The Infinite Moment of Us STARRED REVIEW “The scenes of sexual intimacy are described with innocently erotic frankness, offering an ideal (if not idealized) model for readers on the cusp; this is Forever... for a new generation, offering character depth Cath and Michael never achieved. Summer love has never been so good.” —Kirkus Reviews, starred review “In contrast to unhealthy depictions of sex and relationships that teenagers (and adults) are often exposed to in media and entertainment, Myracle offers up a passionate romance built on a bedrock of love, respect, and trust. And it ’s difficult to see that as a bad thing.” —Publishers Weekly “Two mature recent high school graduates fall in love and bring out the best in each other in Lauren Myracle’s thoughtful exploration of an intimate relationship...the relationship between Wren and Charlie always remains realistic and involving.” —Shelf Awareness “This charming romance has multidimensional characters, straightforward sexuality, and a pace that lets readers fall in love with the main characters. Myracle expertly captures the intense connection of first love, from the need to spend every moment together to trying to figure out how to communicate with one another.” —School Library Journal “The single-focus intensity of Wren and Charlie ’s feelings is spot-on for the age group... chapters move between both their perspectives as they grow into the relationship, offering readers of both sexes a rather compelling example of the how-to ’s of intimacy.” —The Bulletin of The Center for Children ’s Books
