"Don't miss this." –TEEN PEOPLE Mara Valentine is in control. She's a straight-A senior, a vegan, and her parents' pride and joy. She's neck-and-neck with her womanizing ex-boyfriend for number-one class ranking and plans to kick his salutatorian butt on her way out the door to Yale. Mara has her remaining months in Brockport all planned out, but the plan does not include having V, her slutty, pot-smoking, sixteen-year-old niece – yes, niece – come to live with her family. Nor does it involve lusting after her boss or dreaming about grilled cheese sandwiches every night. What does a control freak like Mara do when things start spinning wildly out of control? With insight, authenticity, and a healthy dose of humor, Carolyn Mackler creates an evolving Type A heroine that every reader will recognize – and root for.

Some things don't get better over time. Why do so many women and men obsessively attach themselves to destructive relationships that they cannot walk away from? Why do they pathologically need to control their partners, using whatever means necessary? John Moore helps these people to identify, comprehend and become aware of their destructive behaviors in personal relationships so they can stop the viscous cycle of pain. **People Who Confuse Love with Obsession:** In the first comprehensive study of the subject in decades, political scholar Matthew Green disputes the conventional belief that the minority party in the U.S. House of Representatives is an unimportant political player. Examining the record of the House minority party from 1970 to the present, and drawing from a wide range of quantitative and qualitative data, Green shows how and why the minority seeks to influence legislative and political outcomes and demonstrates that the party's efforts can succeed. The result is a fascinating appreciation of what the House minority can do and why it does it, providing readers with new insights into the workings of this famously contentious legislative chamber.

A keen critic of culture in modern Indonesia, Andrew N.

Weintraub shows how a genre of Indonesian music called dangdut evolved from a debased form of urban popular music to a prominent role in Indonesian cultural politics and the commercial music industry. Dangdut Stories is a social and musical history of dangdut within a range of broader narratives about class, gender, ethnicity, and nation in post-independence Indonesia (1945-present).

Palemia tells the story of how a boy from an isolated village grew up to become Prime Minister of Samoa. It follows his journey from Lepa to Apia, Wellington, Brussels, Singapore, Beijing, Tokyo, London, New York and many other international destinations, always returning to Lepa and the Fa'asamoa that shaped him. Tuila'epa Sa'ilele Malielegaoi is Samoa's longest-serving Prime Minister. His premiership has been marked by political and economic crises, natural disasters, regional tensions and local challenges. Tuila'epa's political career started during turbulent times but has resulted in an unprecedented period of political stability and economic development through his leadership in modernising the economy, improving education and health and reducing poverty in Samoa. Palemia captures the voice, documents the life, and places in context a record of the most significant Samoan political leader of this generation, and contains many useful insights into the social, cultural and economic development of Samoa and the wider Pacific region. 'In collaboration with Peter Swain, a superb conveyer of information, Tuila'epa narrates his entry into politics and his rise to power. The book is a fascinating biography and provides a stimulating, thoughtful, original and authoritative perspective on Samoan political life - from the inside.' --Professor Stephen Levine.

Prepare to enter a world where a nation so great is finally tested as if jackals and lions collide. Will Valkar be a jackal or a lion?

China today is sexually (and in many other ways) a very repressive so ciety, yet ancient China was very different. Some of the earliest surviving literature of China is devoted to discussions of sexual topics, and the sexual implications of the Ym and Yang theories common in ancient China continue to influence Tantric and esoteric sexual practices today far dis tant from their Chinese origins. In recent years, a number of books have been written exploring the history of sexual practices and ideas in China, but most have ended the discussion with ancient China and have not continued up to the present time. Fang Fu Ruan first surveys the ancient assumptions and beliefs, then carries the story to present-day China with brief descriptions of homosexuality, lesbianism, transvestism, transsexualism, and prostitution, and ends with a chapter on changing attitudes toward sex in China today. Dr. Ruan is well qualified to give such an overview. Until he left China in the 1980s, he was a leader in attempting to change the repressive attitudes of the government toward human sexuality. He wrote a best selling book on sex in China, and had written to and corresponded with a number of people in China who considered him as confidant and ad visor about their sex problems. A physician and medical historian, Dr. Ruan's doctoral dissertation was a study of the history of sex in China. Beauty Is a Wound

Thrilling...an engrossing, emotionally rankling speed-read...original and sure-footed.' Big Issue [UK] Told in short, cinematic bursts, Vengeance Is Mine, All Others Pay Cash is gloriously pulpy. Ajo Kawir, a lower-class Javanese teenage boy excited about sex, likes to spy on fellow villagers in flagrante, but one night he ends up witnessing the savage rape of a beautiful crazy woman. Deeply traumatised, he becomes impotent, turns to fighting as a way to vent his frustrations. Vengeance Is Mine, All Others Pay Cash shows Eka Kurniawan in a gritty, comic, pungent mode that fans of Quentin Tarantino will appreciate. But even with its liberal peppering of fights, high-speed car chases, and ladies heaving with desire, the novel continues to explore Kurniawan's familiar themes of female agency in a violent and corrupt male world. Eka Kurniawan was born in 1975 and is the author of novels, short stories, essays, movie scripts, and graphic novels. He has been described by the Jakarta Post as 'one of the few influential writers in Indonesia.' His first novel to be translated into English, Beauty Is a Wound, was released in 2015. 'An unusual and provocative novel...A page turner, and well worth your attention.' AU Review '[Kurniawan] habitually drives his narratives between the extreme poles of the crass and the sublime,

the tragic and the comedic, the surreal and the real.' *South China Morning Post* 'It's funny, enraging, and touching.' *Village Voice* 'I believe the phrase is "page-turner"' *Words Without Borders* 'Kurniawan gives the reader an original plot while managing to include a good helping of black humour, plenty of irony, corruption and a man who talks to his penis (which occasionally answers him)...Funny and a bit crazy.' *BookMooch* 'Eka Kurniawan's English-language debut, *Beauty Is a Wound*, was released to much acclaim in 2015, introducing the Indonesian writer to a whole new audience. Told in short, cinematic bursts, his follow-up is gloriously pulpy as it continues to explore familiar themes of female agency in a violent and corrupt male world. Kurniawan is not for the faint-hearted, but his gritty, comic style will definitely be appreciated by fans of Quentin Tarantino.' *Readings* 'An arresting portrait of Indonesia's struggle for nationhood, delights in obscenity: no topic is spared from its bloodthirsty brand of satire.' *New Yorker* on *Beauty is a Wound* 'Beauty Is a Wound is an epic of a kind that could only come from the pen of an Indonesian...Kurniawan's creative ambition and scope are traditional in some senses, but his deeply strange work is profoundly original.' *Australian* on *Beauty is a Wound*

And Other Stories of Travel

A profound and moving journey into the heart of Christianity that explores the mysterious and often paradoxical lives and legacies of the Twelve Apostles—a book both for those of the faith and for others who seek to understand Christianity from the outside in. "Expertly researched and fascinating... Bissell is a wonderfully sure guide to these mysterious men.... This is a serious book about the origins of Christianity that is also very funny. How often can you say that?" —The Independent Peter, Matthew, Thomas, John: Who were these men? What was their relationship to Jesus? Tom Bissell provides rich and surprising answers to these ancient, elusive questions. He examines not just who these men were (and weren't), but also how their identities have taken shape over the course of two millennia. Ultimately, Bissell finds that the story of the apostles is the story of early Christianity: its competing versions of Jesus's ministry, its countless schisms, and its ultimate evolution from an obscure Jewish sect to the global faith we know today in all its forms and permutations. In his quest to understand the underpinnings of the world's largest religion, Bissell embarks on a years-long pilgrimage to the supposed tombs of the Twelve

Apostles. He travels from Jerusalem and Rome to Turkey, Greece, Spain, France, India, and Kyrgyzstan, vividly capturing the rich diversity of Christianity's worldwide reach. Along the way, he engages with a host of characters—priests, paupers, a Vatican archaeologist, a Palestinian taxi driver, a Russian monk—posing sharp questions that range from the religious to the philosophical to the political. Written with warmth, empathy, and rare acumen, *Apostle* is a brilliant synthesis of travel writing, biblical history, and a deep, lifelong relationship with Christianity. The result is an unusual, erudite, and at times hilarious book—a religious, intellectual, and personal adventure fit for believers, scholars, and wanderers alike. Advises readers on enhancing desire, recognizing the conditions for good sex, handling initiation and seduction, and more

This book is the hitherto unpublished memoir of Abram I. Elkus (1867-1947), a successful New York lawyer and judge. He was a committed democrat and worked to pass legislation for the betterment of living and working conditions for ordinary people in New York City. He also played an important role in the successful election campaign of president Woodrow Wilson in 1912. Elkus became the last US ambassador to Ottoman Turkey in 1916-1917. Today he is best remembered for his role in saving thousands of Armenian lives, as he continued the work of his predecessor in Constantinople, Ambassador Morgenthau. After WWI he was appointed a member of the League of Nations Commission to resolve the Åland Islands dispute between Sweden and Finland. Elkus' public life was cut short because of illness. The memoirs of Abram Elkus provide fascinating insights into American social and political life around the turn of the 20th century.

The English-language debut of Indonesia's rising star. The epic novel *Beauty Is a Wound* combines history, satire, family tragedy, legend, humor, and romance in a sweeping polyphony. The beautiful Indo prostitute Dewi Ayu and her four daughters are beset by incest, murder, bestiality, rape, insanity, monstrosity, and the often vengeful undead. Kurniawan's gleefully grotesque hyperbole functions as a scathing critique of his young nation's troubled past: the rapacious offhand greed of colonialism; the chaotic struggle for independence; the 1965 mass murders of perhaps a million "Communists," followed by three decades of Suharto's despotic rule. *Beauty Is a Wound* astonishes from its opening line: One afternoon on a weekend in May, Dewi Ayu rose from her grave after being dead for twenty-one years.... Drawing on local sources—folk tales and the all-night shadow puppet plays, with their bawdy wit and epic scope—and inspired by Melville and Gogol, Kurniawan's distinctive voice brings something luscious yet astringent to contemporary literature.
