This workbook is the second in a series of two student workbooks that coincide with the 300 level Poiema course. It equips students to identify and develop

their identity in Christ as stewards entrusted with unique individual talents in the context of a team. The Apostle Paul notes "we are God's Poiema (his workmanship) created in Christ Jesus to do good works, which

## Download Free God And Me Student Workbook

he prepared in advance for us to do (Ephesians 2:10). The course gives students the tools to discover, explore and practice their God-given talents. Through the material, students will acquire foundational principles,

## Download Free God And Me Student Workbook

knowledge, and understanding for further growth; preparing them to steward their talents as reflections of Christ in their circles of influence. What students are saying . . . Before taking this class, I wasn't even

## Download Free God And Me Student Workbook

sure that that I had talents, much less what they were! But through taking the class, I have had the privilege of learning my talents so I have a better idea of what God has gifted me with, and what His plan is for me. I can

## Download Free God And Me Student Workbook

only be who God has uniquely created to be, no matter how hard I try, there are things that I will never be good at or understand. That whole concept of breaking myths with the truth has been more than eye opening

## Download Free God And Me Student Workbook

it was freeing. God has put so much care and purpose in making every person. No two people have been gifted by God in the same way. I have learned that I am special and that God has a purpose for me and made

## Download Free God And Me Student Workbook

me specifically for that purpose. The one big idea that I have taken from the first part of class was the whole idea of being "okay" with who God made me to be.

This Course discusses common traditions of men concerning healing. A

## Download Free God And Me Student Workbook

Biblical response to each tradition is presented since the best remedy against error is not silence, but proclamation of the truth of God's Word. As

## Download Free God And Me Student Workbook

we remove traditions and objections concerning healing, we remove barriers blocking divine healing from occurring. The Psalmist David indicated that although

## Download Free God And Me Student Workbook

he previously declared his own ways he now desired to learn the ways of God..

This Special Resource Kit is part of the series of books using

## Download Free God And Me Student Workbook

the poem "Beyond, Yet Still With You" to teach adults and children about God. The poem can be used - as a counseling asset (Where is God when I hurt so

## Download Free God And Me Student Workbook

bad?)- as a grammar primer (What are prepositions of place, and how do we use them?)- as an introduction to theology (Where is God? Is He

## Download Free God And Me Student Workbook

both "here" and "there"?) and in ways you might imagine. These notes will help you teach about the "immanence" and the "transcendence" of God.

## Download Free God And Me Student Workbook

He is both "here" and "there" concurrently - "Beyond, Yet Still With You". The poem and this Kit will help in a bigger purpose: by knowing more about God

## Download Free God And Me Student Workbook

and His character, we will experience more peace. ORGANIZATION The poem uses 7 prepositions of place (Beyond, Beneath, Above, Over, Through, In and Under),

## Download Free God And Me Student Workbook

2 locator words  
(Everywhere and Here)  
and 1 delightful term  
(Peace) to discuss, in  
simple terms, two  
challenging concepts:  
the location of God, and

## Download Free God And Me Student Workbook

His ability to help us during times of trial.

The first 5 prepositions address the question "Where Is God?": Beyond, Beneath, Above, Over, and Through. With the

## Download Free God And Me Student Workbook

word "In", we begin our transition from "God as subject" to "me as subject". The word "Under" addresses the question "Where Am I?". Then comes a word of

## Download Free God And Me Student Workbook

assurance about God: He is "Everywhere". Lesson 9 teaches that He is Here. Then we wrap up with Lesson 10, a word of Peace: The presence of God brings personal

## Download Free God And Me Student Workbook

Peace. We also have included a bit of "special" or "bonus" material: (1) an invitation you can use to invite people to class, in both black and

## Download Free God And Me Student Workbook

white and color; (2) suggestions for an opening lesson using the Psalm 77 adaptation from the book; (3) a review lesson; and (4) ideas for a Special

## Download Free God And Me Student Workbook

Presentation by the class to an audience.

These bonus items are presented in a way that can be easily adapted to local circumstances. Thus the kit has 13 lessons -

## Download Free God And Me Student Workbook

enough material for a full calendar quarter. Throughout the poem and the lessons, we want to emphasize that the reader or learner is loved by God and

## Download Free God And Me Student Workbook

protected by God.
