to Heaven. It is abundant life that begins nowand continues forever.

From his enslavement to freedom, Frederick Douglass was one of America's most extraordinary champions of liberty and equality. Throughout his long life, Douglass was also a man of profound religious conviction. In this concise and original biography, D. H. Dilbeck offers a provocative interpretation of Douglass's life through the lens of his faith. In an era when the role of religion in public life is as contentious as ever, Dilbeck provides essential new perspective on Douglass's place in American history. Douglass came to faith as a teenager among African American Methodists in Baltimore. For the rest of his life, he adhered to a distinctly prophetic Christianity. Imitating the Hebrew prophets and Jesus Christ, Douglass boldly condemned evil and oppression, especially when committed by the powerful. Dilbeck shows how Douglass's prophetic Christianity provided purpose and unity to his wide-ranging work as an author, editor, orator, and reformer. As "America's Prophet," Douglass exposed his nation's moral failures and hypocrisies in the hopes of creating a more just society. He admonished his fellow Americans to truly abide by the political and religious ideals they professed to hold most dear. Two hundred years after his birth, Douglass's prophetic voice remains as timely as ever.

Baltimore's African-American population--nearly 27,000 strong and more than 90 percent free in 1860--was the largest in the nation at that time. Christopher Phillips's Freedom's Port, the first book-length study of an urban black population in the antebellum Upper South, chronicles the growth and development of that community. He shows how it grew from a transient aggregate of individuals, many fresh from slavery, to a strong, overwhelmingly free community less wracked by class and intraracial divisions than were other cities. Almost from the start, Phillips states, Baltimore's African Americans forged their own freedom and actively defended it--in a state that maintained slavery and whose white leadership came to resent the liberties the city's black people had achieved.

Full of inspiring stories, this book offers practical, proven, step-by-step guidance to ministering healing, including how to ¶ understand the authority of the believer in healing ¶ create an atmosphere of faith ¶ receive words of knowledge ¶ implement the five-step model of healing prayer The ministry of healing is not reserved for a select few. God's miraculous healing is part of the Good News--and every believer can become a conduit for his healing power.

The monumental American Guide Series, published by the Federal Writers' Project, provided work to thousands of unemployed writers, editors, and researchers in the midst of the Great Depression. Featuring books on states, cities, rivers, and ethnic groups, it also opened an unprecedented view into the lives of the American people during this time. Untold numbers of projects in progress were lost when the program was abruptly shut down by a hostile Congress in 1939. One of those, "The Negro in Pittsburgh," lay dormant in the Pennsylvania State Library until it was microfilmed in 1970. The WPA History of the Negro in Pittsburgh marks the first publication of this rich body of information. This unique historical study of the city's black population features articles on civil rights, social class, lifestyle, culture, folklore, and institutions from colonial times through the 1930s.

When Hell Invades The Churches: An Expose of Redding Bethel and the New Apostolic Reformation reveals how the New Age has entered the church just as Dave Hunt warned in his seminal 1985 book, The Seduction of Christianity. Mr. Stunich has courageously exposed how New Age Temples like Bethel Church are masquerading as Christian churches and how a new breed of American entrepreneur, the pastorpreneur, is mixing business and faux Christianity in order to achieve great worldly success while leading millions of Christians dangerously astray and far from the narrow path that leads to salvation and into a new, experienced-based, contra-Scriptural religion masquerading as Christianity. Readers will be shocked to see how far Bethel has strayed from the truth yet still manages to deceive most of the world into believing that it is a Christian church. If you have any doubt that the great apostasy (falling away) predicted in 2 Thessalonians 2 is well underway, this book will dispel any doubts. This book peels back the curtain on the New Apostolic Reformation and lays bare how absurd its claims are that new apostles and prophets now guide the church while the movement spews out countless false prophecies and false claims of new revelations from God. But this book should be of equal interest to secular readers and all who wish to preserve the separation between church and state for this book exposes how a new form of faux Christianity seeks dominion over all human endeavors both public and private and in the process is causing both spiritual and temporal harm on a global scale.

Experiencing a Life of Miracles, Courageous Faith and Union with God

THE BIG DEAL... shows how to develop a stronger relationship with God and more effective spiritual lifestyle by taking small steps that lead to big changes. Been running for Jesus a long time (I'm not tired yet) Been singing for Jesus a long time (I'm not tired yet) Been running by day and praying by night (I'm not tired yet) I've gotta get going. It's a mighty hard fight (No...I'm not tired yet) I've been serving God a long time (I'm not tired yet) I've been living for God a long time (I'm not tired yet) It's an uphill journey but all I've got to say is (I'm not tired yet) The old spiritual song lifts you, but you are tired. Or maybe you're bored. You're still going to church. You're still praying. You're still giving. Deep within you, faith remains. But you feel a longing. You're not seeking fireworks. You're not a pew-sitter, safe in some spiritual comfort zone, looking for a thrill from the Lord. Your trust in God is secure. But you feel a longing for something more. Feelings thinking they're no big deal, this basic yet dynamic program that Bishop Vashti McKenzie has implemented in more than two hundred churches with astounding results is for you. Individuals who have had many years of Christian life discovered a renewed sense of calling and purpose. Even new believers were invigorated in their faith-building process. Bishop McKenzie prescribes very small changes--such as adding a mere thirty seconds of prayer daily--that lead to radical closeness to God. The process is simple, but the results are powerful. This program is a life-changing experience that will transform your relationship with the Almighty doesn't mean striving for perfection. Small steps-but meaningful steps--collectively evolve into intimacy with God. And the big deal result is greater ability to biblically address life challenges. The big deal is that you're even more available to serve family, church, and community: truly in "no ways tired." Increasing spirituality is incremental, not monumental. Mustard-seed-like increases in positive actions (and corresponding decreases in negative ones) yield big results.
