The Great Indian Novel

English Mechanics and the World of Science

Sam Reston's world is dangerous, uncertain, violent . . . with no room in it for the helpless and weak. Then the most beautiful woman in the world moves next door to him . . . Nicole Pearce's life is complicated enough. The last thing she needs is to get involved with a secretive, hard-bodied, hard-headed neighbor. Yet Sam leaves her breathless—her body tingling with desire—and it takes every ounce of her fabled control to resist offering herself to him, no strings attached. What she doesn't know is that Sam Reston is on an undercover assignment . . . and she's about to step into the crossfire. Never has Sam ached for a woman so badly. Now Nicole's in grave danger and he will become her shield. Because a terrorist plot hatched half a world away is heading to their doorstep—and it can be derailed by only one man and one woman.

Follow the heart through darkness . . . As the Inquisition gains force, even the faintest rumor can brand one a heretic. In this world it is Sancha's gift--or curse--to be blessed with the gift of healing. But the villagers are in need of her arts more than ever, and she feels it is her duty to help them at the risk of losing her life. And at the sacrifice of her heart . . . Enrique has never wanted a woman as he does Sancha. Determined to have her love, he woos her with exquisite passion, giving her refuge to pursue her healing in secret. But their very desire and escape from the ruthless forces of the world may be their undoing. And together, they must pit themselves against a jealous rival and archaic tradition to secure their place in a hopeful new dawn . . .

Classy interior designer Suzanne Barron always thought she'd fall in love slowly with a suitable man, a man of taste and discernment, a safe man. Former navy SEAL John Huntington—aka the Midnight Man-- is anything but safe. The day they meet, Suzanne has no holds barred sex with John. She has no idea how to cope with him and with the wild feelings he brings out in her. Backing away from him seems like her only option. But John is a SEAL and failure is not an option. He wants the elegant beauty fiercely and is prepared to fight for her. The fight turns deadly when unknown enemies come after Suzanne and her life is on the line. The Midnight Man will defend what is his—and once he's had a taste of Suzanne, there is no doubt that she belongs to him. Note: This book was originally published by Ellora's Cave and is an updated and lightly re-edited version.

In this award-winning novel, Tharoor has masterfully recast the two-thousand-year-old epic, The Mahabharata, with fictional but highly recognizable events and characters from twentieth-century Indian politics. Nothing is sacred in this deliciously irreverent, witty, and deeply intelligent retelling of modern Indian history and the ancient Indian epic The Mahabharata. Alternately outrageous and instructive, hilarious and moving, it is a dazzling tapestry of prose and verse that satirically, but also poignantly, chronicles the struggle for Indian freedom and independence.

There's a killer lurking in the shadows of the French Quarter and he's already killed Eris' friend and mentor. With her unique psychic gift, Eris can follow trails that have long grown cold for the police. But first she must ditch the sexy bodyguard hired to protect her because he's cramping her style and messing with her concentration. Rob has seen a lot of oddballs in his life, but nothing could prepare him for his latest assignment. Eris DuBose is as crazy as she is beautiful, and despite Rob's best intentions to keep their relationship strictly business, he can't resist the attraction burning between them. She manages to pull him into her crazy world and soon he finds himself dreaming of things he'd never considered possible. Now it's going to take a miracle and a huge leap of faith on his part to make his dreams come true.

"Lamm's wonderful quirky romance brings fresh humor to a familiar trope, with snappy writing and characters who share a surprising, spicy chemistry."—RT Book Reviews on The Geek Girl and the Scandalous Earl The Royal Treatment All Leah wanted was a little gallantry. But in this day and age, chivalry was most definitely dead. If only there were a way to travel back in time and snag her very own duke... Avery Russell was polishing some boots when a woman fell through the bedchamber mirror into his arms. All he could make out from her breathless babbling was some nonsense about "my one true love, Your Grace." Clearly the chit was mad if she couldn't tell a valet from a duke! As much as Avery wanted to give in and give her a good tumble, he knew it wouldn't be proper. No, he'd take as long as necessary to convince Leah that sometimes a duke just won't do. Rayne Dance: Keeping her psychic powers hidden had come to mean living the life of a near-hermit for Rayne. That was not difficult since she lived in a small community and worked as a farmer. Life wasn't easy, especially with the drought, but Rayne suddenly had two new men in her life. Sean owned the farm next door, but was he just another rancher? Then the French foreigner enters her life. Suddenly, being psychic is fraught with sexual tension and danger. Her life could be forfeited if she trusted the wrong man.

Reform isn't in every bad boy's future or past. Ava Fenaly knows a thing or two about magik, and she knows exactly what she's doing when she summons a demon in her bedroom. Well, almost. Ava is convinced the exhilarating night of passion that follows is all a dream. It has to be, because she's dead set against revisiting her past—and the horrors she left behind long ago. For the last three hundred plus years, Donatus Manlian has been living a peaceful life. Lonely, but peaceful. When the demon he has kept carefully locked within for centuries finally breaks free and responds to Ava's call, the peace—and the loneliness—are gone. Now Donatus is forced to revisit tragedies long buried as he protects Ava from the evil that pursues her. But another evil lies within him—and now that it's been awakened, the demon wants free. romance, demon, shifter, vampire, valkyrie, myths, legends, alpha-male, redemption

When Regina's friends insist on setting her up a "Fantasy Fix" to help her get over her cheating ex, she dreams up some kinky out-of-this-world encounters that they could never possibly bring to life. But the next thing Regina knows, her friends have got her laced into a shiny black corset, tight leather pants, and a sexy pair of stilettos. It's time for some downtown vampire-fantasy fun. . . . The Vampire Ball in Manhattan's East Village isn't really Dmitri Vidâme's idea of a good time, but as a member of the Council that governs the Others, he has to keep an eye on all the young vamps who prey on the pretenders. After he feasts his dark eyes on fiery Regina at the bar, he knows that he must have her. But for the first time Dmitri meets a woman who is more than a match for his indomitable will. And he may be the fantasy Regina hoped for... until she—and her feisty friends—discover her sexy new lover's bloodsucking secret...

The First Novel of The Others

The winners of the Nobel Prize show how economics, when done right, can help us solve the thorniest social and political problems of our day. Figuring out how to deal with today's critical economic problems is perhaps the great challenge of our time. Much greater than space travel or perhaps even the next revolutionary medical breakthrough, what is at stake is the whole idea of the good life as we have known it. Immigration and inequality, globalization and technological disruption, slowing growth and accelerating climate change--these are sources of great anxiety across the world, from New Delhi and Dakar to Paris and Washington, DC. The resources to address these challenges are there--what we lack are ideas that will help us jump the wall of disagreement and distrust that divides us. If we succeed, history will remember our era with gratitude; if we fail, the potential losses are incalculable. In this revolutionary book, renowned MIT economists Abhijit V. Banerjee and Esther Duflo take on this challenge, building on cutting-edge research in economics explained with lucidity and grace. Original, provocative, and urgent, Good Economics for Hard Times makes a persuasive case for an intelligent interventionism and a society built on compassion and respect. It is an extraordinary achievement, one that shines a light to help us appreciate and understand our precariously balanced world.

Jessica Sterns has always been a good girl, doing right, dating right, following all the right rules. Now, at twenty nine, thanks to a life change, she's got a whole lot of catching up to do, and a whole lot of bad girl to let loose. It's just a question of finding the right man. At first glance, Mac Hollister would appear to be just that man. The tall rugged rancher practically oozes testosterone, while his indolent posture, easy confidence and raw masculinity just scream "bad boy". He's the kind of man women spin dark fantasies around. The kind of man she's looking for. The minute the honey-blonde sets her dainty foot on the sidewalk in Round The Bend, Mac knows he's in trouble. From the top of her head with its long French braid, to the tips of her toes with their delicate pink polish, this woman defines elegance. Not the kind of woman he prefers, but no amount of logic can dissuade his interest once he sees Jessie's smile. He's always been a sucker for a sense of humor. Especially when it comes packaged with a killer body and an equally killer wit. Mac expects their affair to be short, sweet and safe, but he soon discovers that beneath that delicate image lurks a woman who can handle all the "bad boy" he can throw at her. She's everything he never expected to find, and what started out short-term soon becomes a relationship that will demand a compromise he's not sure he can make in order to keep the one woman he can't imagine living without.
