Pinkerton the pig always manages to be first until he rushes for a sandwich and it turns out to be not the edible kind.

Lance Cottonwood is the best and brightest of the leaves, but even the top students on the tree have worries. Can Lance conquer his fear of falling and just let go when the time comes for his final exam, or will he let his worries take over? In this funny and encouraging picture book, best-selling author Stef Wade (A Place for Pluto) tells an engaging story and deftly addresses social and emotional struggles many kids encounter each day...feeling anxious, wanting to be perfect, facing fears, etc. These themes combined with illustrator Jennifer Davison's delightful characters and rich autumnal colors make The Very Last Leaf a perfect book for the start of a new school year, the arrival of autumn, or any period of transition in life.

"Explores the changes in nature and family activities that occur as the autumn nears. From animals migrating and storing food for the winter to a trip to the farm to see the harvest and have some fun"--Publisher's website.

With this inspiring and brightly illustrated guide to power, learn about the different types of power, what it means to have power, and what you can do with your own power to create positive change in the world, no matter who or how old you are. What makes you the boss of me? What makes a king a king, or a queen a queen? Why can some people vote for their leaders, but other people can't? Does having lots of money make you powerful? Why are there fewer female scientists, leaders, and artists than men in history books? These are things that kids wonder about. The Power Book answers these and other questions in a relatable way for young people, including thought-provoking discussions on challenging topics, like war, bullying, racism, sexism, and homophobia. You will gain an understanding of your place in your family, your school, and the world, and will discover ways in which you can use your own power to shape the future. As you explore the many aspects of power, thinking points pose questions that spark self-reflection and quotes and stories from some of the greatest change-makers--such as Gandhi, Martin Luther King Jr., Emmeline Pankhurst, Rosa Parks, Malala Yousafzai, and Stephen Hawking--provide historical context and inspiration. Find more opportunities for learning at the back with a glossary of terms and suggestions for further reading. Gain a greater understanding of how power works, then learn how to harness it for good with The Power Book.

Pinocchio, The Tale of a Puppet follows the adventures of a talking wooden puppet whose nose grew longer whenever he told a lie and who wanted more than anything else to become a real boy. As carpenter Master Antonio begins to carve a block of pinewood into a leg for his table the log shouts out, "Don't strike me too hard!" Frightened by the talking log, Master Cherry does not know what to do until his neighbor Geppetto drops by looking for a piece of wood to build a marionette. Antonio gives the block to Geppetto. And thus begins the life of Pinocchio, the puppet that turns into a boy. Pinocchio, The Tale of a Puppet is a novel for children by Carlo Collodi is about the mischievous adventures of Pinocchio, an animated marionette, and his poor father and woodcarver Geppetto. It is considered a classic of children's literature and has spawned many derivative works of art. But this is not the story we've seen in film but the original version full of harrowing adventures faced by Pinnocchio. It includes 40 illustrations.
