Jammu Kashmir Yearbook 2020 Jammu and Kashmir was a region formerly administered by India as a state from 1954 to 2019, constituting the southern and southeastern portion of the larger Kashmir region, which has been the subject of a dispute between India, Pakistan and China since the mid-20th century. The underlying region of this state were parts of the former princely state of Jammu and Kashmir, whose western districts, now known as Azad Kashmir, and northern territories, now known as Gilgit-Baltistan, are administered by Pakistan. The Aksai Chin region in the east, bordering Tibet, has been under Chinese control since 1962. After the Government of India repealed the special status accorded to Jammu and Kashmir under Article 370 of the Indian constitution in 2019, the Parliament of India passed the Jammu and Kashmir Reorganisation Act, which contained provisions that dissolved the state and reorganised it into two union territories –

Jammu and Kashmir in the west and Ladakh in the east, with effect from 31 October 2019. At the time of its dissolution, Jammu and Kashmir was the only state in India with a Muslim-majority population. After the Indo-Pakistani War of 1947–1948, the princely state of Jammu and Kashmir was divided between India (who controlled the regions of Jammu, Kashmir Valley and Ladakh) and Pakistan (who controlled Gilgit–Baltistan and Azad Kashmir). The Indian-administered territories elected a constituent assembly in 1951, which ratified the accession of the state to India in 1954. In 1956–57, China constructed a road through the disputed Aksai Chin area of Ladakh. India's belated discovery of this road culminated in the Sino-Indian War of 1962; China has since administered Aksai Chin. Following the Indo-Pakistani War of 1971, India and Pakistan signed the Simla Agreement, recognising a Line of Control in Kashmir, and committing to a peaceful resolution of the dispute through bilateral negotiations. Jammu Kashmir Yearbook 2020 In August 2019, both houses of the Parliament of India passed resolutions to amend Article 370 and extend the Constitution of India in its entirety to the state, which was implemented as a constitutional order by the President of India. At the same time, the parliament also passed the Jammu and Kashmir Reorganisation Act, 2019, which contained provisions that dissolved the state of Jammu and Kashmir and established two new union territories: the eponymous union territory of Jammu and Kashmir, and that of Ladakh. The reorganisation act was assented to by the President of India, and came into effect on 31 October 2019. Prior to these measures, the union government locked down the Kashmir Valley, increased security forces, imposed Section 144 that prevented assembly, and placed political leaders such as former Jammu and Kashmir chief ministers Omar Abdullah and Mehbooba Mufti under house arrest. Internet and phone services were also blocked. The state of Jammu and Kashmir consisted of three divisions: the Jammu

Division, the Kashmir Division and Ladakh which are further divided into 22 districts. The Siachen Glacier, while under Indian military control, did not lie under the administration of the state of Jammu and Kashmir. Kishtwar, Ramban, Reasi, Samba, Bandipora, Gander bal, Kulgam and Shopian were districts formed in 2008, and their areas are included with those of the districts from which they were formed. Jammu and Kashmir was the only state in India which had special autonomy under Article 370 of the Constitution of India, according to which no law enacted by the Parliament of India, except for those in the field of defence, communication and foreign policy, would be extendable in Jammu and Kashmir unless it was ratified by the state legislature of Jammu and Kashmir. The state was able to define the permanent residents of the state who alone had the privilege to vote in state elections, the right to seek government jobs and the ability to own land or property in the state.
