There is no available information at this time.

Richard and Rosie started trying to conceive after five years of being together but, two and a half years and countless prenatal vitamins and ovulation kits later, there hadn't been even a phantom pregnancy. So began their adventure into IVF, via blood tests, sperm tests, injections and probes, becoming involuntary experts on embryology through failure, despair, persistence and success. After 4 years, 3 different clinics, 2 positive pregnancy tests and 1 miscarriage, they finally had a successful pregnancy. GET A LIFE is the perfect down-to-earth guide for anyone thinking of embarking on fertility treatment. It's two books in one, a book of advice for women and a survival guide for men, each chapter mirrored but with very different experience and advice. IVF is terrifying, awful and extraordinary in equal measures for both partners. GET A LIFE shares Richard and Rosie's ride on the fertility roller coaster, bringing you the funny, emotional and physical sides of IVF. It is an invaluable guide from both perspectives on how to get through the process in one piece.

FROM THE NEW YORK TIMES BESTSELLING AUTHOR OF Sometimes I Lie “ Stunning. Addictive. This book should not be missed! ” —Samantha Downing “ Deliciously dark...will have readers tearing through the pages. ” —Mary Kubica “ Gives Gone Girl a run for its money...I couldn ’ t stop reading. ” —Christina Dalcher There are two sides to every story: yours and mine, ours and theirs, His & Hers. Which means someone is always lying. When a woman is murdered in Blackdown, a quintessentially British village, newsreader Anna Andrews is reluctant to cover the case. Detective Jack Harper is suspicious of her involvement, until he becomes a suspect in his own murder investigation. Someone isn ’ t telling the truth, and some secrets are worth killing to keep. His & Hers is a twisty, smart, psychological thriller. A gripping tale of suspense, told by expertly-drawn narrators that will keep readers guessing until the very end. “ For the ultimate rollercoaster reading experience this year, look no further than His & Hers by Alice Feeney. ” —Woman & Home

**For decades, traditional medicine had very little to offer for individuals suffering from multiple sclerosis and other autoimmune diseases. Today, medical science has brought us wave upon wave of immunomodulatory medications to try to slow disease progression. Unfortunately, these medications come with their own health- and life-threatening side effects. And sometimes, they just stop working. “Fighting the Dragon: How I Beat Multiple Sclerosis” is the story of one woman's thirty year battle with multiple sclerosis and what she did to reclaim her life when she realized she would need an assisted living facility within a few years. The book contains detailed descriptions of what worked and what did not, where she got the help she needed (and how the reader can locate these resources within his/her own community), and the logic behind the non-conventional therapies. “Fighting the Dragon” is a narrative of courage-courage driven by desperation, a story written by a patient who decided, when her neurologist told her, “You will never walk normally again,” that she would dance. "Fighting the Dragon" is also a book the MS patient can take to his/her physician . . . it contains well-researched, easy-to-follow guidelines for what to do and how. The information is also applicable to a wide range of other autoimmune conditions, cancers, and AIDS. \* \* \* \* \* Excerpt: . . . if your car kept breaking down and the mechanic you took it to kept doing the same thing to fix it-but it did not stay fixed, you would question the mechanic's competence. Maybe the mechanic pulled out a technical manual. “See. I fixed it exactly as the manual said. This is the industry-approved way to solve this problem.” When the car broke down again a week later, would you be satisfied? Probably not. You might decide it is time to replace the car. But that might be too expensive. So, what to do? If you were smart, you would probably try to find a new mechanic. You might ask your friends who they would recommend. You might search on the Internet to see if other people had the same experience with their cars . . . and what caused the problem. You might telephone some repair shops to get some idea of what they thought the problem might be. If you found a new mechanic and that mechanic looked over the car and said, “I have a solution that is not in any industry-approved repair manuals, but it is safe and it works,”-would you walk away and go back to the first mechanic who never got it right? Why is your health worth any less than your car?**

**A LITTLE SECRET** Mother and Daughter Jamie Archer loves her four-year-old daughter, Ashley, more than anything in this world. But

Jamie has a past she's ashamed of, a past she needs to keep hidden. So she's created an entirely new life for herself and Ashley—a life that's threatened when Kyle Radcliff reappears. Father and Child Kyle doesn't immediately realize who she is, but Jamie recognizes him right away. He's Ashley's father. Even though he doesn't know it... A Family Now? For Ashley's sake, for all their sakes, Jamie has to tell him the truth—something that seems to become harder every day. Because she's falling in love with him. For the second time...

**MEN of mystery** Three men with secret identities and hidden agendas—sworn to protect and tamed by love. To Save His Child CIA agent Griff Cabot knew things about Claire Heywood no one else did. Intimate things. Nighttime, bedroom things. And no one had ever ignited Claire's passion the way Griff had with just a touch. Then Griff was killed—before Claire could tell him the one thing he didn't know... Faking his own death had seemed the simplest way to keep Claire safe. But now the child Griff had never known was missing. And the price of his daughter's return meant the death of a man—a ransom only Griff could pay. But how can he save his baby daughter when the whole world—including Claire—believes he's dead?

Sometimes people do not communicate emotions and feelings. Perhaps their personality is emotionally detached because somewhere in their life they had to put up a wall to protect their heart. This was my situation. God showed me how to overcome living with a person who was emotionally detached. When we hear what God has to say and obey it in dealing with our spouses, he will change the other person for our benefit, and in this process we are the better person too. I'm glad God knew exactly what he was getting when he made me. When we get married it's only what we think we are getting that we get. I'm so glad my God is big enough to fix anything. Where there is silence, so is God. You see, sometimes, when family and friends are around all the time, the noise keeps us from hearing God. It is so easy to pick up the phone and say, "Guess what?" and tell someone about our day, or ask their opinion about something, perhaps just to have somebody listen. Just like women do not want to share their husbands, so is our God. We have a jealous God. He wants us to talk to him every day, even about the smallest things. And he has been so good to me. I know he certainly deserves my, "Guess what?" Because he's always listening, even when we're not.

You will discover that an outstanding marriage can be more than a dream—it can be your reality.*

*Finally! A book for Christian husbands from a Christian wife! Marriage can be fun, and marriage can be challenging. The biggest obstacle in marriage is a lack of knowledge. The husband can't understand the wife, and the wife can't understand the husband, but that's about to change! From His Wife to Her Husband is a book that teaches Christian husbands how to better understand their wives, and learn how to restructure their marriage the way GOD designed it to be! An absolute must read for all Christian husbands and husband-to-bes! In addition, this book is GREAT for wives and wives-to-be to help them better understand their design, and how to better communicate what they need from their husbands. Analyzes and explains the principles behind improving the quality of anything: life, products, relationships, activities, work, play, and more. Based on 30 years of applied use. Includes actions and exercises. Average reading level. No psychological or religious slant.*

*Everyone deserves a second chance His Wyoming Baby Blessing by Jill Kemerer When his childhood friend Kit McAllistor shows up, widowed and pregnant, rancher Wade Croft offers her a place to stay...but he can't offer her his heart. As old feelings begin to surface, past tragedies force Wade to ignore them. But on the brink of losing his ranch, will he also risk losing the woman he's beginning to love...or can he cowboy up in time? Her Last Chance Cowboy by Tina Radcliffe When pregnant single mother Hannah Vincent shows up professing to be the half sister of the Maxwells of Big Heart Ranch, horse trainer Tripp Walker is wary. Wounded before, he doesn't trust easily. If only Hannah and her feisty five-year-old daughter weren't so impossible to resist. Now, despite his doubts, joining this little family is quickly becoming the cautious cowboy's greatest wish.*

That's why, according to Dr. Willard Harley, one of the most important things parents can do for their kids is keep their marriage healthy. His Needs, Her Needs for Parents, now available in trade paper, helps them do just that. Following the pattern of the bestselling His Needs, Her Needs, this book guides both new and seasoned parents through the whys and hows of sustaining romance in a marriage. It also offers specific, practical steps on spending quality time as a couple, deciding on child-training methods, dividing domestic responsibilities, and even handling kids with ADHD and intrusive in-laws. His Needs, Her Needs for Parents helps couples maintain their love for each other and raise happy and successful children at the same time.*

*Eva Galindo's dream of being a mother was about to come true—twice over. The Brighton Valley biologist wasn't just having a baby...she was expecting twins! Meeting single father of twins Dan Walker seemed like the sweetest twist of fate. How could she not offer to help out the gorgeous Texas rancher—by being temporary mommy to his own adorable pair? Suddenly becoming guardian of his orphaned niece and nephew was a tall order for any man. But Dan couldn't think of a better stand-in nanny than the sloe-eyed mother-in-training. Only, now he didn't want Eva to leave. Maybe it was time to take a chance on both their futures by combining forces and turning two into one big, loving family... She reads people, and he reads manualsHe doesn't ask for directions, and she doesn't appreciate his adviceShe is so mysterious, and he is so practicalHe does not seem to listen, and she seems so emotionalThe list goes on and on ...In a world where men and women are constantly told they are not different, His Brain, Her Brain shows couples what they instinctively know—men and women are different, and these divinely designed differences, when understood, make a marriage stronger and happier. Combining the latest brain research along with their experiences in over three decades of marriage and counseling, Dr. Walt and Barb Larimore explain how the unique design of each sex, particularly the unique brain and hormones of each, results in different habits, tendencies, and nuances of thought and action. Their families tore them apart. Can their baby bring them back together? For more than a year, Byron Beaumont has tried to get over Leona Harper. Not even living overseas could erase the memory of their affair...or her betrayal. Her family has been out to destroy his for decades, and despite Byron trusting her, making love to her, Leona kept her identity hidden. Now that Byron is back--as her new employer--he wants answers. But what he gets is another surprise. Leona has given birth to his son. His and Hers Life Stories

Finding Your Way to Life's Next Level

It was only supposed to be a short visit. It turned into a love affair. Melanie White is in trouble. Young, unmarried, with no resources to speak of, she's forced to flee home and hide out with her aunt on a ranch in a western mining town. She's just passing through on her way farther West, and it's a good thing, too: she can't stand the ranch owner. He's rowdy, immature...and undeniably attractive. David Tanner has his life just the way he likes it: he does what he wants, when he wants, and nobody can tell him any different--least of all, his former nanny's niece Melanie, who likes books more than people. But when a family emergency forces Melanie and David to work together, she discovers that there's more to him than meets the eye. And he finds out that life as a bachelor may not be what he likes after all. Contains mild language and sensual content within marriage.

On a cruel, silent night, a mother abandoned her child in a faraway land; an isolated island where the little boy had to face the unknown fate on his own. He grew up to have unique talents, a charismatic personality and a captivating appearance, and above all, he earned a precious place in the people's hearts. But beyond his strong façade, he kept his weaknesses as a secret to himself, and none of his people knew what he was going through deep inside. The young, wise man could not escape the painful questions of the past, he suffered from doubts in the present and worried about the future. But these were not all his fears; there has been something alarming that caused him endless, sleepless nights. He saw signs of a hidden threat, a great danger that would end the existence of the island and the people he dearly loves and promised to protect; peace on his land was coming to an end, and it was only a matter of time before the disguised evil wins. And there was no other way to save the island except through Her... Tales say that she has all the answers to what man seeks, she holds the keys to the secrets of everything, but the problem is; she was a strange, grand mystery herself. Some people believe that she is still present to the day, and few suspect that she ever existed, while others insist that she lived but centuries ago and what remained are stories about her. But that's not the only thing that the people of the island disagreed upon; no one was sure of the true identity of this legendary woman; is she an angel or the devil himself? Was she a witch or a blessed, old lady with spiritual gifts, or she is much more than anyone could ever imagine? He received many warnings not to try to find her, but nonetheless, he decided to take this insane risk. He sailed away, leaving his land for the very first time in his life and began his journey; not only for the sake of his people and his land, but secretly he wished to discover her truth and learn her secrets.

A life changing book that chronicles the troubled marriage of a Pastor and his wife which included adultery and mental, emotional and spiritual abuse. Discover the principles that helped Pastors Joel and Kathy Davisson escape this challenged marriage and enjoy 10 years of an outrageously happy marriage which continues to this day.

His love ... Her fantasy ... understanding what love is about. As friends, as a man, but also as a woman, we try to define the undefined from a love story. Dreaming about love and being in love ... the path from the fantasy to the love story itself ... is just a matter of luck ... or maybe where you find yourself, on the timeline of your own life.

Maybe is the perfect time for you to explore what love is about, or maybe other things are important at the moment ... and the love story can only be a future "project".

Exploring what love is about ... in our minds, as a fantasy ... or in the real life, as a real love story ... is depending only and only if we are ready or not. But what is the difference between fantasy and reality, when even the Bible is saying that everything we see is just an illusion? Well ... i believe that the fantasy is only the beginning of defining what we want ... and the love story is the "experiment" itself. Is it too much to name a love story ... an "experiment"?! Well ... exploring ... as a fantasy or as reality is letting your soul understand what love is about. And ... sometimes is even a life lesson. The moment when you jump into the fairy tale ... the real fantasy ... and you understand the meaning of love ... the fact that love is about giving and not about receiving ... that is the moment when you also understand what life is about.

Accepting your partner, just as he / she is ... just as accepting all the people from our lives is the moment of awakening. Me, Adrian ... and my dear Annie ... are only trying to define the unseen path from fantasy to the love story itself. And also ... let you know that this path is leading you to point when your thinking will be totally redefined.

Life itself ... is about love. Seeing what love is about ... is understanding the meaning of life. If the "love chapter" started for you ... even if it's just a fantasy of reality ... you should be happy. The awakening will come to you!

*Through poignant, often humorous stories, you will discover the secrets to Melinda's success, finding practical help to overcome your own obstacles to achieve the next level in any area of life. Because she was tone deaf as a child, Doolittle's choir director would plead with her to just move her mouth and not let any sound come out. Undaunted, her love of singing drove her to enter a contest in the 7th grade and, miraculously, she won. Melinda began to realize that success in life was something bigger than her---or, as she puts it, 'It's beyond me!' She began setting and systematically reaching her goals, such as singing background vocals for her many of her favorite music artists. Then by an amazing turn of events, she burst onto the music scene with her flawless vocal performances on American Idol -- becoming the clear favorite of the show's most difficult judge, Simon Cowell. Beyond Me also provides you a rare behind-the-scenes glimpse of one of America's biggest pop culture phenomenon, American Idol, and how she turned that stress-filled environment into a springboard from which she could soar.*
