Critically acclaimed when it was first published, *Tuck Everlasting* has become a much-loved, well-studied modern-day classic. This anniversary edition features an in-depth interview conducted by Betsy Hearne in which Natalie Babbitt takes a look at *Tuck Everlasting* twenty-five years later. What if you could live forever? Is eternal life a blessing or a curse? That is what young Winnie Foster must decide when she discovers a spring on her family's property whose waters grant immortality. Members of the Tuck family, having drunk from the spring, tell Winnie of their

Questions like these can be difficult for teachers to answer when they do not know the historical background of the English language. *Why Is English Like That?* gives teachers a brief and accessible history of the English without assuming any prior knowledge of the subject. The book outlines the historical events that shaped English; describes how its grammar, vocabulary, spelling, and pronunciation developed over time; and highlights the "quirks" and "exceptions" in English that can be explained on a historical basis. By understanding how the English of today evolved from the English of past times, both teachers and students will be more comfortable with the many

conventions of the English language. Why Is English Like That? also contains reproducible grammar and vocabulary exercises that will help teachers incorporate some of this historical knowledge into classroom activities. This book was written with English language teachers in mind, and the exercises are designed for ESL/EFL students, but it may also be used by teachers in training (L1 and L2).

both its cherished ideals and the qualities it desperately lacks. On an individual level, de Botton has deep sympathy for our need to see our selves reflected in our surroundings; he demonstrates with great wisdom how buildings – just like friends – can serve as guardians of our identity. Worrying about the shape of our sofa or the colour of our walls might seem self-indulgent, but de Botton considers the hopes and fears we have

for our homes at a new level of depth and insight. When shopping for furniture or remodelling the kitchen, we don't just consider functionality but also the major questions of aesthetics and the philosophy of art: What is beauty? Can beautiful surroundings make us good? Can beauty bring happiness? The buildings we find beautiful, de Botton concludes, are those that represent our ideas of a meaningful life. The Architecture
