

For Crosby

From Bing Crosby's early days in college minstrel shows and vaudeville, to his first hit recordings, from his 11 year triumph as star of America's most popular radio show, to his first success in Hollywood, Gary Giddins provides a detailed study of the rise of this American star.

It is also the story of Albert and Uranus Crosby, who migrated from Cape Cod to Chicago where, as successful entrepreneurs, they made their fortunes and later sacrificed it all in their efforts to bring a new musical and artistic enlightenment to their adopted city.

Finlay Thatcher is a lost soul, guilt-ridden after the death of her twin brother. When Alabama's football coach gives her the opportunity to work for him, she knows it's her chance to move on, even if it means living her brother's dream. Caden Brooks is Alabama's star quarterback. He's got it all. The attention of adoring fans. A girlfriend who'd do anything to hold on to him. And a future in the pros. He's getting along just fine until Finlay steps into his life, despising him at first sight and pushing his buttons like no other. Unfortunately for Finlay, and her attempt to keep Caden at arm's length, there's nothing Caden loves more than a challenge. The problem with this challenge is she comes with a secret that has the power to destroy everything. A STANDALONE New Adult Romance in the For You series. Each book follows a new couple.

Lucie Montgomery's discovery of her grandfather's Parisian romance unlocks a series of shocking secrets in the gripping new Wine Country mystery. In 1949, during her junior year abroad in Paris, Jacqueline Kennedy Onassis bought several inexpensive paintings of Marie-Antoinette by a little-known 18th century female artist. She also had a romantic relationship with Virginia vineyard owner Lucie Montgomery's French grandfather - until recently, a well-kept secret. Seventy years later, Cricket Delacroix, Lucie's neighbor and Jackie's schoolfriend, is donating the now priceless paintings to a Washington, DC museum. And Lucie's grandfather is flying to Virginia for Cricket's 90th birthday party, hosted by her daughter Harriet. A washed-up journalist, Harriet is rewriting a manuscript Jackie left behind about Marie-Antoinette and her portraitist. She's also adding tell-all details about Jackie, sure to make the book a bestseller. Then on the eve of the party a world-famous landscape designer who also knew Jackie is found dead in Lucie's vineyard. Did someone make good on the death threats he'd received because of his controversial book on climate change? Or was his murder tied to Jackie, the paintings, and Lucie's beloved grandfather?

Christmas Story and Christmas Present

For Forester

For Finlay

Bing Crosby dominated American popular culture in a way that few artists ever have. From the dizzy era of Prohibition through the dark days of the Second World War, he was a desperate nation's most beloved entertainer. But he was more than just a charismatic crooner: Bing Crosby redefined the very foundations of modern music, from the way it was recorded to the way it was orchestrated and performed. In this much-anticipated follow-up to the universally acclaimed first volume, NBCC Winner and preeminent cultural critic Gary Giddins now focuses on Crosby's most memorable period, the war years and the origin story of White Christmas. Set against the backdrop of a Europe on the brink of collapse, this groundbreaking work traces Crosby's skyrocketing career as he fully inhabits a new era of American entertainment and culture. While he would go on to reshape both popular music and cinema more comprehensively than any other artist, Crosby's legacy would be forever intertwined with his impact on the home front, a unifying voice for a nation at war. Over a decade in the making and drawing on hundreds of interviews and unprecedented access to numerous archives, Giddins brings Bing Crosby, his work, and his world to vivid life--firmly reclaiming Crosby's central role in American cultural history.

Includes an afterword by the author. Harry Crosby was the godson of J. P. Morgan and a friend of Ernest Hemingway. Living in Paris in the twenties and directing the Black Sun Press, which published James Joyce among others, Crosby was at the center of the wild life of the lost generation. Drugs, drink, sex, gambling, the deliberate derangement of the senses in the pursuit of transcendent revelation: these were Crosby's pastimes until 1929, when he shot his girlfriend, the recent bride of another man, and then himself. Black Sun is novelist and master biographer Geoffrey Wolff's subtle and striking picture of a man who killed himself to make his life a work of art. A spirited survey of humanity's historical and modern efforts to harness sun-based energy reveals how the human race's successes have hinged directly on effective uses of sun energy, cites rates in pollution and global warming as warning signs of fossil fuel limits, and

makes optimistic predictions about future innovations. 13,000 first printing.

One criticism of history is that historians all too often study it in isolation, failing to take advantage of models and evidence from scholars in other disciplines. This is not a charge that can be laid at the door of Alfred Crosby. His book *The Columbian Exchange* not only incorporates the results of wide reading in the hard sciences, anthropology and geography, but also stands as one of the foundation stones of the study of environmental history. In this sense, Crosby's defining work is undoubtedly a fine example of the critical thinking skill of creativity; it comes up with new connections that explain the European success in colonizing the New World more as the product of biological catastrophe (in the shape of the introduction of new diseases) than of the actions of men, and posits that the most

important consequences were not political – the establishment of new empires – but cultural and culinary; the population of China tripled, for example, as the result of the introduction of new world crops. Few new hypotheses have proved as stimulating or influential.

In this long-term community study of the freedom movement in rural, majority-black Claiborne County, Mississippi, Emilye Crosby explores the impact of the African American freedom struggle on small communities in general and questions common assumptions that are based on the national movement. The legal successes at the national level in the mid 1960s did not end the movement, Crosby contends, but rather emboldened people across the South to initiate waves of new actions around local issues. Escalating assertiveness and demands of African Americans--including the reality of armed self-defense--were critical to ensuring meaningful local change to a remarkably resilient system of white supremacy. In Claiborne County, a highly effective boycott eventually led the Supreme Court to affirm the legality of economic boycotts for political protest. NAACP leader Charles Evers (brother of Medgar) managed to earn seemingly contradictory support from the national NAACP, the segregationist Sovereignty Commission, and white liberals. Studying both black activists and the white opposition, Crosby employs traditional sources and more than 100 oral histories to analyze the political and economic issues in the postmovement period, the impact of the movement and the resilience of white supremacy, and the ways these issues are closely connected to competing histories of the community.

A fascinating study of the important role of biology in European expansion, from 900 to 1900.

This personalized book is a wonderful way to say "Happy Birthday" to a child named CROSBY. Celebrate CROSBY's birthday with birthday wishes for kids and birthday poems for kids. In the joyful story, adorable animals offer birthday wishes for CROSBY. The ultimate wish and gift is LOVE -- to give and receive. This birthday book features sweet rhymes and colorful illustrations to engage and enchant children. If you want a DIFFERENT NAME, do not buy this book. Instead, go to LiveWellMedia.com to order this book with the name you want.

Reviews for Personalized Children's Books, Personalized Baby Books, Bedtime Stories and Coloring Books by Suzanne Marshall My daughter LOVED this book as well as myself too! ~ SC A BEDTIME STORY is amazing. I found this book personalized for Addison as a last minute Christmas gift. She loves it, day and night. A BEDTIME STORY is wonderfully made & our grandchild loves it! We love it too! Plan on ordering more. Thank you sooo much! Lucien takes A BEDTIME STORY everywhere as if it is a teddy bear! ~ Sheila I received A BEDTIME

STORY today and it's beautiful. I'm a RN and I work in a NICU; the book was purchased for one of my little patients. I'm so excited to give it to the family! ~ Haleema Adorable & Uplifting! Crosby Parks had the life most guys only dreamed of. A wealthy family, girls vying for his attention, and pro scouts after his hockey skills. But when the life he knows comes crumbling down, he's sent to Alabama to escape the media storm and to rebuild his life. If Crosby has any shot of playing professional hockey, he must keep a low profile and graduate from college. But the second he steps foot on campus, keeping a low profile becomes impossible. Sabrina's mind is made up. After encouraging Alabama's star wide receiver to friend-zone her and pursue someone

else, she's determined to focus on herself and stop being everyone's trusty sidekick and shoulder to cry on. But when she stumbles upon a naked hockey player tied to a tree in the middle of the night, Sabrina's life is thrown upside down. Because when you leave someone tied to a tree, they eventually get free. A Standalone New Adult Sports Romance in the For You series. Each book follows a new swoonworthy couple.

The man said he was a doctor . . . but he did something to little baby Fanny's eyes that made her blind for the rest of her life. How could she find out about the world around her? How could she be happy? How could she learn? How could she love God? How could she forgive? Fanny Crosby was blind for more than ninety years . . . and she wrote over 8,000 hymns and gospel songs about her Savior. Potter's Wheel Books: showing children the Master Potter at work Christian biography for children ages 7-10

"Reveals the connections between the best and most fascinating hockey figures of today and yesterday"--

I'm Crosby Doing Crosby Things

The Book of Hidden Wonders

Here is the quintessential Bing Crosby tribute from the pen of author and music historian, Richard Grudens, documenting the story of Crosby's colourful life, family, radio and television shows, and films; the amazing success story of a career that pioneered popular music spanning generations and inspiring many followers: Frank Sinatra, Tony Bennett, Perry Como, Jerry Vale, Dean Martin, Eddie Fisher, Pat Boone, Elvis Presley and Billy Eckstine, all of whom acknowledge their debt right between the covers of this book. An inspirational introduction by his lovely wife, Kathryn Grant Crosby, is followed by endearing, anecdotal accounts of those ubiquitous 'Road' films with Bob Hope, and detailed personal testimonials from show business icons in their own words. A 'must read' for Crosby fans, collectors, admirers, music lovers, and everyone who cherishes the music and anecdotes of the players involved in the Golden Age of Popular Music.

"In what is the most comprehensive biography of the group to date, Browne compiles a fun and fast-paced music history.... an authoritative chronicle." --Publishers Weekly The first and most complete narrative biography of Crosby, Stills, Nash and Young, by acclaimed music journalist and Rolling Stone senior writer David Browne Even in the larger-than-life world of rock and roll, it was hard to imagine four more different men. David Crosby, the opinionated hippie guru. Stephen Stills, the perpetually driven musician. Graham Nash, the tactful pop craftsman. Neil Young, the creatively restless loner. But together, few groups were as in sync with their times as Crosby, Stills, Nash and Young. Starting with the original trio's landmark 1969 debut album, the group embodied much about its era: communal musicmaking, protest songs that took on the establishment and Richard Nixon, and liberal attitudes toward partners and lifestyles. Their group or individual songs--"Wooden Ships," "Suite: Judy Blue Eyes," "After the Gold Rush," "For What It's Worth" (with Stills and Young's Buffalo Springfield), "Love the One You're With," "Long Time Gone," "Just a Song Before I Go," "Southern Cross"--became the soundtrack of a generation. But their story would rarely be as harmonious as their legendary and influential vocal blend. In the years that followed, these four volatile men would continually break up,

reunite, and disband again--all against a backdrop of social and musical change, recurring disagreements and jealousies, and self-destructive tendencies that threatened to cripple them both as a group and as individuals. In *Crosby, Stills, Nash and Young: The Wild, Definitive Saga of Rock's Greatest Supergroup*, longtime music journalist and Rolling Stone writer David Browne presents the ultimate deep dive into rock and roll's most musical and turbulent brotherhood on the occasion of its 50th anniversary. Featuring exclusive interviews with David Crosby and Graham Nash along with band members, colleagues, fellow superstars, former managers, employees, and lovers--and with access to unreleased music and documents--Browne takes readers backstage and onstage, into the musicians' homes, recording studios, and psyches, to chronicle the creative and psychological ties that have bound these men together--and sometimes torn them apart. This is the sweeping story of rock's longest-running, most dysfunctional, yet pre-eminent musical family, delivered with the epic feel their story rightly deserves.

Russian mafia, illicit oil deals and murder: Photojournalist Sophie Medina is on the case These are the things Sophie Medina will swear to be true about her husband, oil executive and covert CIA operative Nick: He is an honorable, trustworthy, and loyal friend; an American patriot who would die for his country; and a loving husband. He is also - according to his MI6 handler - a murderer. They say the wife is always the last to know. Renowned photojournalist Sophie is used to Nick keeping secrets from her. But when Nick is kidnapped from their London home, only to be spotted in Russia months later, his bosses are convinced he's turned traitor. Russian-born Nick is not the only thing that's vanished - so have top-secret papers about an oil discovery that could destabilize the market and spark war. Sophie trusts Nick, but when she moves back to her hometown of Washington, DC, she's not so sure about his CIA colleagues. Struggling to tell friend from foe, Sophie's drawn deeper into Nick's shadowy world, where Russian mafia rub shoulders with American senators . . . and where death lurks, around every corner. *Multiple Exposure*, the first mystery featuring photojournalist and female sleuth Sophie Medina, is a gripping blend of international mystery and espionage thriller.

In *Thomas Crosby and the Tsimshian: Small Shoes for Feet Too Large*, Clarence Bolt demonstrates that the Indians were conscious participants in the acculturation and conversion process -- as long as this met their goals -- and not merely passive receivers of the blessings as typically reported by the missionaries. In order to understand the complexities of Indian-European contact, Bolt argues, one must look at the reasons for the Indians' behaviour as well as those of the Europeans. He points out that the Indians actively influenced the manner in which their relationships with the white population developed, often resulting in a complex interaction in which the values of both groups rubbed off on each other. This version of a Christmas Story is personalized for any child named CROSBY. Give CROSBY a Christmas present with joy and meaning! In *A Christmas Story*, CROSBY is the star of the story and saves Christmas! *A Christmas Story* features fun rhymes, adorable animals, colorful illustrations and a cameo by Santa Claus! *A Christmas Story* is one our Christmas stories for kids; Christmas presents for kids; and personalized kids books. **BONUS:** 12 coloring pages at the end of *A Christmas Story*. Profiles the native of Nova Scotia and hockey star who was the number one draft pick for the Pittsburgh Penguins in 2005.

Foreword By Morgan Housel Psychology and the Secret to Investing Success In The Laws of Wealth, psychologist and behavioral finance expert Daniel Crosby offers an accessible and applied take on a discipline that has long tended toward theory at the expense of the practical. Readers are treated to real, actionable guidance as the promise of behavioral finance is realized and practical applications for everyday investors are delivered. Crosby presents a framework of timeless principles for managing your behavior and your investing process. He begins by outlining 10 rules that are the hallmarks of good investor behavior, including 'Forecasting is for Weathermen' and 'If You're Excited, It's Probably a Bad Idea'. He then goes on to introduce a unique new classification of behavioral investment risk that will enable investors and academics alike to understand behavioral risk in a coherent and comprehensive manner. The Laws of Wealth is a finance classic and a must-read for those interested in deepening their understanding of how psychology impacts financial decision-making. "Should be read by all those new to investing." JIM O'SHAUGHNESSY, International Bestselling Author "Don't let your mind ruin your investing outcomes." LOUANN LOFTON, The Motley Fool "Step away from CNBC and into financial therapy!" MEREDITH A. JONES, Author, Women of The Street

When darkness branches to the soul of a family, light arrives in the form of a strange girl from the backwoods. Tree sprite Scarlet Oak exists as an outlier in her forested society. Wingless

since she was very young, she imagines deeper things, longing to know more than a warm bond with her birth oak. Then, one Thanksgiving night, humanness wanders into her realm when an autistic boy hangs himself from her oak tree. Heartbroken, Scarlet trails the boy's father and the rescue workers out of the woods. As the father stands alone and grief-stricken on a dirt road near his beat-up blue truck, Scarlet approaches, offering him a crimson leaf. By doing so, she trades her oak roots for human ones and her forest for farmland in a quest to unearth the tragic secret that led to the boy's death. But soon Scarlet falls for a complex youth named Warren. And if she gives in to this new kind of love, it will strip away her magic, and she can never truly return to her oak or nature's wild. *Scarlet Oak* is a soulful exploration of our fragile ties with nature, community, and loved ones. It poignantly grapples with how we move through loss to find meaning and connection.

A charming, deeply imaginative debut novel about a young girl who is immortalized in her father's illustrated books containing clues to their family secrets. Romilly Kemp and her eccentric painter father have happy but sheltered lives in a ramshackle mansion in the English countryside. When her father finds fame with a series of children's books starring Romilly as the main character, everything changes: exotic foods appear on the table, her father appears on TV and strangers appear at their door, convinced the books will lead them to a precious prize. But as time passes, Romilly's father becomes increasingly suspicious of the outside world until, before her eyes, he begins to disappear within himself. She returns to his illustrations, looking for a way to connect with her ailing father, and finds a series of clues he's left just for her. This treasure hunt doesn't lead her to gold or jewels, but something worth far more—a shocking secret that is crucial to understanding her family. Written with tremendous heart and charisma, *The Book of Hidden Wonders* is an unforgettable story about growing up, facing mortality and discovering the hidden wonders that make us who we are.

Mr and Mrs Crosby

Fanny Crosby

The Autobiography of David Crosby

Crosby, Stills, Nash, and Young, with their distinct vocal harmonies, blending of rock, jazz, folk, and blues, and political and social activism, have remained one of the most enduring musical acts of the 1960s. This book examines their songs and themes, which continue to resonate with contemporary listeners, and argues that Crosby, Stills, Nash, and Young reflect part of the broader story of American culture. This appreciative volume contextualizes their work within the political climate of the late 1960s, and makes the case that the values and concerns expressed in their music thread through the American experience today.

Originally published: New York: Doubleday, 1988.

Crosby Parks had the life. A wealthy family, girls vying for his attention, and pro scouts after his hockey skills. But when that life comes crumbling down, he's sent to Alabama to escape the media storm and to rebuild his life. If Crosby has any shot of playing professional hockey, he must keep a low profile and graduate from college. But the second he steps foot on campus, keeping a low profile becomes impossible. Sabrina's mind is made up. After encouraging Alabama's star wide receiver to friend-zone her and pursue someone else, she's determined to focus on herself and stop being everyone's trusty sidekick. But when she stumbles upon a naked hockey player tied to a tree in the middle of the night, Sabrina's life is thrown upside down. Because when you leave someone tied to a tree, they eventually get free. A STANDALONE New Adult Sports Romance in the For You series. Each book follows a new couple.

Caresse Crosby rejected the culturally prescribed roles for women of her era and background in search

of an independent, creative, and socially responsible life. Poet, memoirist, advocate of women's rights and the peace movement, Crosby published and promoted modern writers and artists such as Hart Crane, Dorothy Parker, Salvador Dalí, and Romare Bearden. She also earned a place in the world of fashion by patenting one of the earliest versions of the brassiere. Behind her public success was a chaotic life: three marriages, two divorces, the suicide of her husband Harry Crosby, strained relationships with her children, and legal confrontations over efforts to establish a center for world peace. As the first biographer to consider both the literary and social contexts of Crosby's life, Linda Hamalian details Crosby's professional accomplishments and her personal struggles. *The Cramoisy Queen: A Life of Caresse Crosby* also measures the impact of small presses on modernist literature and draws connections between key writers and artists of the era. In addition to securing a place for Crosby in modern literary and cultural history, *The Cramoisy Queen: A Life of Caresse Crosby* contributes to the field of textual studies, specifically the complexities of integrating autobiography and correspondence into biography. Enhanced by thirty-two illustrations, the volume appeals to a wide range of readers, including literary critics, cultural historians, biographers, and gender studies specialists.

For anyone who feels less-than about your work, your worth, your body, or the life you're building, find here an incredible hope: you don't have to have it all together to "qualify" for your life's calling. Just ask Caitlin Crosby, the former Hollywood talent who didn't finish college, never got an MBA, and wasn't supposed to become a CEO--yet that's exactly what she did. Caitlin's passion for people led her to launch *The Giving Keys*, a give-back jewelry brand with the mission of helping its employees transition out of homelessness. Each of their one million keys sold represents a person who wore it and shared it with someone else, in a unique pay-it-forward model. In *You Are the Key*, Caitlin opens up about her own secret "flaw" that rocked her sense of self-worth for the better part of two decades and her private battle to believe that our scars are not sources of shame but proof of courage and prompts toward purpose. Through Caitlin's all-too-real stories, sparkling with warmth and humor, you'll find the encouragement you need to: Be brave enough to let yourself fail Reframe your imperfections as signposts guiding you toward your greatest purpose Move forward from past mistakes and build something beautiful As you learn more about Caitlin and her journey, you'll learn that your own path to discovering and developing your purpose won't be a straight line. You'll fall down, and you'll get back up again. But Caitlin's story will remind you that your own imperfections can lead to your greatest purpose--and it all starts today. Praise for *You Are the Key*: "I've admired Caitlin's generosity and her work with *The Giving Keys* for years. I'm grateful to know her story. It's a reminder to never allow fear or setbacks to keep us from stepping out into the unknown. Caitlin has shown us that it's often in quiet moments of courage that we discover the things we're passionate about and realize more of who we're meant to be." --Joanna Gaines, cofounder of *Magnolia* "Caitlin's work in bringing purpose back to the lives of so many speaks for itself. With her as your guide, you will unlock purpose, confidence, and joy beyond what you could ever imagine." --Sarah Jakes Roberts, pastor, bestselling author, and founder of *Woman Evolve* "Equal parts powerful and personable, *You Are the Key* tells the story of what is possible when you follow big dreams with big heart." --Maria Shriver, journalist and *New York Times* bestselling author

Between August 1918 and March 1919 the Spanish influenza spread worldwide, claimin
over 25 million lives - more people than perished in the fighting of the First World War
proved fatal to at least a half-million Americans. Yet, the Spanish flu pandemic is largel
forgotten today. In this vivid narrative, Alfred W. Crosby recounts the course of the pa
during the panic-stricken months of 1918 and 1919, measures its impact on American
and probes the curious loss of national memory of this cataclysmic event. This 2003 e
includes a preface discussing the then recent outbreaks of diseases, including the Asia
and the SARS epidemic.

Crosby evaluates the progress of his original quality management principles and includ
maturity grid for companies to use in assessing the successes and failures in their ow
organizations

A compelling account of recreating a life through writing, memory, and desire In the ea
evening on October 1, 2003, Christina Crosby was three miles into a seventeen mile b
ride, intent on reaching her goal of 1,000 miles for the riding season. She was a respe
senior professor of English who had celebrated her fiftieth birthday a month before. A
crested a hill, she caught a branch in the spokes of her bicycle, which instantly pitche
the pavement. Her chin took the full force of the blow, and her head snapped back. In
instant, she was paralyzed. In *A Body, Undone*, Crosby puts into words a broken body t
seems beyond the reach of language and understanding. She writes about a body shot
with neurological pain, disoriented in time and space, incapacitated by paralysis and
deadened sensation. To address this foreign body, she calls upon the readerly pleasure
narrative, critical feminist and queer thinking, and the concentrated language of lyric p
Working with these resources, she recalls her 1950s tomboy ways in small-town, rural
Pennsylvania, and records growing into the 1970s through radical feminism and the
affirmations of gay liberation. Deeply unsentimental, Crosby communicates in unflinchi
prose the experience of "diving into the wreck" of her body to acknowledge grief, and
but also to recognize the beauty, fragility, and dependencies of all human bodies. A me

that is a meditation on disability, metaphor, gender, sex, and love, *A Body, Undone* is a compelling account of living on, as Crosby rebuilds her body and fashions a life through writing, memory, and desire.

Alabama's star wide receiver Trace Forester is home for the summer. He

expects his time under his parents' roof to be a bore...until he sees

Marin, the star of his teen fantasies. She may not have noticed him

when he was a kid, but he's going to make damn sure she does now.

Marin's life is in shambles. She never thought at thirty she'd be a

single mom in the middle of a divorce. She also never thought the

football player down the block would be the one her little boy needed.

The one she needed. He's funny, caring, and hot as sin. But he's only

in college... Marin is so screwed. A STANDALONE New Adult Sports

Romance in the For You series. Each book follows a new couple.
