

German Shepherd Owner Guide

Everybody thinks they know the German Shepherd. Many of us grew up with Rin Tin Tin, or we saw German Shepherds in nightly news reports breaking up riots, or we saw them in neighbors' backyards protecting children. But that only scratches the surface of one of the most fascinating and confusing breeds on earth. Whether it's selection, nutrition, routine health care, training, competition, or just having fun, there's more to it with a German Shepherd than with other breeds. And if you're thinking about adding one to your family, or you already have one, you need to know all you can about this breed. Which is where German Shepherds For Dummies comes in. Is this noble and intelligent breed the right dog for you and your family? German Shepherds For Dummies provides the answer to this and all your questions about getting, caring for, and living with this loveable breed. Lifelong German Shepherd owner and longtime German Shepherd breeder, trainer, and exhibitor, Carline Coile, PhD, gets you up and running with what you need to know to:

- * Find and communicate with reputable breeders
- * Choose the right German Shepherd for you
- * Housebreak and socialize your new puppy
- * Educate yourself and your dog
- * Handle behavioral problems
- * Participate in competitions

Dr. Coile provides insights into the German Shepherd temperament and loads of sensible, easy-to-follow advice, along with fun facts and Shepherd trivia, amusing and informative anecdotes, and tips on how to have a great time with your dog. Discover how to:

- Understand how to communicate with your German Shepherd
- Train your German Shepherd
- Find a good trainer and attend classes
- Deal with hereditary health problems
- Feed and exercise your German Shepherd
- Recognize, prevent and treat common health problems
- Have loyal friend for life

The indispensable guide for you and your German Shepherd, German Shepherds For Dummies is the only book you'll need to help you have the best possible experience with this handsome and sensitive breed of dog. German Shepherds For Dummies (9781111964464) was previously published as German Shepherds For Dummies (9780764552809). While this version features a new Dummies cover and design, the content is the same as the prior release and should not be considered a new or updated product.

Our 100% no quibble, money back guarantee means you have nothing to lose... But everything to gain. Take care of yourself... and your German Shepherd Dog Max

The first official publication endorsed by the American Kennel Club (AKC) to celebrate this remarkably talented and multi-faceted breed, Meet the German Shepherd is the ideal introduction for new owners. German Shepherds have served humankind in various capacities over the years, including work as a police dog, military dog, search and rescue dog, herding dog, competition dog, guard dog and companion dog. Few breeds can boast as many devoted fans at the GSD. This colorful and useful owner's guide is divided into eleven chapters, which offer authoritative and accurate information on the breed's history as a working dog, characteristics, and special requirements for owning a dog as active and intelligent as the GSD. All titles in the American

Kennel Club's Meet the Breed series are heavily illustrated with beautiful color images of well-bred puppies and handsome adults, a true feast for the eyes of any lover of this breed. A chapter devoted to the purchase and selection of the GSD puppy gives the reader specific guidance on how to locate a qualified breeder and to recognize a healthy, sound puppy. Individual chapters on house-training and basic obedience serve as a crash course in positive-training techniques, the AKC's only recommended way of training dogs. Chapters on exercise, grooming, feeding, and healthcare present indispensable information for new dog owners. As an official publication of the AKC produced in conjunction with the German Shepherd Dog Club of America, Meet the German Shepherd also explains the many vital programs offered by the country's leading canine organization to all pet dog owners, including the S.T.A.R. Puppy and the Canine Good Citizen programs, as well as descriptions of various dog sports such as conformation showing, agility, herding, obedience and more. A detailed resources section offers recommendations for websites, books, periodicals, and club affiliate programs, all of great interest to responsible new dog owners.

INSIDE: German Shepherd Dog Breed Information! The German Shepherd Puppy and Dog: Your Total German Shepherd Dog, A Pet Owner's Guide is a great way for anyone to learn all about the German Shepherd Dog breed from someone who has lived with the breed for almost forty years! READER REVIEWS: "I would recommend this guide to anyone thinking of getting a German Shepherd!" "The thing I liked best about this book is that the writer seems to be so enthusiastic about the GS dog breed and really, honestly wanted to share all that she knows about the breed with me personally." "This book has lots of great information all about the German Shepherd Dog." "I really enjoyed this book and I'm sure I'll re-read it often especially once I get my own puppy in the upcoming weeks." "Accurate and Objective - Joys and Warts" "Debbie Ray covers these topics honestly in this book. I highly recommend a study of it." A New Owner's Guide to German Shepherds

The White German Shepherd Complete Owners Manual has the answers you need when researching this friendly, white coated purebred herding canine. Learn about this intelligent dog and how they evolved from Swedish lines and find out whether or not this breed will be the best choice for you and your family. Learn everything there is to know, including little known facts and secrets and how to care for every aspect of the White German Shepherd's life. This manual contains all the information you need, from birth to the Rainbow Bridge, including transitioning through house breaking, care, feeding, training and end of life, so that you can make a well-informed decision about whether or not the White German Shepherd is the breed for you. If you already have a White German Shepherd, this book will teach you everything you need to know to make your dog a happy dog and to make you a happy dog owner. The author George Hoppendale is an experienced writer and a true animal lover. He enjoys writing animal books and advising others how to take care of their animals to give them a happy home. Co-Author Asia Moore is a professional Dog Whisperer, Cynologist and Author, living on Vancouver Island, off the west coast of British Columbia, in Canada, who believes that all humans and dogs can live together in harmony. She and her dog whispering team, which includes an 8-year-old Shih Tzu named Boris, teach dog psychology to humans, to help alleviate problem behaviors that arise between humans and their canine counterparts so that everyone can live a happy and stress-free life together. Covered in this book: - Temperament - Vital statistics - Before you buy - Choosing the right dog - Health - Daily care - Feeding - House training - Medical care & safety - Grooming - Training - Poisonous Foods & Plants - Caring for your aging dog and much more. Do you stare in amazement at the well-behaved German Shepherd puppy at the dog park listening and following his owner's commands while your puppy is off wreaking havoc or dragging you all over the park? Are you sick of your adorable little German Shepherd chewing everything in sight? Are you tired of your puppy leaving "surprises" all over the house? Do you want to teach your new puppy how to sit, stay, or heel? Does your puppy whine or howl uncontrollably when you leave the house? This ultimate German Shepherd training guide can help you with it all! Everything you need to know about German Shepherd training and basic obedience. This book is guaranteed to answer any of your questions about training your German Shepherd and is a must-have for anyone thinking of getting a German Shepherd puppy. Here Is A Preview of What You'll Learn... Is a German Shepherd Right For You? How Much Is Enough Exercise? How To Speak Your Dog's Language Effective Discipline How to Potty Train Your German Shepherd Basic Obedience Training Such As: Sit, Drop, Come, Fetch, Stay, and Wait Leash Training Your German Shepherd Puppy Socialization Training How to Stop the Biting and Chewing and Advanced Training Techniques This is the ULTIMATE guide for all German Shepherd puppy owners and individuals who are thinking of getting a German Shepherd puppy. Don't wait any longer! Scroll up and click the 'Buy Now' button to turn your puppy disaster into that perfect dog you've always dreamed about!

Taking the first step in deciding to get a dog can be a difficult one. Where do you start? Well, how about right here, and right now. The Complete Guide to German Shepherds is just that. The A to Z guide for the breed written in simple language. Why and when should you consider a German Shepherd? The Complete Guide to German Shepherds has those answers and many more. Not all dogs are created equal. When it comes to GSD's (that's the short way to say German Shepherd Dog) they are truly a breed apart. They are large dogs; agile, fast, aggressive and intimidating if you want them to be. They are smart, loyal, inquisitive, persistent, protective and willing to push the boundaries. They're also willing to push your buttons if you let them. Sound like the dog for you? Sound like a challenge? You bet they are, but the payoff is a best friend who will never leave your side. The Complete Guide to German shepherd will answer all your basic questions including: Is a German Shepherd the right dog for me? I brought my German Shepherd home. What now? What are the best ways to train my GSD? What are some common mistakes should I avoid? The Complete Guide to German Shepherds gives you the basic lowdown on this fabled breed. Everything from the renowned history of Rin Tin Tin, to how to avoid having your fingers chewed off by a puppy who is all teeth, to enjoying your canine companion as he ages. This book is designed to help you get the best out of all stages of your dog's life; while causing the least amount of stress. Chapters include basics and advanced topics such as: Shepherd Saga (History of the German Shepherd breed) Is the German Shepherd right for you? German Shepherd Stigma Bringing Your GSD Home Being a Proud Puppy Parent Housetraining Socializing with People and Animals German Shepherds and Other Pets Physical and Mental Exercise Training your GSD Basic Commands Advanced Training and Occupations Dealing with Unwanted Behaviors Traveling with German Shepherds Nutrition Grooming your German Shepherd Basic Health Care Advanced German Shepherd Health and Aging Dog Care Let's be honest here. GSD's aren't for everyone. However, if you have your heart set on one of America's most popular breeds, this book will give you a great grounding on the path ahead of you. German Shepherds can be a tremendous challenge to your ego. They don't always want to do what you want them to. You have to give them a good reason. The Complete Guide to German Shepherds gives you a head start on your GSD. Believe me, you'll need it.

This eBook examines the lovable, highly-intelligent, and family-friendly German Shepherd. It provides an analysis of the dog's behavioral patterns, characteristics, and unique traits.

German Shepherd Training Vol 2 – Dog Training for your grown-up German Shepherd How to build up a unique relationship with your German Shepherd, using training methods which are tailor-made for your German Shepherd Dog training is often Confused with classic basic training of puppies ... Considered only suitable for particularly gifted dogs ... Considered too difficult to achieve without experience What constitutes dog training and why is it helpful? And how can you and your German Shepherd profit from the training, completely without experience? Do you sometimes have the feeling that your dog has too much energy and does not feel fully stimulated, no matter how often you walk with him? Then dog training is the right thing for you. The simple but very effective methods of physical and mental training that you will read about in this guide will help you to stimulate your German Shepherd, in an appropriate way for his species, while at the same time having fun. This is volume two of the German Shepherd training guides. Volume 1 for your German Shepherd puppy is also available with the title "German Shepherd Dog Training: Dog Training for your German Shepherd puppy". The author Claudia Kaiser says about her book: "I love my dog and know how important it is to keep her occupied, even after she completed her basic training. Most dogs are not satisfied with their life as a family dog and can develop destructive characteristics. If owners would take the time to spend a few minutes every day, carrying out physical and mental training with their dogs, their situations would change

dramatically. Many underestimate the potential of dog training and how it can positively change life with their dogs." Read about background information, read experience reports and obtain step-by-step instructions and secret tips which are tailor-made for your German Shepherd. Get your copy of this book and discover... .. How to build up a unique relationship with your German Shepherd ... How you can stimulate him physically and mentally in an appropriate way for his species ... And all that without previous experience in this area. In addition, you will receive an extra chapter "Fun training" free of charge! Content of this book: About the Author Preface What is dog training? German Shepherd Dog

Everything You Need to Know at Each Stage to Ensure Your Cute and Playful Puppy Grows into a Happy, Healthy Companion

Your German Shepherd Puppy Month-by-Month provides readers with everything they need to know and do at each stage of development to make sure their playful, energetic puppy grows into a happy, healthy, and well-adjusted companion. Expert authors Liz Palika, vet Deb Eldredge, and breeder Joanne Olivier team up to cover all the questions new owners tend to have and many they don't think to ask, including: - What to ask the breeder before bringing your puppy home - Which vaccinations your puppy needs and when to get them - How to make potty training as smooth (and quick) as possible - What to do when your puppy cries at night - Why and how to crate train your puppy - When socialization should happen and how to make sure it does - When your puppy is ready to learn

basic commands-like Sit, Stay, and Come-and the best way to teach them - When and how to go about leash training - How much exercise your puppy needs to stay physically and mentally healthy - What, how much, and when to feed your puppy to give him the nutrition he needs without the extra weight he doesn't - When your puppy is ready for obedience training and how to make sure it works - How and how often to bath your puppy, brush his coat, clip his nails, and brush his teeth. - How to know what requires a trip to the vet and what doesn't - What causes problem behaviors, when to expect them, and how to correct them

From pint-sized puppy to confident canine: how to raise a healthy, happy, and well-behaved German Shepherd. Are you planning to welcome a new dog but are still unsure about which breed to get? Have you always admired German Shepherds but are hesitant because of their aggressive image? Or maybe you've been given a German Shepherd puppy, and you have no idea what to do with it? The German Shepherd is a popular and highly in-demand dog breed... and for good reason. They're intelligent, loyal, energetic, playful, and protective of their owners, making them great companions. They're also extremely hardworking and versatile and can be trained to do almost anything - including sports, rescue, therapy, scent work, and guide dog work. But no matter how amazing this breed is, your dog won't come to you all well-behaved and obedient. Before they can start sitting down or rolling over on command, you need to first start with the basics, such as potty training and learning to socialize. And you'll need to know their unique needs so you can care for them properly. Fortunately, there's no need for you to second guess your German Shepherd's necessities. Everything you'll need to know - from bringing your puppy home to communicating with them - you can find in this info-packed guide to owning and caring for German Shepherds. In Training Guide For New German Shepherd Owners, here is just a fraction of what you will discover: 5 need-to-know facts about German Shepherds that will help you understand these special creatures Why German Shepherds are one of the most widely used breeds in the world - how they help in law enforcement, rescue work, and the military A simple trick to use when bringing your puppy home that will ease the adjustment of moving to a new place Why you shouldn't shave off your dog's substantial coat of hair - and what you can do about their heavy shedding instead Potty training pointers that will save you from headaches (and lots of cleanups) - plus the must-have item that will make house-training your puppy much easier The latest training techniques that take special consideration to a German Shepherd's unique needs and characteristics How much food, sleep, exercise, and baths your furry friend should be getting to ensure optimum health How to get your dog to behave when interacting with you, other people, and other dogs Heroic German Shepherds who have saved lives, provided life-changing support, and even starred in Hollywood films! And much more. While it can be a difficult transition at the start, having your own German Shepherd means you'll have a loyal and constant companion to share memorable moments with. Whether you're looking for a faithful friend, a fierce protector, or a fun playmate, a German Shepherd will be all these for you and your family. Get ready - you're in for one of the most rewarding relationships of your life!

German Shepherd Training Vol 3 - Taking care of your German Shepherd Dog Nutrition, common diseases and general care of your German Shepherd Taking care of a dog is often underrated and regarded as being unnecessary. ... only related to the grooming of the fur. ... completely neglected by many owners. What is really important about the care of your German Shepherd and how do you

feed him properly? How can you recognise diseases and parasites early and, if possible, even prevent them? If you want to know how and how often to check on your German Shepherd's eyes, ears, teeth, paws, fur and skin, this guidebook is exactly right for you. You will learn what to watch out for. You will also learn what to watch out for when you buy commercially prepared food and what the advantages and disadvantages are of the various alternative methods of feeding, such as home-cooked, BARF or vegetarian or vegan feeding. In addition, you will discover everything you need to know about vaccinations and castration to help you decide whether they are right for you and your German Shepherd Dog. This is volume three of the German Shepherd training guides. Volume 1 for your German Shepherd puppy is also available with the title "German Shepherd Training: Dog Training for your German Shepherd puppy". Vol. 2 for your grown up German Shepherd is also available with the title "German Shepherd Training Vol. 2: Dog Training for your grown-up German Shepherd" The author Claudia Kaiser says about her book: "I love my dogs and know what is important to watch out for regarding their nutrition and general care. Many owners underestimate how important it is to find out more about what you are feeding your dog. Many owners also underestimate the time it takes to care for his physical wellness and how important it is to recognise disease or parasites early. These things add enormously to the quality of life and happiness of your dog." Read about background information, read reports on others' experiences and obtain step-by-step instructions and secret tips which are tailor-made for your German Shepherd. Get your copy of this book today and discover How to feed your German Shepherd Dog in a healthy way consistent with his breed. ... How to examine him to recognise disease early and to ensure his correct care. ... And all that without having any previous experience in that area. Additionally, you will receive a special chapter about "Cooking your own dog food" free of charge!

Practical information and expert advice for owners and potential owners of German Shepherds

Originally bred as herding dogs, German Shepherds tasks nowadays include police, rescue, tracking, and military work, and they also make devoted companions and watchdogs. This

offers such need-to-know information on the breed characteristics and behavior; details on feeding, training, grooming, exercising, breeding, and showing; and healthcare and first aid

From pint-sized puppy to confident canine: how to raise a healthy, happy, and well-behaved

German Shepherd Are you planning to welcome a new dog but are still unsure about what breed to get? Have you always admired German Shepherds but are hesitant because of their

aggressive image? Or maybe you've been given a German Shepherd puppy, and you have no idea what to do with it? The German Shepherd is a popular and highly in-demand dog breed

and for good reason. They're intelligent, loyal, energetic, playful, and protective of their owners, making them great companions. They're also extremely hardworking and versatile and can be

trained to do almost anything - including sports, rescue, therapy, scent work, and guide dog

work. But no matter how amazing this breed is, your dog won't come to you all well-behaved and obedient. Before they can start sitting down or rolling over on command, you need to

start with the basics, such as potty training and learning to socialize. And you'll need to understand their unique needs so you can care for them properly. Fortunately, there's no need for you to

second-guess your German Shepherd's necessities. Everything you'll need to know - from choosing

bringing your puppy home to communicating with them - you can find in this info-packed guide to owning and caring for German Shepherds. In Training Guide For New German Shepherd

Owners, here is just a fraction of what you will discover: 5 need-to-know facts about German Shepherds that will help you understand these special creatures Why German Shepherds are

of the most widely used breeds in the world - how they help in law enforcement, rescue

and the military A simple trick to use when bringing your puppy home that will ease the adjustment of moving to a new place Why you shouldn't shave off your dog's substantial hair - and what you can do about their heavy shedding instead Potty training pointers save you from headaches (and lots of cleanups) - plus the must-have item that will make training your puppy much easier The latest training techniques that take special consideration to a German Shepherd's unique needs and characteristics How much food, sleep, exercise, baths your furry friend should be getting to ensure optimum health How to get your dog to behave when interacting with you, other people, and other dogs Heroic German Shepherds have saved lives, provided life-changing support, and even starred in Hollywood films! And much more. While it can be a difficult transition at the start, having your own German Shepherd means you'll have a loyal and constant companion to share memorable moments with. If you're looking for a faithful friend, a fierce protector, or a fun playmate, a German Shepherd will be all these for you and your family. Get ready - you're in for one of the most rewarding relationships of your life! The Complete Guide to German Shepherds Kevin Winslet of For Dogs Sake®

The German shepherd dogs are great family dogs exhibiting fierce loyalty, impressive good looks, intelligence, courage, and a highly protective nature. Who can blame you for wanting a German shepherd as your lifelong "best friend" and protector? Not so fast! While it's true that the German shepherd is a popular, highly valued and desirable canine companion; the breed, much like all breeds, is not a perfect fit for every person, setting, lifestyle or family situation. This book is not intended as a training guide. It was created to familiarize you with the German Shepherd's background, main characteristics, dominant traits, and health concerns; with tips on selection and care. Jason Biden kicks off with a fascinating history of the breed--thoroughly explaining how a dog that was originally bred to herd sheep morphed into a drug and cadaver discovery working dog; a service and therapy dog to the blind, deaf, and disabled; protective family pet, military dog or police patrol partner. In the second chapter, Jason examines the time, money, energy-level, and lifestyle required to meet the needs of a German shepherd so that both the dog and its human companion aren't miserable because of a failure to provide proper food, shelter, exercise, and companionship. To assist in selecting your first German shepherd, Jason Biden compares and contrasts American versus German bloodlines; male versus female: a puppy versus an adult dog; various coat types and colors; and breeder versus rescue adoption. Two must-read chapters concern how to select a breeder and common health problems experienced by the breed. Don't buy a German shepherd without reading those chapters.

The German Shepherd is a breed of medium to large-sized working dog that originates from Germany. The German spelling is 'Deutscher Schäferhund.' The German Shepherd is a relatively new breed of dog that came into existence in

1899 and was put to work as a sheep herder. However due to their physical strength and intelligence they have become a popular choice for all lines of work: disability assistance, search and rescue, police, acting and military. It is also a popular household pet and is the second most popular breed of dog in the United States! German Shepherds come in two coat varieties: short-medium and long. The long haired variety is rarer due to the fact that the long-hair gene is recessive. Their coats are most commonly tan or red with black marking on their backs and face. However there are rarer color variations such as pure white, pure black and silver blue. Before purchasing any pet it is important to understand that as a pet owner you are responsible for the care and wellbeing of your pet. It is important to try and learn as much as you can about the animal you are considering to keep as a pet to make sure that your lifestyle, household and financial status are suited to provide your pet with the best possible care. This guide has been designed to provide you with both precise and concise information about a German Shepherd's basic needs to help you provide your pet with the best quality care practices. This guide will give an in-depth explanation on training your German Shepherd, raising your German Shepherd from a puppy, grooming, health care and everything in between! "The German Shepherd: A Complete and Comprehensive Owners Guide to: Buying, Owning, Health, Grooming, Training, Obedience, Understanding and Caring for Your German Shepherd," by Michael Stonewood is the perfect purchase or gift for a first time German Shepherd owner. This guide includes sections on caring for a puppy, breeding, health care, training, the basic cost of owning a German Shepherd and much more. This book is the second edition - the first edition was published by 'Dog Care Professionals.'

The German Shepherd is intelligent and a quick learner, which makes him highly trainable. However, training this fine dog should begin early in life. German Shepherds are best suited to owners who can offer gentle, positive leadership and consistent training methods. This book provides the notions on everything there is to do and know to accompany your companion towards healthy and peaceful growth. You are about to learn: - What kind of dog it is and the history of the German Shepherd - How to choose your German Shepherd - How to organize the house before introducing your German Shepherd - Housetraining - How to make your companion socialize with animals and people - Mental and physical exercise - When your puppy is ready to learn basic commands - like Sit, Stay, and Come - and the best way to teach them. - Dealing with unwanted behaviors - Traveling - Nutrition - Grooming - Healthcare - And much more...

Everything German Shepherd Book

Black German Shepherd. Black German Shepherd Dog Complete Owners Manual.

Black German Shepherd Book for Care, Costs, Feeding, Grooming, Health and Training.

Since the breed's creation at the turn of the twentieth century, the German Shepherd Dog has been one of the world's most sought-after purebred dogs, prized for his intelligence, handsome looks, and uncanny versatility. This Comprehensive Owner's Guide serves as an

ideal introduction to this dog of dogs, that serves humankind as a companion, protector, police dog, herding dog, military dog, search and rescue dog, Seeing Eye dog, and therapy dog, to name a few of the breed's modern-day roles.. The breed's origins are retold in the first chapter, beginning with the efforts of Max Emil Friedrich von Stephanitz to standardize the sheep-herding dogs in Germany in the 1890s and following the breed's importation to the United States, where the German Shepherd Dog has been a favored companion, show dog, and competition trial dog since the 1920s. The chapter on the breed's characteristics focuses on owner suitability, describing the GSD's physical and mental traits, versatility, agility, and requirements. The breed standard is presented in the third chapter, giving the readers a clear view of how the ideal GSD should look, act, and move. New owners will welcome the well-prepared chapter on finding a reputable breeder and selecting a healthy, sound puppy. Chapters on puppy-proofing the home and yard, purchasing the right supplies for the puppy as well as house-training, feeding, and grooming are illustrated with photographs of handsome adults and puppies. In all, there are over 135 full-color photographs in this useful and reliable volume. The author's advice on obedience training will help the reader better mold and train into the most well-mannered dog in the neighborhood. The extensive and lavishly illustrated chapter on healthcare provides up-to-date detailed information on selecting a qualified veterinarian, vaccinations, preventing and dealing with parasites, infectious diseases, and more. Sidebars throughout the text offer helpful hints, covering topics as diverse as historical dogs, breeders, or kennels, toxic plants, first aid, crate training, carsickness, fussy eaters, and parasite control. Fully indexed. The German shepherd dogs are great family dogs exhibiting fierce loyalty, impressive good looks, intelligence, courage, and a highly protective nature. Who can blame you for wanting a German shepherd as your lifelong "best friend" and protector? Not so fast! While it's true that the German shepherd is a popular, highly valued and desirable canine companion; the breed, much like all breeds, is not a perfect fit for every person, setting, lifestyle or family situation. This book is not intended as a training guide. It was created to familiarize you with the German's Shepherd's background, main characteristics, dominant traits, and health concerns; with tips on selection and care. Jason Biden kicks off with a fascinating history of the breed--thoroughly explaining how a dog that was originally bred to herd sheep morphed into a drug and cadaver discovery working dog; a service and therapy dog to the blind, deaf, and disabled; protective family pet, military dog or police patrol partner. In the second

chapter, Jason examines the time, money, energy-level, and lifestyle required to meet the needs of a German shepherd so that both the dog and its human companion aren't miserable because of a failure to provide proper food, shelter, exercise, and companionship. To assist in selecting your first German shepherd, Jason Biden compares and contrasts American versus German bloodlines; male versus female: a puppy versus an adult dog; various coat types and colors; and breeder versus rescue adoption. Two must-read chapters concern how to select a breeder and common health problems experienced by the breed. Don't buy a German shepherd without reading those chapters! Written by an expert dog whisperer and dog owner, the *Black German Shepherd Dog Complete Owner's Manual* has the answers you may need when researching this highly intelligent herding breed. Learn about this versatile working dog and find out whether or not the protective Black German Shepherd will be the best choice for you and your family. Learn everything there is to know, including little known facts and secrets and how to care for every aspect of the Black German Shepherd's life. This manual contains all the information you need, from birth to the Rainbow Bridge, including transitioning through house breaking, care, feeding, training and end of life, so that you can make a well-informed decision about whether or not this dog is the breed for you. If you already have a Black German Shepherd, this book will teach you everything you need to know to make your dog a happy dog and to make you a happy dog owner. The author George Hoppendale is an experienced writer and a true animal lover. He enjoys writing animal books and advising others how to take care of their animals to give them a happy home. Co-Author Asia Moore is a professional Dog Whisperer, Cynologist and Author, living on Vancouver Island, off the west coast of British Columbia, in Canada, who believes that all humans and dogs can live together in harmony. She and her dog whispering team, which includes an 8-year-old Shih Tzu named Boris, teach dog psychology to humans, to help alleviate problem behaviors that arise between humans and their canine counterparts so that everyone can live a happy and stress-free life together. Covered in this book: - Temperament - Pros and Cons - Vital statistics - Before you buy - Choosing the right dog - Finding a breeder - Puppy proofing your home - The first weeks - Health and common health problems - Medical care & safety - Daily care - Feeding - Bad treats and snacks - Good treats and snacks - House training - Grooming - Training - Poisonous Foods & Plants - Caring for your aging dog and much more.
