

Focus On Grammar 1 With Myenglishlab 3rd Edition

"A unique four-step approach, moving students from context into communication [with] the full integration of language skills providing a complete program for language learners [and] a variety of ongoing assessment tools [to] ensure that progress is measurable."--Page 4 of cover.

Portion of edition statement from page 4 of cover.

Building on the success of previous editions, Focus on Grammar , Fifth Edition continues to leverage its successful four-step approach that lets learners move from comprehension to communication within a clear and consistent structure. Centered on thematic instruction, Focus on Grammar combines comprehensive grammar coverage with abundant practice, critical thinking skills, and ongoing assessment, helping students communicate confidently, accurately, and fluently in everyday situations. The Fifth Edition continues to incorporate the findings of corpus linguistics in grammar notes, charts, and practice activities, while never losing sight of what is pedagogically sound and useful. New to This Edition New and updated content showcases culturally relevant topics of interest to modern learners. Updated grammar charts and redesigned grammar notes with clear, corpus-informed grammar explanations reflect real and natural language usage, allowing students to grasp the most important aspects of the grammar. Expanded communicative activities encourage collaboration and application of target grammar in a variety of settings. New unit-ending From Grammar to Writing section allows students to apply grammar in writing through structured tasks from pre-writing to editing. New assessment tools, including course diagnostic tests, formative and summative assessments, and a flexible gradebook, are closely aligned with unit learning outcomes to inform instruction and measure progress. FOG Go app for iPhone and Android lets students easily navigate Student Book audio clips on their phone or tablet. New Essential Online Resources include Student Book audio, answer keys, Grammar Coach videos, self-assessments, and teacher's resources. Other Highlights Scaffolded exercises help learners bridge the gap between identifying grammatical structures and using them with confidence and accuracy. High-interest readings in multiple genres expose students to the form, meaning, and use of grammar in natural contexts. Key vocabulary taught, practiced, and recycled throughout the unit ensures acquisition. Listening tasks give students multiple opportunities to focus on spoken English and develop listening skills. Mapped to the Global Scale of English.

The Blue Book of Grammar and Punctuation

Focus on Grammar 1 Student Book and Workbook

Crossroads 4

Focus on Grammar

Focus on Grammar 4 with Myenglishlab

The beloved debut novel about an affluent Indian family forever changed by one fateful day in 1969, from the author of The Ministry of Utmost Happiness NEW YORK TIMES BESTSELLER • MAN BOOKER PRIZE WINNER Compared favorably to the works of Faulkner and Dickens, Arundhati Roy's modern classic is equal parts powerful family saga, forbidden love story, and piercing political drama. The seven-year-old twins Estha and Rahel see their world shaken irrevocably by the arrival of their beautiful young cousin, Sophie. It is an event that will lead to an illicit liaison and tragedies accidental and intentional, exposing "big things [that] lurk unsaid" in a country drifting dangerously toward unrest. Lush, lyrical, and unnerving, The God of Small Things is an award-winning landmark that started for its author an esteemed career of fiction and political commentary that continues unabated.

"Building on the success of previous editions, Focus on Grammar continues to provide an integrated-skills approach to engage students and help them accomplish their goals of communicating confidently, accurately, and fluently"--Back cover.

The bestselling workbook and grammar guide, revised and updated! FOCUS in the Theory of Grammar and the Syntax of Hungarian

English for Today's World. Fundamentals

The architecture of the human language faculty has been one of the main foci of the linguistic research of the last half century. This branch of linguistics, broadly known as Generative Grammar, is concerned with the formulation of explanatory formal accounts of linguistic phenomena with the ulterior goal of gaining insight into the properties of the 'language organ'. The series comprises high quality monographs and collected volumes that address such issues. The topics in this series range from phonology to semantics, from syntax to information structure, from mathematical linguistics to studies of the lexicon.

This book is part of an integrated skills course that makes grammar fun and accessible. KEY FEATURES: More practical than ever, this book has a fresh new design with more photos and illustrations. Also the From Grammar to Writing feature reinforces grammar acquisition while improving readers' writing skills. This book also includes a more challenging testing program including TOEFL-type

questions. For advanced ESL readers needing reference and practice.

Focus on Grammar, now in a new edition, maintains the proven pedagogy that makes it the most popular contextualized grammar series worldwide. Its unique four-step approach takes students from context to communication -- blending content, reading, writing, listening, speaking and critical thinking in a complete program, and preparing students to understand and use English more effectively. Centered on thematic instruction Focus on Grammar allows students to interact with grammar in realistic contexts and moves them beyond controlled practice to authentic communication. New features include: · Updated high-interest readings in multiple genres that expose students to the form, meaning, and use of grammar in natural contexts. · Key vocabulary is taught, practiced, and recycled throughout each unit, to ensure acquisition. · Fully redesigned grammar charts and notes that provide greater clarity. · Explicit pronunciation activities to improve fluency and accuracy. · Expanded listening tasks allow students to develop a range of listening skills. · Flexible, ongoing assessment -- including unit reviews, diagnostic and achievement tests, and test-generating software -- allows students to monitor their own progress and teachers to track students' mastery. (Test and test-generating software available in the Teacher's Resource Pack) MyEnglishLab: Focus on Grammar, an easy-to-use online learning and assessment program, offers online homework and individualized instruction anywhere, anytime. · Allows teachers to assign extra practice, organize homework, and track students' progress using a flexible gradebook. · Includes hundreds of new automatically graded activities and assessments that support and go beyond the material in the Student Book. MyEnglishLab: Focus on Grammar, includes the complete Student Book listening program as well.

Focus on Grammar 5

A grammar of Mauwake

Focus on Grammar 1 Workbook

This grammar provides a synchronic grammatical description of Mauwake, a Papuan Trans-New Guinea (TNG) language of about 2000 speakers on the north coast of the Madang Province in Papua New Guinea. It is the first book-length treatment of the Mauwake language and the only published grammar of the Kumil subgroup to date. Relying on other existing published and unpublished grammars, the author shows how the language is similar to, or different from, related TNG languages especially in the Madang province. The grammar gives a brief introduction to the Mauwake people, their environment and their culture. Although the book mainly covers morphology and syntax, it also includes ashort treatment of the phonological system and the orthography. The description of the grammatical units proceeds from the words/morphology to the phrases, clauses, sentence types and clause combinations. The chapter on functional domains is the only one where the organization is based on meaning/function rather than structure. The longest chapter in the book is on morphology, with verbs taking the central stage. The final chapter deals with the pragmatic functions theme, topic and focus. 13 texts by native speakers, mostly recorded and transcribed but some originally written, are included in the Appendix with morpheme-by-morpheme glosses and a free translation. The theoretical approach used is that of Basic Linguistic Theory. Language typologists and professional Papuanist linguists are naturally one target audience for the grammar. But also two other possible, and important, audiences influenced especially the style the writing: well educated Mauwake speakers interested in their language, and those other Papua New Guineans who have some basic training in linguistics and are keen to explore their own languages.

A Novel

VALUE PACK

The Teacher's Manual contains a variety of suggestions and information to enrich the material in the Student Book. It includes general teaching suggestions for each section of a typical unit, answers to frequently asked questions, unit-by-unit teaching tips with ideas for further communicative practice, and a supplementary listening activity section. Answers to the Student Book exercises and audioscripts of the listening activities are found at the back of the Teacher's Manual. Also included in the Teacher's Manual is a CD-ROM that includes PowerPoint presentations that offer alternative ways of presenting selected grammar structures. Focus on Grammar helps students understand and practice English grammar through contextualized listening, speaking, reading, and writing activities. Focus on Grammar combines controlled and communicative practice with critical thinking skills and ongoing assessment.

A guide to grammar and punctuation, covering everything from verbs, nouns, adverbs, pronouns and much, much more.

The Workbook accompanying each level of "Focus on Grammar" provides additional exercises for self-study of the target grammar for each unit. Tests included in each Workbook provide students with additional opportunities for self-assessment. "Focus on Grammar" helps students understand and practice English grammar through contextualized listening, speaking, reading, and writing activities. "Focus on Grammar" combines controlled and communicative practice with critical thinking skills and ongoing assessment.

New Edition

Focus on Grammar 2 Workbook

Student book

The syllabus combines a solid foundation in essential vocabulary and basic grammar with the life skills students need to function competently outside the classroom. The course progresses more slowly than most beginning series and is accessible to students with limited literacy skills. Each unit of the Student Book includes: Conversations (natural-sounding dialogues which introduce language points); Listening Plus; Paperwork (document literacy); Reading and Writing; Interactions(information gap activities); and Progress Checks. The series is designed for multilevel classes. Lively illustrations present and clarify new vocabulary and concepts.

Top Notch , now in a Third Edition, is a dynamic communicative course that makes English unforgettable through multiple exposures to language and systematic, intensive recycling. Goals- and achievement-based lessons with can-do statements enable students to confirm their progress. Top Notch builds confidence for successful oral expression through an expanded speaking pedagogy and prepares students for academic work through the development of critical thinking skills and reading and listening strategies.

Focus on Grammar, in its new fourth edition, maintains the proven pedagogy that makes it the most popular contextualized grammar series worldwide. Its unique four-step approach takes students from context to communication -- blending content, reading, writing, listening, speaking and critical thinking in a complete program, and preparing students to understand and use English more effectively. Centered on thematic instruction Focus on Grammar allows students to interact with grammar in realistic contexts and moves them beyond controlled practice to authentic communication.

Focus on Grammar 4

Focus on Grammar 1 with Essential Online Resources

Ant (short for Antonia) is sure she is adopted. She doesn't look anything like her mother or her sisters - or even her dad (who is away working too much). Ant's best friend is a boy called Harrison who draws chickens, and her dog Pistachio, a tiny ageing chihuahua, is her constant companion, but she feels that she just doesn't fit in. Ant's life meanders along until one day her lying starts to cause her, and those around her, some rather serious problems. Forced to face up to some of the things she has spent her life trying to hide from, in particular Ant has to come to terms with why she doesn't get on with her mother. An uplifting, exciting and truly original story.

Focus on Grammar and Meaning explores how to teach grammar effectively to second or foreign language learners aged 5–18. It provides teachers with research insights that will help them to reflect on their classroom practice and enable them to experiment with different ways of teaching grammar. Taking a ' systemic-functional ' approach, the authors

emphasize the importance of linking language and meaning in teaching. Key research studies on grammar instruction are featured, examples from real classroom practice are examined, and activities are provided to help teachers relate the content to their own teaching context. Additional online resources at www.oup.com/elt/teacher/fogm Luciana C. de Oliveira is Associate Professor of TESOL and Applied Linguistics at Teachers College, Columbia University, New York. Mary J. Schleppegrell is Professor of Education at the University of Michigan, Ann Arbor.

Reviews and expands students' knowledge of English grammar through listening, speaking, reading, and writing activities.

Workbook

Focus on Grammar 1

Focus on Grammar, Intermediate, Teacher's Manual and CD-ROM

An Easy-to-Use Guide with Clear Rules, Real-World Examples, and Reproducible Quizzes

Through controlled and communicative exercises this text helps students to bridge the gap between identifying grammatical structures and using them. Each unit progresses through four steps: grammar in context, grammar presentation, focused practice and communication practice. Includes circling, matching, filling-in-the-blank, underlining, correcting, completion, short answer and writing exercises.

Bangkok Express is an often hilarious, always dangerous, fast moving tale of the tricks and turns in an exotic land where what meets the eye often fools, if not confuses, the observer. Joe leaves behind a life of commuter trains, a messy divorce, and an egotistical boss to undertake an assignment that changes his life forever. For Joe, Thailand is a private investigator's hardest challenge. A land where women, drink and drugs come with no warning attached and nothing is what it seems. Can Joe untangle a web of corruption and lies and write the report that the "suits" want to see? Or is there something else on offer, something that will bring more happiness than that of a "job well done"? Bangkok Express is a beautifully bizarre, exotic novel

that will leave the reader feeling like they just stepped off a fast moving train in the world's most exciting city.

Focus on Grammar helps students understand and practice English grammar through contextualized listening, speaking, reading, and writing activities. Focus on Grammar combines controlled and communicative practice with critical thinking skills and ongoing assessment.
