**Exploring the
Dimensions of
Human Sexuality,
Fourth Edition
addresses all
aspects of sexualit
y—biological,
spiritual,
psychological, and**

sociocultural—and presents the information both factually and impartially. Throughout the text, students will find an emphasis on health and well-being based on the assumption that we are all sexual beings and that sexuality should be

viewed in its totality. Students are encouraged to explore the varied dimensions of human sexuality and see how each affects their own personal sexuality, sexual health, and sexual responsibility.
