Soon you will be on your way to creating your own designs and paper art.*

*Paper flower making is an accessible craft that uses simple tools and humble materials. Professional Laura Reed, experienced in creating amazing display windows featuring paper botanicals, shares the world of flowers that can be created with paper, and offers a straightforward, methodical approach suitable for beginners and more advanced enthusiasts. Starting with basic techniques, enjoy 7 projects that take you through the mindful processes of petal forming through to designing full paper flower projects. The designs are bold and feature modern, graphical blooms. Starting with the basics, you'll gain a solid understanding of the foundations of paper flower design and construction. Step-by-step tutorials help you make a wide range of flowers, and flowing on from that are 7 guided projects. Readers are encouraged to get creative and apply their own ideas throughout. The book concludes with a photo gallery projects to inspire. All templates are provided. The eco-friendly side can't be ignored; the flowers last a lifetime, unlike their fresh counterparts. Any waste material is recyclable, and you may also choose to use eco-friendly/recycled papers. By the end of the book, you will not only know how to make a range of flowers, but also understand how to design your own blooms and use them in a wide range of projects. You'll confidently choose suitable materials, tools and techniques to produce successful finished pieces.*

*Make realistic and decorative paper flower arrangements with this stunning origami book. The Japanese art of flower arranging is an age-old practice that honors nature and creates beauty through harmony and balance. This brand new book, Origami Ikebana, shows you how to create unique ikebana-inspired paper flower arrangements any time of the year. Since discovering ikebana some years ago, origami artist and author Benjamin Coleman has worked on developing techniques that enable him to create ikebana-style floral arrangements with simple folded paper. In this book, Coleman combines the principles and techniques of ikebana, origami and makigami (paper rolling) to create beautiful and lifelike paper flower arrangements. You'll learn how to construct stems from paper-mache-like makigami rolls and cap them with exquisite folded paper flowers and leaves, as well as how to display the arrangements on stone-like bases made of paper. Topics covered in this ground-breaking origami book include: Basic origami flower folding and assembly techniques Painting the leaves and flowers to enhance realism Using incremental leaf sizes for a greater sense of depth Making stems using makigami paper rolling techniques Creating "stone" bases for your arrangement from origami paper Dozens of different origami flower arrangements are described in this book, and the enclosed DVD contains detailed step-by-step video lessons showing you how to create each model. Don't spend a fortune on real flowers and plants that will wilt in a week—make your own beautiful paper floral arrangements that will last forever! This origami book contains: 128 page, full-color book Step-by-step instructions Colorful diagrams and photographs Origami flower folding and arranging techniques and tips 8 different leaf types 30 flower types Instructional DVD*

*These amazingly simple step-by-step tutorials inspire crafters to decorate their lives with brightly colored and boldly textured flowers that never die.Through her popular Etsy shop, Paper & Peony, Chantal Laroque creates custom paper flower arrangements for events, weddings and everyday, all infused with her signature bold style and fun colors. Now, with this book readers can learn how to make her flowers and favorite arrangements step by step using easy-to-find supplies and common cardstock. Chantal's use of cardstock instead of the more common tissue or crepe paper gives the flowers a unique bold and full appearance that stands out. With this simple trick, no fancy tools or difficult-to-work-with papers are required, as in other paper flower books on the market. Readers will be amazed at how quick and easy it is to craft these stunning flowers and arrangements. Not only do readers learn how to make each bloom step by step, they also learn to use a variety of those blooms for stunning statement arrangements. The photos showing each step reveal Chantal's secret techniques that give a life-like look to the flowers. Templates are provided at the back of the book for readers to trace onto their cardstock and cut out the petals and leaves. With this helpful and inspiring guide, readers will love creating bold and colorful flower arrangements that last forever. "This book offers a fresh take on the Victorian notion of expressing oneself with the symbolic language of flowers. Happy Day features bright, cheery flowers with uplifting sentiments. Each spread features a flower that "flips up" from the page, a brief description of the flower's meaning, and its special message for the recipient. When all of the blossoms are popped up, the book can be displayed on a desk just like a vase of flowers"--Amazon.com.
