My Revision Notes: WJEC GCSE Geography Second Edition

This volume seeks to provide learning, revision and examination practice. There are activities, resources and case studies to reinforce understanding and show the reader how to apply skills effectively. Working alongside the main text, it aims to make revision easy, for use in the classroom or at home. There are over 250 graded core and extension questions to test knowledge, with worked model answers and marker's advice on how to do well in exams.

Exam board: OCR Level: GCSE Subject: Geography First teaching: September 2016 First exams: Summer 2018 Build, practise and improve exam skills throughout your OCR GCSE (9-1) Geography A course to boost confidence and grades in the final exams. Suitable for all abilities, this write-in workbook enables students to: - Understand how to approach, plan and structure exam responses, working through activities with step-by-step breakdowns and tips for every question type and every paper - Apply their newly-developed exam skills and existing geographical knowledge to exam-style questions that include mark allocations - Tackle the challenges of high-tariff questions and command words, with in-depth guidance and plenty of examples for 'assess', 'evaluate' and 'to what extent' questions - Learn independently at home or in class, using the online answers to check their responses to exam-style questions

Motivate pupils to develop their geographical skills, knowledge and understanding as they become engaged and accomplished geographers, ready for the demands of GCSE. Specifically designed to provide a solid foundation for the 2016 GCSE specifications, this Student Book takes an enquiry-based approach to learning within each unit and lesson. - Easily and cost-effectively implement a new KS3 scheme of work: this coherent single-book course covers the latest National Curriculum content, providing 150 ready-made lessons that can be used flexibly for a two or three-year KS3 - Build and improve the geographical knowledge and skills that pupils need: every double-page spread represents a lesson, with rich geographical data and place contexts for pupils to interpret, analyse and evaluate - Lay firm foundations for GCSE: key vocabulary, command words and concepts are introduced gradually, preparing pupils for the content and question types they will encounter at GCSE, with a particular focus on analysis and evaluation questions - Effectively assess, measure and demonstrate progress: formative assessments throughout each lesson and summative end-of-unit reviews include questions that show whether pupils are 'working towards', 'meeting' or 'exceeding' expectations - Encourage pupils to check and drive their own progress: learning objectives and end-of-unit learning outcomes help pupils reflect on their learning and make connections between key concepts and skills throughout the course

Set your students on track to achieve the best grade possible with My Revision Notes. Our updated approach to revision will help students learn, practise and apply their skills and understanding. Coverage of key content is combined with practical study tips and effective revision strategies to create a guide that can be relied on to build both knowledge and confidence.
