Celaena has survived deadly contests and shattering heartbreak-but at an unspeakable cost. Now, she must travel to a new land to confront her darkest truth . . . a truth about her heritage that could change her life-and her future-forever. Meanwhile, brutal and monstrous forces are gathering on the horizon, intent on enslaving her world. Will Celaena find the strength to not only fight her inner demons, but to take on the evil that is about to be unleashed? The bestselling series that has captured readers all over the world reaches new heights in this sequel to the New York Times best-selling Crown of Midnight. Packed with heart-pounding action, fierce new characters, and swoon-worthy romance, this third book will enthrall readers from start to finish.

A woman on the prowl... After three years of grieving, widow Demi Barnes is ready for another relationship-a purely physical relationship. One that won't involve her heart, interfere with her life or tarnish the love she still carries for her beloved husband. Aiden Winchester, her best friend's brother, fits the bill. As an active operator within the elite SEAL program, he's rarely home, and his dangerous career insures she'll lock down any stray feelings for fear he'll break her already fragile heart. And then there's the way his long, lean body, chiseled features and delicious ass launch a full array of tingles, chills and hormonal meltdowns whenever he's near. The problem? Aiden's barely aware she exists. A SEAL on a mission... Aiden Winchester wanted Demi Barnes the moment his sister introduced them, but she was married and off limits. After her husband's death, he batted down his hunger and waited for her to open herself emotionally. But when he discovers the woman he's lusted after for five long years is about to embark on a rebound fling with someone else, it's full steam ahead and all ammunition on deck. The only man Demi will take to bed-or on the kitchen table or up against the wall-is him. And it won't be a short-term fling. A double-edged seduction... On the battlefield of desire every advantage counts, so when a persistent admirer turns stalker, Aiden grabs the opportunity to move in with Demi under the guise of protection. The two square off in a close-quarters battle of the heart-but when the passion settles and the sheets cool, will their connection prove fleeting or permanent? This Book was previously published as Bound by Seduction.

Games of Thrones meets An Ember in the Ashes in this action-packed fantasy from the internationally bestselling author of the Nightshade series. Ara has always known about the legend of the Loresmith: the blacksmith who served alongside the kings and queens of every generation to protect the kingdom. It was her fate to inherit the title--though she never truly believed it would come to pass since the monarchy's downfall years before. But when the lost Princess Nimhea and Prince Eamon steal Ara from her quiet life with a mission to retake the throne--and take her place as the Loresmith--her whole world turns upside down. Their journey will take Ara on a dangerous adventure to discover new truths about her family's legacy, and even to face the gods themselves. And with a mysterious thief as an unexpected companion, Ara must use all her skills to figure out just who she can trust, and forge the right path forward--for herself, her kingdom, and her heart. From internationally bestselling author Andrea Roberston comes a gorgeously written new fantasy series perfect for readers of Leigh Bardugo's Grishaverse or Sabaa Tahir's An Ember in the Ashes series.

100 Mere Mortal Reviews of Forged in Fire

The American Blacksmith

GOP 2.0 is both a book and a movement that unites people around a common view of civility and freedom. GOP 2.0 puts policy over politics. It aspires to make Americans great. It's about Geoff Duncan's "P.E.T. Project," reviving the party with conservative Policies, genuine Empathy, and a respectful Tone. "I'm not the only conservative in America who wakes up wishing the past months were just a bad dream. I'm not the lone Republican who feels in my gut that our party is following the wrong path. And I'm not alone in believing there's a better way forward." As Lt. Governor of the State of Georgia, Geoff Duncan never expected to find himself in the national spotlight – or in the crosshairs of the President of the United States. Then the 2020 Election and its aftermath brought the nation's attention to Georgia. Amidst a hurricane of conspiracy and misinformation, Duncan spoke up for truth, conservative values, and the Republican Party he knows. Duncan had a front row seat as Georgia endured a long nightmare of fraud allegations, Presidential coercion, a dual runoff that flipped the U.S. Senate, and election reform that sparked national protests. He called for reason and principle even as Donald Trump viciously attacked him. He fought for "the silenced majority," current or former Republicans who yearn for a party that can reclaim lost ground and leave behind the politics of dishonesty, disorder, and division. GOP 2.0 is Geoff Duncan's vision, forged by his unexpected struggle for the party's future. In his words, "GOP 2.0 is not a new party – it's a better direction for our Republican Party." In this refreshing and reinvigorating new book, a leader who has been through the fire lays out a better way forward, one that lifts up reasoned ideas, expands the party, and positions the GOP to win back the White House in 2024.

In the final novel in the scorching Red-Hot SEALs series, a desperate mother and a Navy SEAL fight fire with fire to protect their love and save the world... Amy Chastain has made a lot of enemies--none so ruthless as the insanely powerful New Ruling Order (NRO). When they killed her husband, it was hell. Then they targeted her children by injecting them with a dangerous, experimental

isotope. Now Amy trusts only one man to help her: the ex-commander of SEAL Team 7. In the company of Navy SEALs, Jace "Mac" Mackenzie was in his physical element. Now he's on the run from the same cabal that poisoned Amy's children. That doesn't stop him from launching a mission to bring down the NRO--and find an antidote. But the clock is ticking. And as the sparks fly between him and Amy, Mac realizes he has more to lose than ever before. As Mac closes in on the NRO, he uncovers a plot that threatens more than Amy's children. Now it's a race against time to stop a global conspiracy, save the woman he loves, and protect the family that's starting to feel like his.

Konowa Swift Dragon, former commander of the Empire's elite Iron Elves, is looked upon as anything but ordinary. He's murdered a Viceroy, been court-martialed, seen his beloved regiment disbanded, and finally been banished in disgrace to the one place he'd

He's denied her healing touch . . . until his enemies mark her for death. Thanks to her Arapaho heritage, Kait Winchester can heal with her touch. But the one man she wants to get her hands on — super-sexy Navy SEAL Marcus "Cosky" Simcosky — avoids her like the plague. When the wounded warrior finally seeks her help, she's determined to make him acknowledge their off-the-charts chemistry. Cosky is no stranger to trouble. SEAL Team 7 is under investigation for a hostage rescue gone wrong, a bullet has shattered his knee, and a female stalker is dogging his every painful step. On top of it all, the one woman who can help him get back on his feet — his teammate's sister — has haunted his fantasies for years. Keeping his hands off Kait, as she puts hers on him, may be a battle he's destined to lose. And when his stalker targets Kait, there's nothing he won't do to keep her safe . . . even if it means letting go of his legendary self-control.

Phoenix Murray has had enough. Enough of her incompetent boss. Enough of her addict father always asking for money. Enough of the struggle to survive. So when her aunt offers her a job as a cook at the South Pole, she jumps at it. Even when she's asked to avoid casual sex to keep the peace in the tiny community. Astrophysicist Ashley Bennett can't wait for her year at the South Pole. Not only will it allow her to focus on her PhD research, it's a key step in her plan to become a Mars colonist. Avoiding the complications of dating in a society that doesn't understand asexuality is a bonus. When Phoenix and Ash meet, they can't help but push each other's buttons. Phoenix doesn't understand that her confident sexuality puts Ash on edge while Ash's curt formality triggers Phoenix's insecurities about her upbringing. But living at the bottom of the world means there's nowhere to run, and as they find common ground, their differences aren't nearly the hindrance they thought.

Rising From Ash is the first book in the Forged by Fire series, a slow burn contemporary lesbian romance that shows the power of intimacy to form a new life. Note: While Rising from Ash features a character on the asexual spectrum, the story does include physically intimate scenes.

However, none are gratuitous.

The flame of love burns bright in the second book of Sharon M. Draper ' s award-winning Hazelwood High trilogy. When Gerald was a child he was fascinated by fire. But fire is dangerous and powerful, and tragedy strikes. His substance-addicted mother is taken from him. Then he loses the loving generosity of a favorite aunt, and a brutal stepfather with a flaming temper and an evil secret makes his life miserable. The one bright light in Gerald's life is his little half sister, Angel, whom he struggles to protect from her father, who is abusing her. Somehow Gerald manages to find success as a member of the Hazelwood Tigers basketball team, and Angel develops her talents as a

dancer, despite the trouble that still haunts them. And Gerald learns, painfully, that young friends can die and old enemies must be faced. In the end he must stand up to his stepfather alone in a blazing confrontation. In this second book of the Hazelwood High trilogy, Sharon M. Draper has woven characters and events from Tears of a Tiger in an unflinchingly realistic portrayal of poverty and child abuse. It is an inspiring story of a young man who rises above the tragic circumstances of his life by drawing on the love and strength of family and friends.

Bound By Seduction A woman on the prowl...After three years of grieving, widow Demi Barnes is ready for another relationship—a purely physical relationship. One that won't involve her heart, interfere with her life or tarnish the love she still carries for her beloved husband. Aiden Winchester, her best friend's brother, fits the bill. As an active operator within the elite SEAL program, he's rarely home, and his dangerous career insures she'll lock down any stray feelings for fear he'll break her already fragile heart. Sarah Gillespie is in Hell. Two years of living under the thumb of a sociopathic killer will do that to a woman. But her sacrifices are worth it, if they save the lives of the two people she loves most in the world—her brother, Sean, and Navy SEAL Brett Taggart. But when her world explodes, exposing all her lies and hard choices, the consequences are horrific. And the resulting fallout sweeps up the two men she's sacrificed everything to protect. Brett (Tag) Taggart's last two years have been hell. The woman he'd expected to spend his life with ditches him to return to her hinky ex—a fellow special operator who raises one red flag after another. The teammates he depends on to watch his six turn on him in their stampede to take sides in Sarah's Navy SEAL love triangle. And the wedding of the woman he loves—to a f@cking psychopath—is marching closer every day. But when Sarah is kidnapped minutes before walking down the aisle, it's all hands on deck to rescue her. The resulting disclosure of her secrets and lies leaves Tag reeling, unable to forgive or forget her choices. But when their positions are suddenly reversed and Sarah is taken, he'll do anything—sacrifice everything—to get her back. And suddenly the world isn't so black and white anymore

Heir of Fire

“Entertains and tantalizes . . . an exciting and thoughtful addition to the ranks of Arthurian fantasy.” –Locus A stunning saga of courage and destiny in a legendary time of chaos and kings He was born to greatness, the son of a druid bard and a princess of lost Atlantis. A trained warrior, blessed with the gifts of prophecy and song, he grew to manhood in a land ravaged by the brutal greed of petty chieftains and barbarian invaders. MERLIN: Respected, feared and hated by many, he was to have a higher destiny. For it was he who prepared the way for the momentous event that would unite the Island of the Mighty—the coming of Arthur Pendragon, Lord of the Kingdom of Summer.

In this book, we have hand-picked the most sophisticated, unanticipated, absorbing (if not at times crackpot!), original and musing book reviews of "Forged in Fire: A Red-Hot SEALs Novel, Book 1." Don't say we didn't warn you: these reviews are known to shock with their unconventionality or intimacy. Some may be startled by their biting sincerity; others may be spellbound by their unbridled flights of fantasy. Don't buy this book if: 1. You don't have nerves of steel. 2. You expect to get pregnant in the next five minutes. 3. You've heard it all.

Genevieve Drake has never been the helpless kind of girl, has never needed to be rescued. That is, not until her twentieth birthday when some dude nearly chokes her to death in an alley and a hot stranger splits the guy in half, rips a monster from inside, and incinerates it into ash. The hot guy? Jude Delacroix—Dominus Daemonum, Master of Demons. Now her guardian, whether she likes it or not. But she's seriously beginning to like it. The dude choking her? One of many demons from the underworld trying to abduct or kill Genevieve. As the prime target of the demon prince, Danté, she has no problem accepting Jude's protection. Why Genevieve? She's a Vessel, one born to serve the Light but can be corrupted and used as a weapon for darkness. She had no idea this world even existed. Now, she just wants to survive it. Each book in The Vessel Trilogy is best enjoyed in order. Series Order: Book #1: Forged in Fire Book #2: Sealed in Sin Book #3: Bound in Black

Attempting to escape her past, reclusive glassmaker Maggie Concannon devotes her life to her art, until gallery owner Rogan Sweeney recognizes her talent and offers to help her build a lucrative career.

"Beth Brown doesn't believe in premonitions. But her recent dream feels too real to ignore: a commercial airliner is hijacked, and a handsome passenger is shot dead. Beth hasn't met the mystery man in her dream; she would never forget a gorgeous face like his. But she can't deny the bizarre connection she feels. Now awake, and unable to allow for the violence she's convinced is impending, she races to the airport ... and comes face to face with the man of her dreams. Zane Winters lives for his job, using his uncanny psychic powers to carry out missions for elite SEAL Team 7. Yet the constant adrenaline highs can't drown out the numbness seeping into his life as he yearns to find a woman he can trust. All that changes when he meets a beautiful stranger who sets his soul on fire--and somehow knows he's about to die. To thwart the global crisis the hijacking will unleash, Beth and Zane join forces. But even amid the danger, they can't deny the powerful force drawing them together. Is it merely attraction ... or destiny?"--Publisher.

Discover how Sulu rose to the captaincy of a starship in this Star Trek adventure set during The Original Series era. A vicious pirate known as the Albino is cutting a deadly swath across space, creating turmoil in the Klingon Empire that threatens to spill into the Federation. But this criminal also has a secret that could shake the halls of Imperial power, and his genocidal plans against the race that bore him will have consequences even he cannot imagine, as several unlikely allies join swords to bring the Albino to justice: Hikaru Sulu of the U.S.S. Excelsior; Klingon captains Kor, Koloth, and Kang; and a hotheaded young Federation diplomat named Curzon Dax.

Tempered in the flames of their shared adversity, a captaincy is forged, a Blood Oath is sworn...and a hunt begins that will stretch from one generation to the next.

Merlin

Small town life isn't as peaceful as Logan Yates expected since taking a job with the Jamesville Police Department. He's witnessed several odd occurrences, some of which might border on the supernatural if he believed in that sort of thing. But his real problem lies in figuring out who's vandalizing his new home. He's almost certain Kaylea Armund, his antagonistic college sweetheart, knows, but judging by the shadows darkening her eyes, she has no intention of sharing her secrets. A life-long resident of Jamesville, Washington, Kaylea Armund never bought into the legends and whispered tales about Spirit Woods, the primeval forest surrounding her hometown. Not once during her childhood did she see or hear anything strange from within the dark, shadowy depths of the forest. Growing up, she had worse things to deal with than mysterious lights and unexplained weather phenomena. But things take a turn into the strange and unexpected when Logan Yates-an old flame-brings a stray golden retriever into Kaylea's clinic. She's stunned by the dog's resemblance to Max, her childhood companion. But when the golden recognizes her and knows all the tricks she'd taught her Max, a chilling question arises-if this dog really is the beloved family pet she'd buried beneath Spirit Woods' canopy seventeen years earlier, what else might be making its way home from the grave?

Faith Ansell could never be mistaken for an action hero. The scientist is content in her lab, working with her team on life-changing discoveries. But when a mysterious organization captures her colleagues, she's forced to flee for her life with SEAL Team 7. Lieutenant Seth Rawls Rawlings, ST7's corpsman, hasn't been himself since a near-death experience in the Sierra Nevadas. He's tense and distracted, and the team caught him arguing with himself loudly. Despite his erratic behavior, Rawls is the only one Faith feels comfortable confiding her life-threatening secret in. But Rawls has a secret of his own: his wasn't the only spirit to return to the physical plane when he was resuscitated. At first, Rawls assumed the ghost he saw and heard meant he was having a complete mental breakdown. But the apparition soon becomes convincingly real, and what's more, he may be the key to the conspiracy looming over them. Rawls had better act quickly because ST7's race to save their reputations and Faith's life is on."

A memoir of heroism, comradeship, danger, and laughter aboard a Vietnam patrol craft, as a small crew grew into a seasoned combat team. Includes photos. During the Vietnam War, 3500 officers and men served in the Swift Boat program in a fleet of 130 boats with no armor plating. The boats patrolled the coast and rivers of South Vietnam, facing deadly combat, intense lightning firefights, storms, and many hidden dangers. This action-packed account by the Officer in Charge of PCF 76 makes you part of the Swift Boat crew. The six-man crew of PCF 76 was made up of volunteers from all over the United States, eager to serve their country in a unique type of duty not seen since the PT boats of WWII. This inexperienced and disparate group of men would meld into a team that formed an unbreakable lifelong bond. After training, they were plunged into a twelve-month tour of duty. Combat took place in the closest confines imaginable, where the enemy could be hidden behind a passing sand dune or a single sniper could be concealed in an onshore bunker. In many cases, the rivers became so narrow there was barely room to maneuver or turn around. The only way out might be into a deadly ambush. This is not a Vietnam memoir filled with political discussions or apologies. It simply tells the stories of these young, valiant sailors with humor and heartfelt emotion—in a suspenseful, surprising book that pays tribute to these sailors who, upon returning home, asked little of their country and received less.

View our feature on Kasey Mackenzie ' s Red Hot Fury. Introducing a sizzling new urban fantasy series featuring Marissa Holloway, an immortal Fury who doesn't just get mad...she gets even. As a Fury, Marissa Holloway belongs to an Arcane race that has avenged wrongdoing since time immemorial. As Boston's chief magical investigator for the past five years, she's doing what she was born to do: solve supernatural crimes. But Riss's investigation into a dead sister Fury leads to her being inexplicably suspended from her job. And to uncover the truth behind this cover-up, she'll have to turn to her shape-shifting Warhound ex for help.

This fascinating history, based on meticulous research into the correspondence and documentation of the founding fathers leading up to and encompassing the crafting of the Declaration of Independence, sheds light on how the Judeo-Christian worldview motivated America ' s founding fathers, influenced national independence, inspired our foundational documents, and established the American nation.

Written with the pacing and drama of an enticing drama, Forged in Faith is crafted for popular appeal with a compelling mix of dramatized story and action-driven narrative, yet with the authenticity and academic verity of historian Rod Gragg.

Sarah Jane Beauhall, the blacksmith turned dragon slayer, has it all figured out—little things like dealing with the political intrigue of dragons who secretly run our world, and learning to wield the magic that she has been given by none other than Odin, who has been fighting the dragons for millennia. And then there is the matter of coming to terms with who she is...and how to build a life with her partner, Katie. All these things are forced into the background however when a magic-wielding serial killer starts prowling the Pacific Northwest. And all of his victims have ties to Sarah. Sarah must unravel the web she finds closing around her as a powerful necromancer and a crazed blood cult known as the Dragon Liberation Front work to tear apart everything she holds dear. Forged in Fire is the third volume in J. A.Pitts's compelling urban fantasy series. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.
