*The epic conclusion to the Shadow Beast Shifters. I finally have the life I always dreamed of. So why does it taste like ash on my tongue? Growing up in Torma, the strongest of the shifter packs, I wanted nothing more than to find my true mate and live my best life. Of course, that dream existed before my father betrayed the pack and turned me into their punching bag. I'd all but given up, until a quirk of true mate genetics gifted me a true mate like no other. My childhood dreams were finally a reality. Funny how quickly dreams turn into nightmares. I'm being lied to, missing weeks and months of time. Someone messed with me and no matter how often I'm told to forget it and move on as Torin's mate, there's no way I can. Whoever did this to me should have known I'd pick at it until it bled. It's my nature after all. As I search out random growls, flutters in my chest, and a suspicion that there's so much more going on than I could even imagine, I sense that I'm racing against an unknown clock. I need to get to the bottom of this mystery. And when I figure out who stole my memories, they're going to wish they never messed with Mera Callahan. Game on. -If you like sexy, dark paranormal romances, with humor, steam, action, a tough heroine and an antihero, this is for you. Dr. Maté presents addiction not as a discrete phenomenon confined to an unfortunate or weak-willed few, but as a continuum that runs throughout (and perhaps underpins) our society; not a medical "condition" distinct from the lives it affects, rather the result of a complex interplay among personal history, emotional, and*

When his Beast refuses to show the slightest interest in any of the show's potential mates, he knows he must choose one or die due to his raging mating fever. His Beast prefers execution to claiming anyone but his true mate. Wulf is resigned to his fate, a one-way trip to Atlan, a prison cell and execution. It is the only honorable thing left to do. Until one glance, one sweet, feminine scent lingering in the air and his beast rages for a female who is not supposed to be his. But try telling that to his Beast when his entire body transforms on live television and one simple word thunders from his lips...MINE.

You're beautiful and kind and very smart. But best of all, you're mine. Do you remember the stories your Grandma used to tell you every night about cursed beasts, village beauties, girls in red capes and wolves in disguises? Well, maybe, just maybe... they actually do happen. Maybe, beasts do exist. They do. I would know. I am bound to one. Whom, you may ask? Well, I am mated to the Alpha King. How? You will see. You will live through it with me. I am Theia Anderson. I am just like any one of you, human, alive, and breathing. But unlike any one of you, I've stumbled upon a world that until yesterday... I couldn't even fathom into existence. This is my story.

And the answer, when it comes to him, rocks his—and his beloved Mary's—world...

Eighteen-year-old Trinity is unlike any other werewolf in her pack. For one, there were unusual circumstances surrounding her birth, for another, she is the only pack member to never shift into a wolf form. So now she doesn't quite belong anywhere. Not quite human and not quite wolf. She thought she would be able to live her life how she wanted when she had turned eighteen. Go to college, make some friends, have some fun. But what is she to do when the dangerously sexy Alpha literally falls right into her lap? "I am not human, and I am not a wolf. I don't belong anywhere..." "...we both know that no one is going to mate with me, and even if they did, they would just reject me anyway." What is the sexy, brooding Alpha going to do? The elders are making him hold these ridiculous parties to search for a mate. He doesn't want a mate, but he knows he needs a mate to finish the Alpha Circle. Without a mate, a Luna for the pack, his people would suffer. And what is he going to do when he stumbles across the girl that fate has chosen for him and he finds out she has no wolf? "This cannot be!" I roared. "There is no way that I can mate with a girl that does not even have a wolf. She will be too weak. She will be inferior. She will not be strong enough to be a Luna." "I simply could not accept her as my mate. Not fully. It wasn't safe for her. She would get herself killed. And she would bring my pack down
