A singular life often circles around a singular moment, an occasion when one's life in the world is defined forever and the emotional vocabulary set. For the extraordinary writer James Salter, this moment was contained in the fighter planes over Korea where, during his young manhood, he flew more than one hundred missions. James Salter is considered one of America's greatest prose stylists. "The Arm of Flesh " (later revised and retitled "Cassada") and his first novel, "the Hunters," are legendary in military circles for their descriptions of flying and aerial combat. A former Air Force pilot who flew F-86 fighters in Korea, Salter writes with matchless insight about the terror and exhilaration of the pilot's life.

Sweden, 1930 Two years ago, Dr. Ainsley Graham proved the existence of ghosts and fell in love-hard to top that. But a trip to Sweden to research at a prestigious university for the summer is nothing to sneeze at, especially since his partner, psychologist Joachim Cockburn, will be teaching alongside him. A change of scenery might be just the thing. Their idyllic trip to Sweden is interrupted by a ghost with a proclivity for rude hand gestures and graphic curse words—and a ghastly history begging to be investigated. Can truths from the past help love blossom in the present?

Art Blakey and the Jazz Messengers was one of the most enduring, popular, reliable and vital small bands in modern jazz history. Blakey was not only a distinguished, inventive and powerful drummer, but along with Duke Ellington and Miles Davis, he was one of jazz's foremost talent scouts. The musicians who flowed seamlessly in and out of this constantly evolving collective during its 38-year run were among the most important artists not just of their eras, but of any era. Though their respective innovations were vital to the evolution of bebop, hard bop and neo bop, the recorded work of the Messengers sidemen has never been properly analyzed. Until now. Hard Bop Academy: The Sidemen of Art Blakey's Jazz Messengers critically examines the multitude of gifted artists who populated the many editions of the Jazz Messengers. In addition to dissecting the sidemen's most consequential work with Blakey's band, jazz musician and acclaimed novelist Alan Goldsher offers up engaging profiles of everyone from Wynton Marsalis to Terence Blanchard to Hank Mobley to Wayne Shorter to Horace Silver to Keith Jarrett to Curtis Fuller to Steve Davis. And that's only the beginning. Goldsher conducted over 30 interviews with surviving graduates of Blakey's Hard Bop Academy, many of whom spoke at length of their tenure with the legendary "Buiana" for the first time. Alan Goldsher is a bassist who has recorded with Janet Jackson, Digable Planets, Cypress Hill and Naughty By Nature. His writing has been published in Bass Player, Tower Pulse, Sport and Basketball. Chicago Bulls Magazine. Goldsher's debut novel, Jam, was published in 2002 by Permanent Press. He lives in Chicago. Hardcover.

Henry drags me to a small town where everyone knows your business and to a family that's more broken than close. The Aldridge brothers are handsome, arrogant, and sinful. They're also too much to handle. Henry's dad lost his mind before he died, and the apple doesn't fall far from the tree. I don't know how I'll survive for eighteen months with this man. Except you should never judge a book by its cover. And Henry Aldridge has more hiding beneath the surface than I ever thought possible... The Baker's Creek Billionaire Brothers series is a romantic comedy saga packed with the perfect mix of angst, tears, and laughs. If you like strong heroines & alpha males, steamy romances and witty love stories, this series is for you!

ABOUT THE ORIGINAL BOOK The Knight in Rusty Armor has been a real success among its audience, selling more than one million copies worldwide. It is considered to be a motivational book that falls into the self-help category. It is an easy-to-follow narrative, making it accessible to everyone, built with some humor, and is enjoyed by adults, teenagers and children alike. The book tells a story of a somewhat egocentric man, who lives his life concerned with his appearance. Everything he does is without consideration for his wellbeing, rather with the aim of seeking approval of others... Little by little he is locked in his armor, which over time rusts and leaves him imprisoned by his appearance. Then comes a life of reflection and recovery for him. He embarks on a journey to free himself from his prison, during which he enlists the help of a magician. It is an excellent allegory that teaches the importance of being who you are on the inside, without the need to mask your appearance.

In the middle of the night a young girl wakens to a sound, goes outdoors, and discovers a deer with whom she sits quietly and lets him lick salt she has sprinkled on her hands.
