

Full Version The Lutheran Hymnal 1941

Johann Gerhard's Sacred Meditations, first published in 1606 when the author was only twenty-two years old, is perhaps his best-known work. This volume is considered a classic of Christian devotion, and has been translated into numerous languages over the last four centuries. While Gerhard is often considered the most influential dogmatician of the Lutheran church, this book demonstrates that he is also among the greatest devotional writers. This book is divided into a series of fifty-one devotions. These short chapters cover a breadth of topics in both theology and the Christian's daily life. He begins with meditations on the cross and repentance, and brings the reader throughout the Christian life, ending with a treatment of the eternal bliss which awaits the saints.

August Crull (1845-1923) edited and compiled the first edition of the Evangelical Lutheran Hymn-Book (1889), thus playing a critical role in shaping the hymnic tradition of The Lutheran Church--Missouri Synod as it transitioned from German to English. This study tells the story of Crull's pioneering labor in the formation of this seminal hymnal and documents the twenty-year journey to its final edition in 1912, which became the first, official

English-language hymnal of the Lutheran Church--Missouri Synod.

Contains all hymns and indices from the Pew Edition.

The Lutheran Hymnal: Gift Edition

Male Quartet

The gift edition for The Lutheran Hymnal (1941). Pages are edged in gold over red with the title, cross, and spine stamped in gold and in a gift box. Contains 668 hymns and carols, as well as liturgy for the Common Service, Matins, and Vespers.

The Lutheran Hymnal (1941), the most significant and widely-used American Lutheran hymnal of the twentieth century, contains 644 hymns and 16 spiritual songs, in addition to services and liturgical material. This handbook, the grandfather of American Lutheran hymnal companions and a classic in the field of hymnology, discusses the history and origin of the texts and tunes of all 660 hymns and songs of The Lutheran Hymnal. The second half of the book is devoted to biographical and historical notes on the authors, composers, and translators. Includes bibliography; index of biblical references; table of hymns for the feasts, festivals, and Sundays; index of first lines of original hymns; index of first lines of stanzas (except of first stanzas); alphabetical index of tunes; metrical index of tunes; index of subjects (topical index); alphabetical index of authors; alphabetical index of composers; alphabetical index of translators; and index of first lines. W. Gustave Polack (1890-1950), pastor, poet, hymnologist, was professor of church history at Concordia Seminary, St. Louis, Missouri, and was for twenty years chairman of the committee on hymnology and liturgics, which produced The Lutheran Hymnal.

A Lutheran Hymnal

The Handbook to The Lutheran Hymnal

"This manual is intended especially for those who have responsibility in planning and carrying out the corporate worship of the church: pastors, presiding ministers, accompanists, and choir directors"--Introduction, p. xv.

This book offers a new appraisal of the Reformation and its popular appeal, based on the place of German hymns in the sixteenth-century press and in the lives of early Lutherans. The Bohemian mining town of Joachimsthal--where pastors, musicians, and laity forged an enduring and influential union of Lutheranism, music, and culture--is at the

center of the story.
