

G Campbell Morgan El

El autor best seller del New York Times, el Dr. David Jeremiah, actualiza su libro clásico, nos brinda sabiduría para el fin de los tiempos en Vive confiado en un mundo caótico Living with Confidence in a Chaotic World, que ofrece instrucciones prácticas y basadas en la Biblia para vivir una vida segura en un mundo lleno de caos y crisis. «No dejes que tu corazón esté preocupado...» La confianza puede ser difícil de conseguir en estos días. La gente está perdiendo sus trabajos, sus casas y los ahorros de toda su vida a un ritmo sin precedentes. La violencia, los desastres naturales y la depravación moral parecen estar disparándose. En medio de todo este caos, necesitamos saberlo... ¿Qué exactamente deberíamos hacer ahora? David Jeremiah trae un mensaje de esperanza y confianza del invaluable consejo de la Palabra de Dios. Responde nuestras preguntas más urgentes, que incluyen: ¿Cómo podemos pasar esta tormenta con un corazón tranquilo? ¿Qué significa realmente «esperar en el Señor»? ¿Qué le está diciendo Jesús a nuestro mundo caótico de hoy? ¿Cómo es que nos metimos en este lío? ¿Podemos tomar un mundo quebrantado y reconstruirlo en algo fructífero? Living with Confidence in a Chaotic World New York Times bestselling author, Dr.

David Jeremiah updates his classic book, presents us with endtime wisdom in Living with Confidence in a Chaotic World, offering which offers biblically based, practical instruction for living a confident life in a world filled with chaos and crisis. “Let not your heart be troubled . . .” Confidence can be hard to come by these days. People are losing their jobs, their houses, and their life savings at an unprecedented rate. Violence, natural disasters, and moral depravity seem to be skyrocketing. In the midst of all this chaos, we need to know . . . what on earth should we do now? David Jeremiah brings a message of hope and confidence from the priceless counsel of the Word of God. He answers our most urgent questions, including: How can we weather this storm with a calm heart? What does it truly mean to “wait on the Lord”? What is Jesus saying to our chaotic world today? How on earth did we get into this mess? Can we take a broken world and rebuild it into something fruitful?

Since time immemorial, women have been the most consistently and universally abused people group on Planet Earth, as men in virtually every human culture have systematically, unrelentingly, and often violently dominated women . Unfortunately women of faith have also been virtually bound in chains of submission and gagged by demands for silence since the end of the apostolic era. God and Women brings serious biblical and historical scholarship to bear on the role of women in family, society, and church in an analysis of God’s original intentions for women and for men at the moment when he created humanity. Whether you are a woman or a man, this book and the other volumes in this series will literally set you free, challenging you to think and to act on divine truths from the Hebraic foundations of your faith. You will clearly see God’s original design and intent for women, and you will start tearing down prison walls that have deprived half of God’s children of the freedom to pursue his gifts and calling in the family, in the society, and especially in the community of faith.

Includes music.

Here is a book about the Psalms which are the devotional center of the Bible, adored by not only the people of Israel but by New Testament believers generally. The Psalms are grouped into five books, each of which has a central theme. These divisions are preceded by an outline and analysis of the Psalms as to content and purpose. While each of the Psalms are analyzed in turn, they are also examined as they relate to their grouping. It is this synthetic approach which will make it particularly valuable to all students of the Bible. To facilitate the study of the Psalms, the complete text of each Psalm has been printed preceding its own analysis. Dr. Morgan has long been recognized as one of the great Bible expositors of modern times, and this book deserves a worthy place alongside his other works.

Record of Christian Work

El Mensaje de Apocalipsis a las iglesias del siglo XX

G. Campbell Morgan (1863-1945) was a leading Bible expositor in England and the United States. Despite a lack of substantial formal training, Morgan was a prolific writer and teacher. Ordained into the Congregational ministry, he was the pastor of Westminster Chapel, London (1904-17 and 1933-45). Morgan also conducted two very successful teaching tours in the United States, including work with D.L. Moody’s ministry.

Or Lord referred to his work as that of the Physician. . . . Healing all manner of disease applies to the spiritual as well as the mental and physical. . . . our business is of bringing the sin-sick face to face with the One Healer. To do this demands some knowledge of His Methods and these are most radiantly revealed in the records of His early ministry. --From the Foreword 1931

The Acts of The Apostles

This book addresses a growing area of concern for scholars and development practitioners: discriminatory gender norms in legally plural settings. Focusing specifically on indigenous women, this book analyses how they, often in alliance with supporters and allies, have sought to improve their access to justice. Development practitioners working in the field of access to justice have tended to conceive indigenous legal systems as either inherently incompatible with women’s rights or, alternatively, they have emphasised customary law’s advantageous features, such as its greater accessibility, familiarity and effectiveness. Against this background – and based on a comparison of six thus far underexplored initiatives of legal and institutional change in Ecuador, Peru, and Bolivia – Anna Barrera Vivero provides a more nuanced, ethnographic, understanding of how women navigate through context-specific constellations of interlegality in their search for justice. In so doing, moreover, her account of ongoing political debates and local struggles for gender justice grounds the elaboration of a comprehensive conceptual framework for understanding the legally plural dynamics involved in the contestation of discriminatory gender norms.

The trials of Job are legendary. But not many people truly understand what those trials were all about and what God was trying to accomplish through them. Swindoll explains the key to developing heroic endurance.

The Method of Jesus with Individuals

Es imposible estudiar los registros de Jesús sin notar cuán frecuentemente Él se retiraba a las montañas. En medio de la soledad de su fuerza silenciosa, Él parecía respirar la atmósfera de los tiempos, y entrar en comunión con Su Padre en una medida especial. Es igualmente imposible en dicho estudio et no notar Su lealtad a los valles, y a los lugares donde los hombres se reunían en multitudes. Sería muy cierto afirmar eso. Él amaba las montañas, pero vivió la mayor parte de Su vida pública en los valles.

An atmospheric tale of corruption and abduction set on Mars, from the author of the award-winning science fiction novel Altered Carbon, now an exciting new series from Netflix. NAMED ONE OF THE BEST BOOKS OF THE YEAR BY THE GUARDIAN Hakan Veil is an ex–corporate enforcer equipped with military-grade body tech that’s made him a human killing machine. His former employers have abandoned him on a turbulent Mars where Earth-based overlords battle for profits and power amid a homegrown independence movement. But he’s had enough of the red planet, and all he wants is a ticket back home—which is just what he’s offered by the Earth Oversight organization, in exchange for being the bodyguard for an EO investigator. It’s a beyond-easy gig for a heavy hitter like Veil . . . until it isn’t. When Veil’s charge starts looking into the mysterious disappearance of a lottery winner, it stirs up a homet’s nest of intrigue and murder. And the deeper Veil is drawn into the game, the more long-buried secrets claw their way to the Martian surface. Now it’s the expert assassin poised against powerful enemies hellbent on taking him down—by any means necessary. Praise for Thin Air “Kick-ass . . . Mixed in with the thriller-esque action and cyberpunk backdrop is a hard-boiled noir story complete with a twisting and turning plot that keeps readers on their toes.”—Los Angeles Times “Richard K. Morgan wants to destroy your Mars fantasies. . . . It’s a grim vision, but one that Morgean finds far more plausible than the cheerful visions of plucky Mars colonists common in sci-fi.”—Wired “A robotically enhanced Jack Reacher [in a] dazzlingly intricate game of political double- and triple-cross, spiced with tastily kinetic battle sequences.”—The Guardian “If you ever imagined that the core esthetics and themes of cyberpunk—lowlifes and high tech; corporate dominance; future noir; post-human evolution and cyborg adaptations; hardscrabble urban environments—were played out, Thin Air will set you straight, and kick your butt in the process. . . . Both kinematic and cinematic, [Thin Air is] limned by Morgan with balletic precision and smashmouth grace.”—Paul Di Filippo, Locus

A Book of Sermons and Addresses Delivered at the ... Annual Bible Conference, Winona Lake, Indiana

Author, founder and president of Quiet Time Ministries Catherine Martin enthusiastically writes, speaks, and teaches devotion to God through His Word. In her new book, she presents the many names of God, describes how they reveal His character, and explains that by trusting in them readers can better understand who God is. Whether it’s read in order, by topic, or devotionally over 30 days, readers learn to make better decisions in their daily lives; respond more courageously to trials and adverse circumstances; and trust God rather than people, money, and possessions. Individuals, casual groups of friends, church congregations, and even families looking for a meaningful daily devotion will all find this book and its discussion questions a compelling invitation to wholeheartedly seek God and trust in His every name. Also available: Trusting in the Names of God--Quiet Time Experience and Trusting in the Names of God DVD.

This is a unique classification of all scripture designations of the three persons of the Trinity. In this exhaustive study one becomes acutely aware that the riches of God’s self-revelation are inexhaustible.
