

God Wants You Dead Sean Hastings

This is the time of new beginnings, perhaps some might say, “Now is the count down for the Lord’s return...,” but the fact remains, there is much work to be done. We need stable, trained and Spirit led harvesters that are willing to go out into the harvest field. Seasons might be changing but God’s Word remains the same. The heart of the author is to help train, equip and be a blessing to those men and women who will be willing to fulfil their potential in ministry and be properly equipped for service. Desiring all believers to walk and live in the Authority and Power of God’s Word and His Precious Holy Spirit.

Wow! The best is yet to come to those who are willing to wait on God's timing!WHAT DO YOU DO WHEN YOU HAVE BEEN WAITING ON GOD FOR A WHILE!WHEN YOUR PRAYERS HAVEN'T BEEN ANSWERED!YOU JUST WAIT!Author Willa Dean Montgomery shares strategies that will change the way you approach troubles in your life, helping you understand the process of you waiting on the manifestation of God's promises in your life.You need to know these five keys to help you to be successful in your wait:***Everything begins with a process.*God does everything with a purpose in mind.*Your waiting on God is not in vain.*Without faith it is impossible to please God.*God cannot lie.Waiting on God will take faith and patience. But when you wait on God, God is building your character so you can become mature to handle the blessings. All blessings and promotions come from God, and God is preparing you to fulfill your destiny. This book will encourage you to remain faithful to God as you wait on Him no matter what troubles you are facing.WAIT! YOU ARE NEXT IN LINE!**

What happens when you pray? This book does not to tell you how to get answers to your prayers there are thousands of books like that.This a radically different book because it approaches prayer from God s perspective. Prayer is relationship with God. When you understand How God Answers Prayer, then you realize prayer is all about trusting your heavenly Father trusting Him to answer what is best for you, how it s best for you, and when it s best for you. Divided into three inspiring sections and bite-size chapters filled with full servings of biblical goodness, you will learn about the following...and much more: God answers when you wait in His presence for the answer. God can give you a vision of how the

answer can come. God answers when you yield to His will. Use your faith supernaturally to move God's work forward. God may allow an obstacle to tell you No, it will not happen. When God answers your prayer differently from what you expected. God may say, No, I have a better plan for your life. Well-known author and respected Liberty University dean and professor, Dr. Elmer Towns sheds light on your innermost desire to communicate with your heavenly Father, and brings your relationship with Him to an even more intimate level of love. This is a book filled with gems that will enable you to make spiritual progress and "Make Room For God" in your life. Christopher Raj has anchored his thoughts on the Word of God and not merely testimonies. I am glad for this opportunity to preview and recommend "Chronicles with GOD 2: He always speak" to you. This is one book you will read repeatedly and recommend to others. I know you will be blessed reading and applying the insights written in this book. In this series, the books of the Bible are taught in chronological order (from Genesis to Acts) rather than in the order they appear in the Bible, so students can comprehend the flow of Bible history. Each workbook contains helpful exercise questions and map work as well. Teacher manuals for Books C-H are available. Book G covers the Gospels. Grade 6.

The death of a sibling is not only painful, but it can often be quite lonely. People seem more comfortable in knowing what to say if the loss is a spouse or a child. The journey of grief is in itself unique, but Sean. A Journey of Hope through Grief is for those who are feeling the pain of losing a sibling but do not know who to turn to or what to expect. Kila takes you through her journey of grief and brings hope and faith with her. The ongoing impact of her brother's death in a car accident was so immense that she felt the need to share her experience with others who are going through a similar journey. She walks you through: □ The funeral □ A sister's loss □ Grief □ Living with

grief □ Moving beyond grief □ Hope through grief If you have struggled to connect with others after the death of a sibling, or know someone who is, Sean. A Journey of Hope through Grief will give the support, encouragement, and hope that even though it may be dark now, joy will come, and you are not alone.

This book is a result of the spiritual lessons I have learned upon being diagnosed with a slow, progressive, and terminal illness. Once I was told I had a life expectancy of less than five years, biblical truths that seemed to be hidden to me prior to my diagnosis now seemed to pour off of every page. I was an avid Bible student and teacher prior to my diagnosis, but following my dire prognosis, I began to have a greater appreciation for the pain, suffering, and death of so many of the men and women that share their stories within the cover of our Holy Bible. The title of this book, Does God Want Me Dead, came first. The title is not intended to be sacrilegious, but other phrases seem to come woefully short of the question pressing upon my heart. Slowly, over three years, each additional chapter would germinate in my mind and heart and develop over varying time periods. My goal is always to handle Gods Word accurately and honestly. I know I will stand before God in a relatively short period of time to answer for each word I have uttered and written. My objective is to disseminate the truths that I have learned, first to my family and friends that will be most affected by my departure, and then to all the saints of God willing to invest a few hours of their time for their edification and sanctification. May Gods glory be high and lifted up in all things.

Discusses how worship and sacrament are vehicles in which to meet Christ.

There is a Creator. He made you and He loves you. He desires to know you and for you to know Him. He desires to be your friend. He desires to walk with you, and He desires for you to walk with Him in an ever-increasing and deeper way. But how does one walk with the invisible Creator? How is one a friend to Him that is unseen? It is through His love for you that He has made a way. He has made a way for you to be near to Him. In Him there is healing and hope. There is courage and victory. There is peace and joy. In Him there is love and life, and there is everything you need to truly live. So what are you waiting for? As deep calls to deep, in the depths of your soul, He is calling you to Himself. Listen. He is calling, Come. Walk with Me.

The current prolonged season of war and worldwide economic crisis has created countless personal crises. Unemployment, foreclosures, threats, and fears loom and Christians are not exempt. Chuck's warm, personal style comes across on every page, and his informed, practical insights get straight to the heart of the Bible's message for the world today. Reading each part of this study Bible is like hearing Chuck speak God's Word directly to your heart. It will both encourage readers' faith and draw them deeper into the study of God's Word. In Chuck's own words: "This study Bible was designed with you in mind. As you read the Scriptures, imagine my sitting beside you and sharing personal stories, important insights, and hard-earned lessons that will encourage you to walk more closely with Jesus Christ. You'll discover the who, what, where, when, why, and how of the Bible: Who wrote it and when? What does it mean, and where did its events occur? Why should I trust it? And most importantly, how can I apply it today? "It's that last question more than any other that has fed my passion to publish this Bible. My primary focus in ministry has been teaching biblical insight for living . . . for genuine life change. After all, that's why God has communicated His Word to us--so that we may become like His Son, Jesus Christ, the central figure of this Book." Free app with purchase! Bill Gillham believes that the Christian life is a blessing rather than a burden and is convinced that misapprehensions of what the Bible says sometime leave us feeling shackled instead of free. He shows the way to seeing things differently.

This is a guide to the Hebrew Bible unlike any other. Leading us chapter by chapter through its most important stories--from the Creation of the Tree of Knowledge through the Exodus from Egypt and the journey to the Promised Land--James Kugel shows how a group of

anonymous, ancient interpreters radically transformed the Bible and made it into the book that has come down to us today. Was the serpent in the Garden of Eden the devil, or the Garden itself "paradise"? Did Abraham discover monotheism, and was his son Isaac a willing martyr? Not until the ancient interpreters set to work. Poring over every little detail in the Bible's stories, prophecies, and laws, they let their own theological and imaginative inclinations radically transform the Bible's very nature. Their sometimes surprising interpretations soon became the generally accepted meaning. These interpretations, and not the mere words of the text, became the Bible in the time of Jesus and the rabbis of the Talmud. Drawing on such sources as the Dead Sea Scrolls, ancient Jewish apocrypha, Hellenistic writings, long-lost retellings of Bible stories, and prayers and sermons of the early church and synagogue, Kugel reconstructs the theory and methods of interpretation at the time when the Bible was becoming the bedrock of Judaism and Christianity. Here, for the first time, we can witness the major transformations of the text and recreate the development of the Bible "As It Was" at the start of the Common era--the Bible as it is.
