Smith's epic, completely unauthorised history of Britain's external intelligence community. Six tells the complete story of the service's birth and early years, including the tragic, untold tale of what happened to Britain's extensive networks in Soviet Russia between the wars. It reveals for the first time how the

Lieutenant Norman Dewhurst realised it was time to leave when he opened his door to find one of his agents hanging dismembered in a sack. This first part of Six takes us up to the eve of the conflict, using hundreds of previously classified files and interviews with key players to show how one of the world's most
