# From Alpha To Omega Answer Key

This is the instructor's manual with answers to accompany From Alpha to Omega: A Beginning Course in Classical Greek.

The purpose of this book is to answer questions for someone who is a believer or a non believer. It will give the reader an understanding of the three persons of the Trinity: God the Father, God the Son, and God the Holy Spirit. As a person reads, he will begin to understand the reason for intelligent life or the existence of the human race. He will

know where he came from or where he is going, which will be determined by the choices he makes. It gives an account of man, his relationship with God before he fell, and his new relationship after being “born again.” It unmasks the devil and teaches Christians how to live a victorious life.

In *The True Message of Jesus Christ*, Dr. Bilal Philips claims that Jesus Christ was merely a prophet of Allah who reaffirmed the central message that was later revealed to Muhammad. Dr. Philips argues that although Jesus claimed to be the Son of God in the Bible, modern

translations of the Bible are corruptions of the original revelations given by Allah. Only the Qur'an, which downgrades Jesus' status from the Son of God to a prophet, reflects God's true, uncorrupted message. This Reply to The True Message of Jesus Christ demonstrates that Dr. Philips' arguments are flawed and suffer from serious weaknesses on multiple levels. First, Dr. Philips' claims are not historically grounded. Second, he misconstrues the text and meanings of the Bible. Third, he employs circular reasoning to support his assertions. Fourth, the claims

Dr. Philips makes with respect to the corruption of the Bible conflict with even the teachings of the Qur'an on the divine inspiration of the Torah and other Hebrew and Christian scriptures. Some of Dr. Philips' claims about the Bible are correct, though ultimately, they relate to minor or ancillary points, such as discrepancies in extant biblical manuscripts as to a king's age when he began to rule. While such minor discrepancies exist, they should be expected in the copying and transmission of texts over thousands of years and they do not suggest deliberate

falsification of the text for dogmatic purposes. Such discrepancies do not alter the overall message of the Bible—that “God so loved the world that he gave His one and only Son, so that everyone who believes in him will have eternal life” (John 3:16). The True Message of Jesus Christ fails to persuasively demonstrate that man has corrupted the Bible, that the Qur’an is God’s true and divinely inspired book and that Jesus’ true message is that He is merely a prophet of Allah, rather than God’s sacrificial lamb, offered “as the atoning sacrifice for our sins, and not

only for ours but also for the sins of the whole world" (1 John 2:2). Ultimately, the book fails to defeat the hope given to all who put their faith and trust in Jesus Christ.

My aim is to make it easier to quickly find biblical answers to theological questions that are of perennial importance. I presuppose the inspiration and infallibility of the Bible, and this book is for Christians who accept those notions. This volume provides Bible passages (usually one verse; sometimes a few together) that are (in my opinion) the very best "answers" to a

large number of one-sentence questions. The format might remind one of the popular TV game show "Jeopardy," where the contestants are given a piece of information and have to come up with a question that it is the "answer" to. While compiling it, I looked at Bible passages and devised questions that the passages "answered." The book contains 18 broad categories and 200 numbered subcategories. The marvelous treasures in the Bible await all of us: inspired revelation from the Mind of God.

**The theology of Karl Barth, the world-renowned German religious philosopher, has won the interest of intelligent laymen as well as clergymen, seminarians, and students. This book is an analysis of the way in which Barth describes the existence of Christ as the beginning and end of human history. From the dominant cliché of modern theology--"Christianity is an historical religion"--it untangles three questions which it then directs to Barth's writings: 1. To what end does God rule human history? 2. In what sense does God have a**

3. What does the Christian assertion that Jesus, an historical event, is the meaning of life, say about the meaning of reality? Through investigation of these questions, Alpha and Omega presents Barth's theology as an answer to the challenge presented by the loss of man's ancient belief in an eternal and unchanging framework and in a goal of life.
