*Keith's Radio Station offers a concise and insightful guide to all aspects of radio operations, explaining the functions performed within every professionally managed station. Now in its ninth edition, this book continues its long tradition of guiding readers to a solid understanding of who does what, when, and why. This new edition explains what "radio" in America has been, where it is today, and where it is going. Covering the basics of how programming is produced, financed and delivered across a spectrum of technologies, including the newest technological trends such as streaming and podcasting, satellite, and HD Radio, John Allen Hendricks and Bruce Mims argue that the future of radio remains bright and strong as it continues to evolve with emerging technologies. New to this edition: New and updated essays from industry leaders discussing how radio is evolving in an era of rapidly changing technology A thorough examination of Internet radio, online music services, and mobile listening devices An analysis of how new technologies have fragmented the advertising dollar A discussion of station website content and promotional usage of social media A revised examination of technologically advanced strategies used in traffic and billing departments Updated, full-color photos and illustrations. The new companion website features content for both students and instructors, including an instructors' manual, lecture slides, test questions, audio examples of key concepts, quizzes for students, and links to further resources.*

*Advertising expenditure data across multiple forms of media, including: consumer magazines, Sunday magazines, newspapers, outdoor, network television, spot television, syndicated television, cable television, network radio, and national spot radio. Lists brands alphabetically and shows total expenditures, media used, parent company and PIB classification for each brand. Also included in this report are industry class totals and rankings of the top 100 companies in each of the media.*

INSTANT NEW YORK TIMES BESTSELLER NBCC John Leonard Prize Finalist Indie Bestseller "This is a book people will be talking about forever." —Glennon Doyle, #1 New York Times bestselling author of Untamed "Ford's wrenchingly brilliant memoir is truly a classic in the genre. The writing is so richly observed and so suffused with love and yearning that I kept forgetting to breathe while reading it." —John Green, New York Times bestselling author One of the most prominent voices of her generation debuts with an extraordinarily powerful memoir: the story of a girl defined by the looming absence of her incarcerated father. Through poverty, adolescence, and a fraught relationship with her mother, Aimee wishes she could turn to her father for hope and encouragement. There are just a few problems: he's in prison, and she doesn't know where to find him.

end up there. She doesn't know how to deal with the incessant worries that keep her up at night, or how to handle the changes in her unwanted attention from men. In her search for unconditional love, Ashley begins dating a boy her mother hates. When the relationship assaults her. Still reeling from the rape, which she keeps secret from her family, Ashley desperately searches for meaning in the chaos. Her grandmother reveals the truth about her father's incarceration . . . and Ashley's entire world is turned upside down. Somebody's Daughter is the world of growing up a poor Black girl in Indiana with a family fragmented by incarceration, exploring how isolating and complex such a life can be. As Ashley battles her body and her environment, she embarks on a powerful journey to find the threads between who she is and who she was born into, and the complicated familial love that often binds them.

"Thanks to these two revolutionary digital communication modes, any radio amateur can easily make contacts throughout the world. You don't need high power or large antennas with JT65 or JT9. Ham radio operators have already used these modes to earn awards such as ARRL's DX Century Club with nothing more than 5 watts RF output and indoor antennas"--Back cover.

Skillful journalism and meticulous scholarship are combined in the full-bodied portrait of that enigmatic folk hero, Henry Ford, and of the company he built from scratch. Writing with verve and objectivity, David Lewis focuses on the fame, popularity, and influence of America's most unconventional businessman and traces the history of public relations and advertising within Ford Motor Company and the automobile industry.
