

Free Study Guide The Giver

In the second book of this lauded series, Fox and Chick are off on three new adventures involving a boat ride, a mysterious box, and an early morning trip to see the sunrise. Despite the antics ensuing from their opposite personalities, the contradictory duo always manages to find a happy center. This early chapter book in comic-book form is perfect for emerging readers, while the sweet and funny characters and captivating art hold appeal for picturebook audiences as well.

A Newbery Honor Book that the New York Times called "an eerie delight," The Wish Giver is an

Bookmark File PDF Free Study Guide The Giver

engaging literary folk story about those who get what they wish for—whether they want it or not. The people of Coven Tree are no strangers to magic. In fact, the town's very name comes from a gnarled old tree where covens of witches used to gather. Even now, imps and fiends continue to appear, frightening the townsfolk with their devilish pranks. Usually these creatures are easy to spot. They have a particular smell, or sound, or way of moving, that betrays their dark nature. But Thaddeus Blinn showed none of these signs when he came to Coven Tree. He was just a funny little man who drifted into town with a strange tale about being able to give people whatever they wished—for only fifty cents. There was nothing scary about him.

At least, not until the wishing began...

Anastasia's tenth year has some good things, like falling in love and really getting to know her grandmother, and some bad things, like finding out about an impending baby brother.

In her sweeping debut novel, Elizabeth J. Church takes us from the World War II years in Chicago to the vast sun-parched canyons of New Mexico in the 1970s as we follow the journey of a driven, spirited young woman, Meridian Wallace, whose scientific ambitions are subverted by the expectations of her era. In 1941, at seventeen years old, Meridian begins her ornithology studies at the University of Chicago. She is soon drawn to Alden Whetstone, a

brilliant, complicated physics professor who opens her eyes to the fundamentals and poetry of his field, the beauty of motion, space and time, the delicate balance of force and energy that allows a bird to fly. Entranced and in love, Meridian defers her own career path and follows Alden west to Los Alamos, where he is engaged in a secret government project (later known to be the atomic bomb). In married life, though, she feels lost and left behind. She channels her academic ambitions into studying a particular family of crows, whose free life and companionship are the very things that seem beyond her reach. There in her canyons, years later at the dawn of the 1970s, with counterculture youth filling the streets and protests against the war

rupturing college campuses across the country, Meridian meets Clay, a young geologist and veteran of the Vietnam War, and together they seek ways to mend what the world has broken. Exquisitely capturing the claustrophobic eras of 1940s and 1950s America, The Atomic Weight of Love also examines the changing roles of women during the decades that followed. And in Meridian Wallace we find an unforgettable heroine whose metamorphosis shows how the women's movement opened up the world for a whole generation.
