"On January 26, 1996, Dave Schultz, Olympic gold medal winner and wrestling champion, was shot in the

Following the murder, du Pont barricaded himself in his home for two days before he was finally captured. How did the so-called best friend of amateur wrestling come to commit such a horrifying, senseless

Set in a bitterly benighted, mine-polluted corner of Virginia, Nitro Mountain follows a group of people bound together by alcohol, small-time crime and music. There's Leon, a hapless

bass player who can embroil himself in trouble just by getting out of bed in the morning. And his would-be girlfriend, Jennifer, who's living with Arnett, the town's most dangerous

thug-- and hoping Leon will help her poison him. And there's Arnett himself, a psychopath for the ages-- albeit so charming and deranged, so strikingly authentic, that he arrests

the reader's attention at first sight and holds it fast. His mirror image, a singer-songwriter named Jones, has his own moral issues, though at least he's trying to be a good man. The

bright if battered soul who pulls us through this story is Jennifer, a vulnerable yet strong woman struggling heroically to survive the endemic hopelessness and violence that have

***Quest for Olympic Gold
Writings from The New

Never Stop Pushing is a motivational autobiography by Olympic Greco-Roman champion wrestler Rulon Gardner (Gold

File Type PDF Foxcatcher

Medal, 2000; Bronze Medal, 2004). This inspiring memoir comes from one of the world's most remarkable athletes who achieved arguably the greatest upset in individual sports history when he defeated the Russian Alexander Karelin -- three-

File Type PDF Foxcatcher

time Olympic champ, undefeated and unscored upon for a decade before his match with Gardner -- in the 2000 Gold Medal match. Rulon Gardner tells the story of his impoverished upbringing as one of nine children in a close-knit

File Type PDF Foxcatcher

Mormon family on a farm in Wyoming, where in performing unceasing chores he developed tremendous strength at an early age. Gardner writes about his struggles in school made arduous by learning disabilities that have challenged him

File Type PDF Foxcatcher

his whole life. Also, after winning his Gold Medal, we read how this champion survived a snowmobile accident that marooned him outdoors for eighteen hours in high country. Rulon Gardner recovered from this and went on to defend his

File Type PDF Foxcatcher

Gold Medal at Athens in 2004 -- yet another comeback from this athlete who was supposed to simply fade away.

A riveting new biography of America's greatest all-around athlete by the bestselling author of

File Type PDF Foxcatcher

the classic biography *When Pride Still Mattered*. Jim Thorpe rose to world fame as a mythic talent who excelled at every sport. He won gold medals in the decathlon and pentathlon at the 1912 Stockholm Olympics, was an All-American

File Type PDF Foxcatcher

football player at the Carlisle Indian School, the star of the first class of the Pro Football Hall of Fame, and played major league baseball for John McGraw's New York Giants. Even in a golden age of sports celebrities, he was one of a kind.

File Type PDF Foxcatcher

But despite his colossal skills, Thorpe's life was a struggle against the odds. As a member of the Sac and Fox Nation, he encountered duplicitous authorities who turned away from him when their reputations were at risk. At Carlisle,

File Type PDF Foxcatcher

he dealt with the racist assimilationist philosophy "Kill the Indian, Save the Man." His gold medals were unfairly rescinded because he had played minor league baseball. His later life was troubled by alcohol, broken marriages, and

File Type PDF Foxcatcher

financial distress. He roamed from state to state and took bit parts in Hollywood, but even the film of his own life failed to improve his fortunes. But for all his travails, Thorpe did not succumb. The man survived, complications and all, and

File Type PDF Foxcatcher

so did the myth. Path Lit by
