This book presents a series of essays on some of the most challenging issues which are facing Irish Studies scholars in the twenty-first century. It aims to provide a variety of views on topics such as gender, media, the North and the revision of traditional approaches to Irish studies as seen by a number of scholars at the end of the first decade of the third millennium. The breadth of scope is justified by the dynamic growth of the field over the last decade and points to the diverse academic and national backgrounds of the authors of the chapters and the enthusiasm with which the cultural concerns of the island of Ireland are tackled in other countries. Writers from Austria, Brazil, Canada, Germany and Spain provide original viewpoints on Irish topics which are as bold as they are refreshing. The awareness of the unique situation of Ireland and her cultural practices has provided a scenario in which interest in the literature, art, film and other cultural manifestations is great, and it is hoped that this volume will play a part in stimulating debate about some of the fascinating areas of Irish cultural matters discussed herein and will provide a useful work of reference for anyone interested in the rich and ample field of Irish Studies.

The Hibs are Here is the follow-up to Ian Colquhoun's previous book on Hibernian Football Club: From Oblivion to Hampden. That culminated in the club's successful League Cup winning season in 1991/92. This next volume is subtitled Miller to Millennium and charts the period from 1992 through to 1999. With fresh insight via exclusive interviews with a number of the club's players, coaches and managers, Colquhoun threads these together with a fan narrative and analysis of that iconic decade. He relives the joy of a UEFA Cup run, reaching another cup final and an historic third-placed finish in the Scottish Premiership; the highs and lows of an instant promotion following relegation; and the heartbreak of losing that final and two semi-final defeats. From the pen of a passionate Hibs fan who was there for it all, The Hibs are Here is a wonderful trip down memory lane for any Hibernian supporter.

Giving the Names You've Heard, the Story They Own

The Journal of the Law Society of Scotland

For a small footballing nation, Scotland boasts a proud record of having qualified for the World Cup Finals on eight occasions. But this fantastic record is also tarred with the glorious failure of never having reached the latter stages of the tournament. Scotland '74 is a bitter-sweet celebration of the closest Scotland has ever got - so far at least - when a team of superstars managed to snatch defeat from the jaws of victory in the dying seconds. Forty years on, it still hurts. For Scotland, the World Cup Finals in West Germany in 1974 promised much. Group 2 had a talented Brazil side with Jairzinho, Rivelino and Cesar, a hard-to-pronounce Yugoslavia line-up and group minnows Zaire. But the Scotland squad boasted household names like Billy Bremner, Kenny Dalglish, Denis Law, Peter Lorimer and Joe Jordan. How could Scotland not get to the second phase of the tournament for the very first time? Well, this is the story of how, astonishingly, it just didn't happen - even though Scotland ended up as the only unbeaten team in the tournament.As history tells us, 1974 was a massive missed opportunity for Scotland, and Richard Gordon now reveals how it all went wrong in the days before the shambles of Argentina '78 and the 3-0 humbling by Morocco in 1998. Drawing on archive reports and the memories of squad members, Scotland '74 relates the story of that big adventure, encompassing a shocking start to manager Willie Ormond's reign (a 5-0 beating by England), frequent player indiscipline, and, ultimately, the on-field heartbreak that left a nation in mourning for a lost opportunity.

Whether you want to impress friends and colleagues with new-found football wisdom, brush up on details you're unsure about (the offside rule, anyone?) or improve your practical skills, this is the book for you! Covering all the basics of the game, rules and tactics, as well as giving an in-depth history of the sport and how it has evolved to the present day, this indispensable guide will get you up to speed on the most popular game in the world in no time. With dream team formations, tips on football betting and supporting, essential coverage on the World Cup, and stats on current teams, players and managers both at home and abroad, football expert and Guardian journalist Scott Murray keeps it fun, fresh and knowledgeable to get you through the major tournaments and beyond. Football For Dummies includes: PART 1: KICK OFF Chapter 1: The bare essentials Chapter 2: A rich history Chapter 3: Get your boots on - the gear you need PART 2: PLAYING THE GAME Chapter 4: Laying down the laws Chapter 5: Positions and tactics Chapter 6: Honing your skills Chapter 7: Talented training Chapter 8: Coaching, managing and leadership Chapter 9: Putting it all into practice PART 3: THE WORLD OF FOOTBALL Chapter 11: The World Cup Chapter 12: The international scene Chapter 13: The British club scene Chapter 14: Taking on the world Chapter 15: Women's football PART 4: FANS ENCLOSURE Chapter 16: Going to the match Chapter 17: Read all about it... Chapter 18: Compulsive viewing: Football on TV (and film, and DVD...) Chapter 19: Joining in (sort of...) PART 5: THE PART OF TENS Chapter 20: Great players Chapter 21: Great managers Chapter 22: Great matches Chapter 23: Bad behaviour PART 6: APPENDICES Appendix 1: Appendix A: Honour Boards Appendix 2: Glossary Appendix 3: Key Football Organisations

When the Scottish Football League chairmen voted on the future of Rangers Newco in July 2012, most fans didn't really expect that they would be dumped into Division Three. Many thought that hard-headed commercial realities would mean demotion to the First Division at worst. But when the decision was announced, the club had no option but to start a new football journey in the bottom tier of Scottish football. In Rangers FC - The Only Way Is Up, Lisa Gray captures the humour, the emotion and, of course, the football as the club sets out for an incredible season, visiting pastures new at Peterhead, Annan and Berwick amongst others. This is the inside story of both the team and the supporters as they adjusted to life in the Third Division - new players, new opposition and, of course, new pies. It has been an extraordinary season and this colourful account is a lasting memento of a unique season which will never be repeated.

The beautiful game is big business. Football leagues worldwide are being dominated by clubs who are becoming richer and more powerful. Enormous corporate investment, deals with media giants, huge volumes of merchandising and dedicated TV channels mean that football teams are as concerned with the affairs of the boardroom as what is going on on the pitch. In this dynamic new book, Stephen Morrow examines the changing face of football, looking at issues such as the role of the stock exchange, the viability of the stakeholder approach, the 'new economics' of football including the role of media firms and the social impact of the sport.

This book brings together academics, writers and politicians to explore the range and nature of the media in Scotland. The book includes chapters on the separate histories of the press, broadcasting and cinema, on the representation and construction of Scotland, the contemporary communications environment, and the languages used in the media. Other chapters consider television drama, soap opera, broadcast comedy, gender, the media and politics, race and ethnicity, gender, popular music, sport and new technology, the place of Gaelic, and current issues in screen fiction. Among the contributors are David Bruce, Myra Macdonald, Brian McNair, Hugh O'Donnell, Mike Russell, Philip Schlesinger and Brian Wilson.

Please note that the content of this book primarily consists of articles available from Wikipedia or other free sources online. Pages: 49. Chapters: 1889 Scottish Cup Final, 1901 Scottish Cup Final, 1902 Scottish Cup Final, 1909 Scottish Cup Final, 1956 Scottish Cup Final, 1956 Scottish League Cup Final, 1957 Scottish League Cup Final, 1964 Scottish League Cup Final, 1965 Scottish League Cup Final, 1966 Scottish League Cup Final, 1967 European Cup Final, 1967 Intercontinental Cup, 1967 Scottish Cup Final, 1967 Scottish League Cup Final, 1969 Scottish League Cup Final (April), 1969 Scottish League Cup Final (October), 1970 European Cup Final, 1970 Scottish Cup Final, 1970 Scottish League Cup Final, 1971 Ibrox disaster, 1971 Scottish League Cup Final, 1972 Scottish League Cup Final, 1973 Scottish League Cup Final, 1974 Scottish Cup Final, 1974 Scottish League Cup Final, 1975 Scottish Cup Final, 1975 Scottish League Cup Final, 1976 Scottish League Cup Final, 1977 Scottish Cup Final, 1978 Scottish League Cup Final, 1980 Scottish Cup Final, 1982 Scottish League Cup Final, 1984 Scottish Cup Final, 1984 Scottish League Cup Final (March), 1985 Scottish Cup Final, 1986 Scottish League Cup Final, 1988 Scottish Cup Final, 1989 Scottish Cup Final, 1990 Scottish League Cup Final, 1994 Scottish League Cup Final, 1995 Scottish Cup Final, 1997 Scottish League Cup Final, 1999 Scottish Cup Final, 2000 Scottish League Cup Final, 2001 Scottish Cup Final, 2001 Scottish League Cup Final, 2002 Scottish Cup Final, 2003 Scottish League Cup Final, 2003 UEFA Cup Final, 2004 Scottish Cup Final, 2005 Scottish Cup Final, 2006 Scottish League Cup Final, 2007 MLS All-Star Game, 2007 Scottish Cup Final, 2009 Scottish League Cup Final, 2011 Scottish Cup Final, 2011 Scottish League Cup Final, 2011 Scottish Youth Cup Final, 2012 Scottish League Cup Final, Celtic 9–0 Aberdeen, CNE Cup of Champions. They have names like Barmy Bernie, Daft Donald, and Steamin' Sammy. They like lager (in huge quantities), the Queen, football clubs (especially Manchester United), and themselves. Their dislike encompasses the rest of the known universe, and England's soccer thugs express it in ways that range from mere vandalism to riots that terrorize entire cities. Now Bill Buford, editor of the prestigious journal Granta, enters this alternate society and records both its savageries and its sinister allure with the social imagination of a George Orwell and the raw personal engagement of a Hunter Thompson.

Sports Law

The Journey of a Japanese Genius

Since his move to Celtic in the summer of 2005, Shunsuke Nakamura has become a cult hero in both Scotland and the Far East. From the wonderful goal in his Champions League debut against Manchester United in 2006 to the strike against Kilmarnock that secured Celtic's league win in 2006-07, Nakamura has firmly established himself as a Celtic legend. Nakamura's ability to confront and overcome adversity has been the key to his success. From his rejection as a youngster by home-town club Yokohama Marinos to his omission from the 2002 World Cup squad by Philippe Troussier and his struggle to adapt to the defensive nature of Italian football, Nakamura has bounced back stronger every time. The Zen of Naka is a comprehensive, revealing account of Nakamura's career to date. It explores his development from the early stages of his footballing journey to his time with Celtic at present, and looks ahead at what the future may hold for the star.

This book charts season 2003/04, as Celtic went on a quest to regain the Scottish Premier League title that had been lost in the cruelest of circumstances. From the pre-season games in Sweden, England and the United States of America, to a Champions League campaign which would see Celtic come within minutes of reaching the knockout stages before ultimately dropping into the UEFA Cup where they would record arguably one of their greatest European results in a generation. Through a record breaking league run, a domestic double, and a series of victories over their Glasgow rivals, read how Celtic put themselves back on top - before bidding a final farewell to their talismanic striker from Sweden, Henrik Larsson. Through every match of the 2003/04 season, as well as the comings and goings between matches, relive the many highs of a terrific period of Celtic's history through the eyes of the people who were there - players, managers, and supporters alike.

The methods and philosophies of the coaches at one of the most successful Clubs in the history of European soccer. The current Manchester United manager made a name for himself in the world of football while at dutch super club Ajax Amsterdam. This book chronicles his time in charge there with unprecedented inside access to the methods and philosophies that produced not only championship teams but also world class players.

Football in the new media age can often appear ubiquitous, dominating much of the mainstream news and current affairs agenda. The impact of the vast amounts of money paid to elite footballers and the inability of young men to cope with this when combined with their media fuelled celebrity status have frequently made headlines. However at the core of this process is the battle to control a game which has exploited its position as a key 'content provider' for new media developments over the last decade. Based on extensive interviews with key players in the media and football industry, Football in the New Media Age analyses the impact of media change on the football industry. It examines the finances of the game; the rise of the importance of rights and rights management in the industry and attempts by clubs themselves to develop their own media capacity. It also explores the key role played by football supporters. At the core of the book is an examination of the battle for control of the game as media, business and fans all seek to redefine the sport in the 21st century.

Rangers FC - We Don't Do Walking Away

Born Under a Union Flag

How Leading Organisations in Business and Sport Changed the Rules of the Game

Scotland's Lost Clubs

A Guide to Support Player Development

1995 in Association Football

A book about the relationship of a football club to a political decision? On one level this is madness. But in Scotland it makes perfect sense. What do Rangers mean to Scotland and what does Scotland mean to Rangers? What do Rangers mean to Britain and what does Britain mean to Rangers? How does the club and the game interact with the world around it? Questioning how British and Scottish identities fit into supporting Rangers, Born Under the Union Flag provides the first solid exploration of the relationship between sport and national identity. Well-known and informed contributors from both sides of the independence debate, including Harry Reid, Iain Duff, and Will McLeish, all lend their disparate viewpoints this book, showing just how nuanced - and difficult - the discussion really is. A must-read for anyone interested in Rangers, the history of Scottish football, or the independence debate. Like a great football match, when the final whistle is blown, the players will shake hands and move on. If they have any sense, the winners will be magnanimous in victory; the losers will rue the day but accept the result nonetheless. I guess the one thing neither side wants is a draw and a replay. But that's up to the voters.

The fifth edition of Strategic Sport Marketing integrates sport marketing frameworks, theory and practical cases to show students and practitioners how to develop and execute successful sport marketing strategies. The book explains contemporary sport markets, consumer behaviour, marketing strategies and best practices in sport marketing in a clear, comprehensive and engaging way. Built on a foundation of strategic decision-making, it offers a truly diverse set of case studies, 'sportviews' and examples from national and international sports and events, including Australian Rules (AFL) football, European soccer, Russian hockey, Grand Slam tennis and the National Basketball Association (NBA). This new edition is revised to align with contemporary sport marketing applications, conceptualising sport as part of the experience economy and integrating technology and digitalisation themes into the book, reflecting the increasing focus on data and digital communications and media delivery of sport. It encourages critical and practical thinking and problem-solving on the part of the reader to help them improve their real-world professional practice. This book is an essential course text for students of sport marketing and management, as well as being a useful resource for all practitioners engaged in the marketing, promotion or communication of sport organisations or brands. Additional teaching and learning materials are available to accompany this book, including slides, class outlines and reflective questions and answers for each chapter.
