The unapologetic, laugh-your-ass-off military memoir both vets and civilians have been waiting for, from a five-tour Army Ranger turned YouTube phenomenon and zealous advocate for veterans--this is Deadpool meets Captain America, except one went to business school and one went to therapy, and it's anyone's guess which is which.hich.

A NEW YORK TIMES BESTSELLER! AS HEARD ON NPR MORNING EDITION AND ON BEING WITH KRISTA TIPPETT “Katherine May opens up exactly what I and so many need to hear but haven't known how to name.” —Krista Tippett, *On Being* “Every bit as beautiful and healing as the season itself. . . . This is truly a beautiful book.” —Elizabeth Gilbert “Proves that there is grace in letting go, stepping back and giving yourself time to repair in the dark...May is a clear-eyed observer and her language is steady, honest and accurate—capturing the sense, the beauty and the latent power of our resting landscapes.” —Wall Street Journal An intimate, revelatory book exploring the ways we can care for and repair ourselves when life knocks us down. Sometimes you slip through the cracks: unforeseen circumstances like an abrupt illness, the death of a loved one, a break up, or a job loss can derail a life. These periods of dislocation can be lonely and unexpected. For May, her husband fell ill, her son stopped attending school, and her own medical issues led her to leave a demanding job. *Wintering* explores how she not only endured this painful time, but embraced the singular opportunities it offered. A moving personal narrative shot through with lessons from literature, mythology, and the natural world, May's story offers instruction on the transformative power of rest and retreat. Illumination emerges from many sources: solstice celebrations and dormice hibernation, C.S. Lewis and Sylvia Plath, swimming in icy waters and sailing arctic seas. Ultimately *Wintering* invites us to change how we relate to our own fallow times. May models an active acceptance of sadness and finds nourishment in deep retreat, joy in the hushed beauty of winter, and encouragement in understanding life as cyclical, not linear. A secular mystic, May forms a guiding philosophy for transforming the hardships that arise before the ushering in of a new season.

From the New York Times bestselling author of *Red, White & Royal Blue* comes a new romantic comedy that will stop readers in their tracks... For cynical twenty-three-year-old August, moving to New York City is supposed to prove her right: that things like magic and cinematic love stories don't exist, and the only smart way to go through life is alone. She can't imagine how waiting tables at a 24-hour pancake diner and moving in with too many weird roommates could possibly change that. And there's certainly no chance of her subway commute being anything more than a daily trudge through boredom and electrical failures. But then, there's this gorgeous girl on the train. Jane. Dazzling, charming, mysterious, impossible Jane. Jane with her rough edges and swoopy hair and soft smile, showing up in a leather jacket to save August's day when she needed it most. August's subway crush becomes the best part of her day, but pretty soon, she discovers there's one big problem: Jane doesn't just look like an old school punk rocker. She's literally displaced in time from the 1970s, and August is going to have to use everything she tried to leave in her own past to help her. Maybe it's time to start believing in some things, after all. Casey McQuiston's *One Last Stop* is a magical, sexy, big-hearted romance where the impossible becomes possible as August does everything in her power to save the girl lost in time. "A dazzling romance, filled with plenty of humor and heart." - Time Magazine, "The 21 Most Anticipated Books of 2021" "Dreamy, other worldly, smart, swoony, thoughtful, hilarious - all in all, exactly what you'd expect from Casey McQuiston!" -

NEW YORK TIMES BESTSELLER • From the two-time Pulitzer Prize-winning author of *The Underground Railroad* and *The Nickel Boys*, this gloriously entertaining novel is "fast-paced, keen-eyed and very funny ... about race, power and the history of Harlem all disguised as a thrill-ride crime novel" (*San Francisco Chronicle*). "Ray Carney was only slightly bent when it came to being crooked..." To his customers and neighbors on 125th street, Carney is an upstanding salesman of reasonably priced furniture, making a decent life for himself and his family. He and his wife Elizabeth are expecting their second child, and if her parents on Striver's Row don't approve of him or their cramped apartment across from the subway tracks, it's still home. Few people know he descends from a line of uptown hoods and crooks, and that his façade of normalcy has more than a few cracks in it. Cracks that are getting bigger all the time. Cash is tight, especially with all those installment-plan sofas, so if his cousin Freddie occasionally drops off the odd ring or necklace, Ray doesn't ask where it comes from. He knows a discreet jeweler downtown who doesn't ask questions, either. Then Freddie falls in with a crew who plan to rob the Hotel Theresa—the "Waldorf of Harlem"—and volunteers Ray's services as the fence. The heist doesn't go as planned; they rarely do. Now Ray has a new clientele, one made up of shady cops, vicious local gangsters, two-bit pornographers, and other assorted Harlem lowlifes. Thus begins the internal tussle between Ray the striver and Ray the crook. As Ray navigates this double life, he begins to see who actually pulls the strings in Harlem. Can Ray avoid getting killed, save his cousin, and grab his share of the big score, all while maintaining his reputation as the go-to source for all your quality home furniture needs? *Harlem Shuffle*'s ingenious story plays out in a beautifully recreated New York City of the early 1960s. It's a family saga masquerading as a crime novel, a hilarious morality play, a social novel about race and power, and ultimately a love letter to Harlem. But mostly, it's a joy to read, another dazzling novel from the Pulitzer Prize and National Book Award-winning Colson Whitehead.

A NEW YORK TIMES NOTABLE BOOK OF THE YEAR • NEW YORK TIMES BEST SELLER • From the indie rockstar of Japanese Breakfast fame, one of *TIME*'s Most Influential People of 2022, and author of the viral 2018 *New Yorker* essay that shares the title of this book, an unflinching, powerful memoir about growing up Korean American, losing her mother, and forging her own identity. In this exquisite story of family, food, grief, and endurance, Michelle Zauner proves herself far more than a dazzling singer, songwriter, and guitarist. With humor and heart, she tells of growing up one of the few Asian American kids at her school in Eugene, Oregon; of struggling with her mother's particular, high expectations of her; of a painful adolescence; of treasured months spent in her grandmother's tiny apartment in Seoul, where she and her mother would bond, late at night, over heaping plates of food. As she grew up, moving to the East Coast for college, finding work in the restaurant industry, and performing gigs with her fledgling band--and meeting the man who would become her husband--her Koreanness began to feel ever more distant, even as she found the life she wanted to live. It was her mother's diagnosis of terminal cancer, when Michelle was twenty-five, that forced a reckoning with her identity and brought her to reclaim the gifts of taste, language, and history her mother had given her. Vivacious and plainspoken, lyrical and honest, Zauner's voice is as radiantly alive on the page as it is onstage. Rich with intimate anecdotes that will resonate widely, and complete with family photos, *Crying in H Mart* is a book to cherish, share, and reread. Mother's day is the day when you let your mother know how much she means to you. A nice dinner out or a family get together at home are two ways that will show mom that you care. In this ebook, you get a lot more advice and tips on how to make this once a year holiday the most special for the mom you love. Grab a copy now.

Now celebrating the 42nd anniversary of *The Hitchhiker's Guide to the Galaxy*, soon to be a Hulu original series! "A madcap adventure . . . Adams' s writing teeters on the fringe of inspired lunacy."—United Press International Back on Earth with nothing more to show for his long, strange trip through time and space than a ratty towel and a plastic shopping bag, Arthur Dent is ready to believe that the past eight years were all just a figment of his stressed-out imagination. But a gift-wrapped fishbowl with a cryptic inscription, the mysterious disappearance of Earth's dolphins, and the discovery of his battered copy of *The Hitchhiker's Guide to the Galaxy* all conspire to give Arthur the sneaking suspicion that something otherworldly is indeed going on. God only knows what it all means. Fortunately, He left behind a Final Message of explanation. But since it's light-years away from Earth, on a star surrounded by souvenir booths, finding out what it is will mean hitching a ride to the far reaches of space aboard a UFO with a giant robot. What else is new? "The most ridiculously exaggerated situation comedy known to created beings . . . Adams is irresistible."—The Boston Globe

One of the Los Angeles Times Top 10 California Books of 2020. One of Publishers Weekly's Top 10 Fiction Books from 2020. Longlisted for the Carnegie Medal for Excellence and the Joyce Carol Oates prize. One of Exile in Bookville's Favorite Books of 2020. In *The Last Great Road Bum*, Héctor Tobar turns the peripatetic true story of a naive son of Urbana, Illinois, who died fighting with guerrillas in El Salvador into the great American novel for our times. Joe Sanderson died in pursuit of a life worth writing about. He was, in his words, a "road bum," an adventurer and a storyteller, belonging to no place, people, or set of ideas. He was born into a childhood of middle-class contentment in Urbana, Illinois and died fighting with guerillas in Central America. With these facts, acclaimed novelist and journalist Héctor Tobar set out to write what would become *The Last Great Road Bum*. A decade ago, Tobar came into possession of the personal writings of the late Joe Sanderson, which chart Sanderson's freewheeling course across the known world, from Illinois to Jamaica, to Vietnam, to Nigeria, to El Salvador—a life determinedly an adventure, ending in unlikely, anonymous heroism. *The Last Great Road Bum* is the great American novel Joe Sanderson never could have written, but did truly live—a fascinating, timely hybrid of fiction and nonfiction that only a master of both like Héctor Tobar could pull off.

How to Be a Rock Star

A look at the culture and fanaticism of book lovers, from the beloved New York Times illustrator and creator of Incidental Comics. It's no secret, but we are judged by our bookshelves. We learn to read at an early age, and as we grow older we shed our beloved books for new ones. But some of us surround ourselves with books. We collect them, decorate with them, are inspired by them, and treat our books as sacred objects. In this lighthearted collection of one- and two-page comics, writer-artist Grant Snider explores bookishness in all its forms, and the love of writing and reading, building on the beloved literary comics featured on his website, Incidental Comics. I Will Judge You by Your Bookshelf is the perfect gift for bookworms of all ages. "This playful, self-aware collection of strips and gags on the joys and frustrations of reading and writing is equal parts lighthearted and sincere . . . The panels range from gently clever to surprisingly profound to laugh-out-loud." —Publishers Weekly "A prescient book for these times." —Newsarama
