

First Word Search Reading Made Easy

Support your kids in becoming confident readers by helping them master high frequency words! Sight words are words that occur frequently enough in written language that a child should recognize them automatically on sight. Another characteristic that makes many sight words of phonics. For these reasons, mastering sight words is of great importance for boosting your child's reading confidence and future success. Word search puzzles provide a powerful tool to review and reinforce high frequency words. The process of search and recognition of letters and words allows children to build their literacy skills in a fun and easy way. Lowercase letters. Since most of the words children encounter in reading materials are made up of lowercase letters, literacy experts recommend teaching sight words using lowercase. 50 word search puzzles with over 170 Dolch sight words for preschool, kindergarten, first grade and second grade. Word placement (horizontal and vertical, no diagonal or backwards) facilitates the learning process. Answers can be found at the back of the book. Let your children have fun while building their reading confidence!

Want to get your kids away from the TV screen? Then this fun word search for kids book is perfect! Filled with tons of word search puzzles for kids each puzzle has a unique theme such as Family, School, Gratitude and many more. There are ten words to find in each puzzle ranging from simple to challenging. Perfect for home or classroom use. All ages will enjoy this fun word search. Includes answer key. **all abilities.** A great way to help improve your child's word skills. Why not help your Child do one word search each night before bedtime to help your child relax after the day and create special memories they will cherish forever. Check out the back cover to see what's inside this book today!

Here's another portion of puzzle fun for four-to-six-year-olds! Specially designed to meet the needs and interests of the youngest readers, First Word Search series turns learning into a game. This phonics-based collection builds children's language skills by helping kids master new words--including the long A in wave, the sk in skeleton, and the short U in puppy--and then bring that knowledge to their reading.

The number of commercially available American whiskeys has grown exponentially over the past 20 years, as has its popularity. Discerning drinkers will savour this, the only guide devoted solely to US-made whiskey, rye and bourbon. Arranged alphabetically by distillery and/or brand, it offers histories, ratings and tasting notes for over 200 whiskeys. Each main account includes the name and address of the maker, including website URL and contact information, along with its various products. In addition to finding information on how to get the best value for your money, you'll learn how to buy whiskey, how to read a label, which whiskey to give as a gift and much more.

Turbocharge Your Child's Learning With These Fun Word Puzzles! Are you doing your best to raise a successful, confident child who can make a positive impact on the world? Then you surely know about the importance of language skills. Faster reading means faster learning, better grades, and more self-confidence. Excellent writing, with a rich vocabulary and effortlessly correct spelling, is one of the keys to professional success. But what if there was a way to practice spelling and reading in a way that's actually appealing to kids? Well, there is. Children's brains learn by playing games and solving puzzles - unlike the typical spelling drills practiced at schools, this type of learning is natural, intuitive, and effective. By offering your child word puzzles such as these word search activities, you'll boost their language skills without boring them!?

These word searches are just right for the youngest readers! Specially designed to meet the needs and interests of children starting to read on their own, the First Word Search series turns learning into an entertaining game. While they're playing, kids will master more and more new words and sounds; they can bring that new knowledge to books and to school. Phonics Word Search goes through such letter patterns as ai (braid, stain, trait); bl (blab, bleak, blizzard); the long ea (eager, peanut), and many others. Each search has a word list, so if the child isn't yet familiar with the vocabulary, he or she can still look for it in the grid--and then find out what it means.
