The Gospel According to Matthew

This volume brings together a selection of the papers presented at the “Print Networks” conference at the National Library of Wales, Aberystwyth, in July 2011. The conference theme, “Religion and the book trade”, was chosen to mark the four-hundredth anniversary of the publication of the King James Bible. Numerous events throughout the United Kingdom and the English-speaking world took place to commemorate this historic event, the Print Networks conference being one of many.

Religious books – be they tracts, sermons, homilies, hymn books, or Bibles – were primarily used by all denominations to spread their version of Christianity, to attract people to their cause, and to retain the loyalty of supporters. But these publications are also credited with the survival of indigenous languages, and, naturally, the printers and distributors of these religious works were crucial to the process of spreading both religion and literacy among the population. The contributions to this book cover a wide gamut of religion and the book trade from the sixteenth to the twentieth centuries. Most of the chapters are concerned with the European book trade and concentrate on Christian religions and cover both Catholic and Protestant, particularly Nonconformist/Dissenter, experiences. Most of the chapters relate to the British and Irish book trade, but there are also contributions discussing Italy and the Netherlands. There are chapters relating to the printers and publishers of religious works; authorship; the issue and production of religious periodicals; the promoters of religious libraries; and clandestine elements of the trade. This volume emphasises the pivotal role played by those in the book trade – printers, publishers or booksellers – in the distribution of religious works, and demonstrates that spreading the ideas of their authors, creators, or translators would have been far more difficult without their involvement. This book will be of interest to academics, independent scholars, heritage professionals and research students in the fields of book trade history; book arts; bibliography; bookbinding; printing and typographic history; publishing; social and industrial history; and religious history.

A NATIONAL BESTSELLER A beloved pastor and a New York Times bestselling author examine scripture and share inspiring personal stories to help show the important role that Jesus’ resurrection plays in our everyday lives. The Son of God was crucified, died and buried, and He lay in the tomb for three days—until He walked out shining like the sun. In a culture in which history is erased or rewritten at will, the existence of an empty tomb matters. Why? Because if the tomb is empty—then anything is possible. In his first book, Joby Martin, Lead Pastor of The Church of Eleven22, dives deep into scripture and traces the story of salvation by highlighting the seven mountains throughout scripture where God manifests himself. As he describes each encounter with God, Martin shows us how the interaction on each mountain laid the groundwork for the sacrifice of Christ on Calvary, and shows what God revealed about Himself in the process. He illuminates seven familiar passages, unveiling how God's plan for Christ's sacrifice is threaded throughout scripture, and shows why Christ's resurrection—impossible, unbelievable—means that nothing is too hard for our God. Ultimately, he asks readers, Do you live every day of your life as if the tomb is empty—or as though Jesus is still hanging on that cross? Written with New York Times bestselling author Charles Martin, If the Tomb is Empty is an insightful and spiritually rich examination of what the miracle of Christ's resurrection means for all of us.
