

## Focus On Grammar A High Intermediate Course For Reference And Practice Complete Workbook 2nd Edition

Based on extensive research, *Grammar and Beyond* ensures that students study accurate information about grammar and apply it in their own speech and writing. This is the first half of *Student's Book, Level 2*. The *Student's Book* is the main component of *Grammar and Beyond*. In each unit, students study the grammar in a realistic text and through charts and notes informed by a billion-word corpus of authentic language. The exercises provide practice in reading, writing, listening, and speaking, making this a complete course. Students learn to avoid common mistakes, based on an extensive corpus of learner language. Each unit concludes with a *Grammar for Writing* section, in which students apply the grammar in an extended writing task.

The authoritative guide to using the English language effectively, from “the greatest writer on grammar and usage that this country has ever produced” (David Yerkes, Columbia University). The author of *The Chicago Manual of Style's* popular “Grammar and Usage” chapter, Bryan A. Garner is renowned for explaining the vagaries of English with absolute precision and utmost clarity. With *The Chicago Guide to Grammar, Usage, and Punctuation*, he has written the definitive guide for writers who want their prose to be both memorable and correct. Garner describes standard literary English—the forms that mark writers and speakers as educated users of the language. He also offers historical context for understanding the development of these forms. The section on grammar explains how the canonical parts of speech came to be identified, while the section on syntax covers the nuances of sentence patterns as well as both traditional sentence diagramming and transformational grammar. The usage section provides an unprecedented trove of empirical evidence in the form of Google Ngrams, diagrams that illustrate the changing prevalence of specific terms over decades and even centuries of English literature. Garner also treats punctuation and word formation, and concludes the book with an exhaustive glossary of grammatical terms and a bibliography of suggested further reading and references. *The Chicago Guide to Grammar, Usage, and Punctuation* is a magisterial work, the culmination of Garner's lifelong study of the English language. The result is a landmark resource that will offer clear guidelines to students, writers, and editors alike. “[A manual] for those of us laboring to produce expository prose: nonfiction books, journalistic articles, memorandums, business letters. The conservatism of his advice pushes you to consider audience and occasion, so that you will understand when to follow convention and when you can safely break it.”—John E. McIntyre, *Baltimore Sun*

*Focus on Grammar*, in its new fourth edition, maintains the proven pedagogy that makes it the most popular contextualized grammar series worldwide. Its unique four-step approach takes students from context to communication -- blending content, reading, writing, listening, speaking and critical thinking in a complete program, and preparing students to understand and use English more effectively. Centered on thematic instruction *Focus on Grammar* allows students to interact with grammar in realistic contexts and moves them beyond controlled practice to authentic communication.

**New Edition**

**Crossroads 4**

**Focus on Grammar 5 Workbook**

**Audio Cassette 1 High-Intermediate**

**An Intermediate Course for Reference and Practice**

Building on the success of previous editions, *Focus on Grammar*, Fifth Edition continues to leverage its successful four-step approach that lets learners move from comprehension to communication within a clear and consistent structure. Centered on thematic instruction, *Focus on Grammar* combines comprehensive grammar coverage with abundant practice, critical thinking skills, and ongoing assessment, helping students communicate confidently, accurately, and fluently in everyday situations. The Fifth Edition continues to incorporate the findings of corpus linguistics in grammar notes, charts, and practice activities, while never losing sight of what is pedagogically sound and useful. New to This Edition New and updated content showcases culturally relevant topics of interest to modern learners. Updated grammar charts and redesigned grammar notes with clear, corpus-informed grammar explanations reflect real and natural language usage, allowing students to grasp the most important aspects of the grammar. Expanded communicative activities encourage collaboration and application of target grammar in a variety of settings. New unit-ending *From Grammar to Writing* section allows students to apply grammar in writing through structured tasks from pre-writing to editing. New assessment tools, including course diagnostic tests, formative and summative assessments, and a flexible gradebook, are closely aligned with unit learning outcomes to inform instruction and measure progress. FOG Go app for iPhone® and Android® lets students easily navigate Student Book audio clips on their phone or tablet. New Essential Online Resources include Student Book audio, answer keys, Grammar Coach videos, self-assessments, and teacher's resources. Other Highlights Scaffolded exercises help learners bridge the gap between identifying grammatical structures and using them with confidence and accuracy. High-interest readings in multiple genres expose students to the form, meaning, and use of grammar in natural contexts. Key vocabulary taught, practiced, and recycled throughout the unit ensures acquisition. Listening tasks give students multiple opportunities to focus on spoken English and develop listening skills. Mapped to the Global Scale of English.

> Improve Your English Grammar Anywhere, Anytime! Clear, contextualized, and interactive, the five-level *Focus on Grammar Interactive* provides a communicative review of English grammar that covers all language skills through a comprehensive, motivating, and fun practice of grammar points and skills. *Focus on Grammar Interactive* is now available online. Students can log in from home, from the lab, or from any location with Internet access. Teachers can manage their class, set assignments, and monitor students' progress with the program's easy-to-use management tools. The *Focus on Grammar Interactive* online course mirrors the syllabus of the best-selling textbook series, *Focus on Grammar, Third Edition*. Features Access anywhere, anytime □ Your students log on from any computer anytime, offering flexibility and convenience. Easy to use □ The navigation is simple and intuitive. Ongoing student assessment allows teachers and students to monitor student progress. Automated feedback guides students' skill development. Grammar Notes help learners understand cultural differences and learn a new language within a broader social context. Abundant contextualized exercises—including grammar, reading, listening, dictation, and speaking activities—provide students with extensive and meaningful lab practice. Target structures are presented in full reading and listening passages to help students discover the grammar. Dictation exercises provide students with controlled listening and writing practice. Speaking exercises give students the opportunity for further oral practice of the vocabulary, grammatical structures, and themes introduced in the unit. Review quizzes and reports help students monitor their own progress and work. Additional exercises for remedial practice are provided for each grammar point so that students can work on improving weaker areas. A new *From Grammar to Writing* section provides students with additional writing practice based on unit topics through a series of controlled exercises leading to authentic pieces of writing that can be submitted for grading. Engaging games provide fun opportunities to review key structures. Additional support is provided by a wide range of easy-to-access resources, including grammar charts, grammar notes, glossaries, and appendices. The new online version puts you in charge! Study plans: Customize the course syllabus to meet your curriculum needs. Progress reports: View detailed reports displaying □time on task□ as well as practice, quiz, and test scores. E-portfolios: Monitor and assess students' progress on written assignments electronically. System Requirements

The syllabus combines a solid foundation in essential vocabulary and basic grammar with the life skills students need to function competently outside the classroom. The course progresses more slowly than most beginning series and is accessible to students with limited literacy skills. Each unit of the Student Book includes: Conversations (natural-sounding dialogues which introduce language points); Listening Plus; Paperwork (document literacy); Reading and Writing; Interactions(information gap activities); and Progress Checks. The series is designed for multilevel classes. Lively illustrations present and clarify new vocabulary and concepts.

High - Intermediate Level

Clear, communicative, and teachable, "Focus on Grammar: A High-Intermediate Course for Reference and Practice" provides enough context, practice, and interaction to make any classroom come alive. "Focus on Grammar" features: Clear visual presentation of grammar Concise grammar explanations Fully contextualized grammar presentation and practice in all four skills Controlled and communicative practice Comprehensive review tests including TOEFL Test-style questions From Grammar to Writing sections included in all levels New information gap activities throughout each book The "Focus on Grammar" series is a five-level course, Introductory through Advanced.

The bestselling workbook and grammar guide, revised and updated! Hailed as one of the best books around for teaching grammar, *The Blue Book of Grammar and Punctuation* includes easy-to-understand rules, abundant examples, dozens of reproducible quizzes, and pre- and post-tests to help teach grammar to middle and high schoolers, college students, ESL students, homeschooled, and more. This concise, entertaining workbook makes learning English grammar and usage simple and fun. This updated 12th edition reflects the latest updates to English usage and grammar, and includes answers to all reproducible quizzes to facilitate self-assessment and learning. Clear and concise, with easy-to-follow explanations, offering "just the facts" on English grammar, punctuation, and usage Fully updated to reflect the latest rules, along with even more quizzes and pre- and post-tests to help teach grammar Ideal for students from seventh grade through adulthood in the US and abroad For anyone who wants to understand the major rules and subtle guidelines of English grammar and usage, *The Blue Book of Grammar and Punctuation* offers comprehensive, straightforward instruction.

*Focus on Grammar and Meaning* explores how to teach grammar effectively to second or foreign language learners aged 5 – 18. It provides teachers with research insights that will help them to reflect on their classroom practice and enable them to experiment with different ways of teaching grammar. Taking a 'systemic-functional' approach, the authors emphasize the importance of linking language and meaning in teaching. Key research studies on grammar instruction are featured, examples from real classroom practice are examined, and activities are provided to help teachers relate the content to their own teaching context. *Focus on Grammar 1*

*Focus on Grammar*

*Focus on Grammar Interactive*

*Focus on Grammar 4 Workbook*

Whether it's for a professional document, a school paper, an Internet blog, or something more personal, effective communication depends on clear, concise, and grammatically correct writing. Punctuation, spelling, and grammar rules can trip up anyone, while organization and word choice can make writing memorable—or banal. The *Handy English Grammar Answer Book* is an engaging guide to writing with clarity for all occasions. It offers fundamental principles, grammar rules, and punctuation advice, as well as insights on writing for different occasions and audiences. From a brief history of the English language to the deconstruction—and explanation—of the different parts of a sentence, and from showing how to punctuate correctly to how to organize a well-argued essay, this easy-to-use reference answers nearly 500 questions and offers fun facts on the English language and its usage, including How did English become a language spoken worldwide? What is a sentence fragment? When do I use “that” versus “which”? How do I use materials ethically on my own websites? How do I write an outline? Several appendices, including model papers and sample writing for every occasion, a glossary of commonly used terms, a bibliography, and an index add to the book's usefulness.

*Focus on Grammar*, now in a new edition, maintains the proven pedagogy that makes it the most popular contextualized grammar series worldwide.
