Meet the Real Danielle... You've seen her on The Real Housewives of New Jersey, turning heads, raising eyebrows, and igniting feuds with her feisty suburban neighbors. Now, the always fascinating Danielle Staub gets real about her scandalous past in the year's most explosive tell-all memoir. . . . When she signed on to appear in a reality TV show, Danielle had no idea what she

was getting herself into. Hoping for a new lease on life after her recent divorce, the single mother of two became the target of vicious gossip, heated arguments, and endless controversy. When her housewife costars confronted her with the true crime book written about her ex-husband, the you-know-what hit the fan. Danielle knew she could no longer keep her checkered past a secret—and she had to set the record straight. This is the real Danielle Staub, in her own words, as you've never seen her before. The child of an unmarried Italian teenager,

Danielle was born in Pennsylvania (under the name Beverly Merrill) after her mother was pressured by her well-to-do family to leave Italy and not return until after she'd put her baby up for adoption. After years of sexual abuse, she fled to Miami, where she became a model, living the kind of lifestyle she could only dream of as a child. She partied like a rock star and with them as well, but ended up marrying a deceitful man who held dangerous secrets of his own. Soon Danielle was caught up in a tangled web of lies, drugs, and abuse that landed her in the

hospital more than once. How she survived—leaving her husband, changing her name, and finally giving birth to two lovely daughters—is one shocking story you have to read to believe. If you thought The Real Housewives of New Jersey gave you the real story of Danielle Staub, you don't know the half of it. Filled with glamour and grit, heartbreak and heroism, this brave, no-holds-barred memoir reveals the naked truth behind reality TV's most talked-about star. "You either love me or you hate me, there is no in between ."

rise as one of television's most intriguing personalities. It's all here—and all real—in this straight-from-the-hip memoir from the Real Housewife who has all of New Jersey talking . . . and the whole world watching. David Cronenberg's Crash (1996) brought down a storm of controversy and opprobrium when it was first screened in London. And yet it's a cool, controlled, formal film, unsensational, more analytic than titillating, a brilliant exposé of modern pathologies. It has almost none of the violence and explicit sexual content of the J.G. Ballard novel from which it

is adapted. What is the relationship between Ballard himself and the character 'James Ballard' in Crash? In this book, which includes an exclusive and revealing interview with Ballard, Sinclair explores the uncanny temporal loop which connects film and novel. If Cronenberg's 'adapted' Crash, he also absorbed it, ingested it, made it into something new. But, on the other hand, the novel controls the film, or uses the film to disguise its truly subversive intent. And, for Sinclair, there are more startling permutations still. To what extent, for

**This book investigates the
development of Sherlock Holmes
adaptations in British theatre since
the turn of the millennium. Sherlock
Holmes has become a cultural
phenomenon all over again in the
twenty-first century, as a result of
the television series Sherlock and
Elementary, and films like Mr**

Holmes and the Guy Ritchie franchise starring Robert Downey Jr. In the light of these new interpretations, British theatre has produced timely and topical responses to developments in the screen Sherlocks' stories. Moreover, stage Sherlocks of the last three decades have often anticipated the knowing, metafictional tropes employed by screen adaptations. This study traces the recent history of Sherlock Holmes in the theatre, about which very little has been written for an academic readership. It argues that the world of Sherlock Holmes is conveyed in theatre by a variety of games that activate new modes of audience engagement. The last installment of the acclaimed Behind the Silver Screen

Trip Trivia

“A formidable, addictive storyteller, Morgan provides a highly stimulating story of a midlife education in the messiness of modern sex and love. A steamy, liberating tale of self-exploration and self-love that encourages readers to ‘revel in your sexuality’” —Kirkus Reviews Leslie Morgan, bestselling author of Crazy Love and Mommy Wars, was a mom turning fifty, reeling from divorce and determined to reclaim her life. In a radical break with convention, she dedicated a year to searching for five new lovers, seeking the rapture absent

in a life of minivans and mom jeans—and finding a profound new sense of self-worth. When Leslie Morgan divorced after a twenty-year marriage, both her self-esteem and romantic optimism were shattered. She was determined to avoid the cliché of the “lonely, middle-aged divorcée” lamenting her stretch marks and begging her kids to craft her online dating profile. Instead, Leslie celebrated her independence with an audacious plan: she would devote a year to seeking out five lovers in hopes of unearthing the erotic adventures and authentic connections long missing from her life. Clumsy and clueless at first, she overcame mortifying early missteps, buoyed by friends and blind faith. And so she found men at yoga class, the airport, and high school reunions—all without the torture of

interpretive theory, she reveals much about Lear, English Reformation religious culture, and the state of contemporary criticism.

Are you one of the many women out there who needs a brand-new model for your business career? Are you looking for entrepreneurial alternatives to the world of big business, but aren't sure where to start? A transition into small business is a natural progression for countless women who have invested the first phase of their careers in large

companies. Many mid-career women dream of starting their own businesses, but until now there hasn't been a book that gives them the sense of multiple choice that helps them find the right entrepreneurial fit—options that go beyond starting a venture to include buying an independent business or a franchise, joining or consulting for small businesses, or working with partners. There's a confusing array of how-to books out there with general advice about starting a business, conducting a job

Across America, strip clubs have come under attack by a politically aggressive segment of the Christian Right. Using plausible-sounding but factually untrue arguments about the harmful effects of strip clubs on their communities, the Christian Right has stoked public outrage and incited local and state governments to impose onerous restrictions on the clubs with the intent of dismantling the exotic dance industry. But an even larger agenda is at work, according to Judith Lynne Hanna. In *Naked Truth*, she builds a convincing case that the attack on exotic dance is

part of the activist Christian Right's "grand design" to supplant constitutional democracy in America with a Bible-based theocracy. Hanna takes readers onstage, backstage, and into the community and courts to reveal the conflicts, charges, and realities that are playing out at the intersection of erotic fantasy, religion, politics, and law. She explains why exotic dance is a legitimate form of artistic communication and debunks the many myths and untruths that the Christian Right uses to fight strip clubs. Hanna also demonstrates that while the
