Once again, Principles of Managerial Finance brings you a user friendly text with strong pedagogical features and an easy-to-understand writing style. The new edition continues to provide a proven learning system that integrates pedagogy with concepts and practical applications, making it the perfect learning tool for today's students. The book concentrates on the concepts, techniques and practices that are needed to make key financial decisions in an increasingly competitive business environment. Not only does this text provide a strong basis for further studies of Managerial Finance, but it also incorporates a personal finance perspective. The effect is that students gain a greater understanding of finance as a whole and how it affects their day-to-day lives; it answers the question "Why does finance matter to ME?" By providing a balance of managerial and personal finance perspectives, clear exposition, comprehensive content, and a broad range of support resources, Principles of Managerial Finance will continue to be the preferred choice for many introductory finance courses.

ALERT: Before you purchase, check with your instructor or review your course syllabus to ensure that you select the correct ISBN. Several versions of Pearson's MyLab & Mastering products exist for each title, including customized versions for individual schools, and registrations are not transferable. In addition, you may need a CourseID, provided by your instructor, to register for and use Pearson's MyLab & Mastering products. Packages Access codes for Pearson's MyLab & Mastering products may not be included when purchasing or renting from companies other than Pearson; check with the seller before completing your purchase. Used or rental books If you rent or purchase a used book with an access code, the access code may have been redeemed previously and you may have to purchase a new access code. Access codes Access codes that are purchased from sellers other than Pearson carry a higher risk of being either the wrong ISBN or a previously redeemed code. Check with the seller prior to purchase. – Gitman's proven learning goal system—a hallmark feature of Principles of Managerial Finance—weaves pedagogy into concepts and practice, providing readers with a roadmap to guide them through the text and supplementary tools. The thirteenth edition features new coauthor Chad Zutter of the University of Pittsburgh who brings his contemporary thinking and pedagogy to the text.

CORPORATE FINANCE, 2nd Edition was crafted to match the way you teach your MBA-level course. It's a claim we're confident to make because before creating the text, the authors analyzed more than 150 MBA-course syllabi and blended this research with input from professors like you and more than 50 years of personal corporate finance and teaching experience. The result is the most relevant text available for your students—one that presents the latest financial theories within the practical context of today's business. This balance of modern theory and practice is found in features such as *Applying the Model* examples that demonstrate concepts in action, cross-functional applications that make the book applicable to all students, and innovative CengageNOW for Smart Finance technology that reinforces learning throughout each chapter.

Gitman's proven learning goal system—a hallmark feature of *Principles of Managerial Finance*—weaves pedagogy into concepts and practice, providing readers with a roadmap to guide them through the text and supplementary tools.
