

## **Gods Not Dead Evidence For God In An Age Of Uncertainty Audio Cd Rice Brooks**

Why should we care about heaven? -- What is heaven like? -- When does a person go to heaven? -- Where is heaven? -- Who goes to heaven?

Many Christians believe we need to choose between fighting injustice and communicating the good news of Jesus Christ. But what if failing to speak the truth is ultimately the greatest injustice of all? If we truly believe the human heart is the source of injustice and the gospel is the only real solution, shouldn't sharing the gospel's transforming truth be our highest priority? With his thoughtful, accessible style, Rice Brooks explores why knowing the gospel is, in fact, every person's greatest right—and therefore the greatest justice issue of our time. Drawing on contemporary stories and rich historical sources, *The Human Right* answers the question, *What is truth?* frames evangelism as a human rights issue, explains why secularism lacks the foundation to ground human rights, gives evidence for the existence of the human soul, and describes how the Bible has shaped the modern world. *The Human Right* urges us persuasively toward a renewed conviction that our ultimate calling is to proclaim the gospel—the only truth that has the power to

change our world, to change us, from the inside out.

"Based on the ... movie from Pure Flix"--Cover.

New York Times bestselling author and Bible expert Bart Ehrman reveals how Jesus's divinity became dogma in the first few centuries of the early church. The claim at the heart of the Christian faith is that Jesus of Nazareth was, and is, God. But this is not what the original disciples believed during Jesus's lifetime—and it is not what Jesus claimed about himself. How Jesus Became God tells the story of an idea that shaped Christianity, and of the evolution of a belief that looked very different in the fourth century than it did in the first. A master explainer of Christian history, texts, and traditions, Ehrman reveals how an apocalyptic prophet from the backwaters of rural Galilee crucified for crimes against the state came to be thought of as equal with the one God Almighty, Creator of all things. But how did he move from being a Jewish prophet to being God? In a book that took eight years to research and write, Ehrman sketches Jesus's transformation from a human prophet to the Son of God exalted to divine status at his resurrection. Only when some of Jesus's followers had visions of him after his death—alive again—did anyone come to think that he, the prophet from Galilee, had become God. And what they meant by that was not at all what people mean today. Written for secular historians of religion and believers alike, How Jesus Became God will engage anyone interested

God's Not Dead: What Do You Believe?

To Know Jesus Christ and to Make Him Known

The Purple Book, Updated Edition

**There are four ways to die, and only one of them requires an intruder. Suicides, accidental, and natural deaths can occur without any evidence from outside the room. But murders typically involve suspects external to the crime scene. If there's evidence of an outside intruder, homicide detectives have to prepare for a chase. Intruders turn death scenes into crime scenes. Join J. Warner Wallace, former atheist, seasoned cold-case detective, and popular national speaker as he tackles his most important case ... with you on the jury! With the expertise of a cold-case detective, J. Warner examines eight critical pieces of evidence in the "crime scene" of the universe to determine if**

**they point to a Divine Intruder. If you have ever wondered if something (or someone) outside the natural realm created the universe and everything in it, this is the case for you.**

**Encourage students to use this guide to grow deeper in their relationship with God and their friends by discovering what they believe, why, and how to stand up for it. For use with, or separate from, the God's Not Dead Student Kit.**

**Answering this question will be the defining decision of your life. If you believe God is real, how can you effectively defend your faith when it matters most? In many countries of the world, Christians are assaulted for their beliefs-in America, they are insulted out of their faith. Our response? Real faith isn't blind. It is based on evidence! Christianity answers the deepest questions of the heart and mind. This four-week study will help you discover answers in your search for God, effectively address our culture's assault of skepticism, become a defender of your faith, and take the kind of stand that the teacher Grace took in God's not Dead 2. Book jacket.**

**Is your worldview enlightened enough to accommodate both science and God at the same time? Dr. Michael Guillen, a best-selling author,**

**Emmy award-winning journalist and former physics instructor at Harvard, used to be an Atheist—until science changed his mind. Once of the opinion that people of faith are weak, small-minded folks who just don't understand science, Dr. Guillen ultimately concluded that not only does science itself depend on faith, but faith is actually the mightiest power in the universe. In *Believing Is Seeing*, Dr. Guillen recounts the fascinating story of his journey from Atheism to Christianity, citing the latest discoveries in neuroscience, physics, astronomy, and mathematics to pull back the curtain on the mystery of faith as no one ever has. Is it true that “seeing is believing?” Or is it possible that reality can be perceived most clearly with the eyes of faith—and that truth is bigger than proof? Let Dr. Guillen be your guide as he brilliantly argues for a large and enlightened worldview consistent with both God and modern science.**

What should Christian witness look like in our contemporary society? In this timely book, Alan Noble looks at our cultural moment, characterized by technological distraction and the growth of secularism, laying out individual, ecclesial, and cultural practices that disrupt our society's deep-rooted assumptions and point beyond them to the transcendent grace and beauty of Jesus.

There have always been challenges to belief in God as he is revealed in the Bible and each new year seems to add more questions to the doubter's arsenal. In *Evidence for God*, leading apologists provide compelling arguments that address the most pressing questions of the day about God, science, Jesus, the Bible, and more, including Is Intelligent Design really a credible explanation of the origins of our world? Did Jesus really exist? Is Jesus really the only way to God? What about those who have never heard the gospel? Is the Bible today what

## Download Free Gods Not Dead Evidence For God In An Age Of Uncertainty Audio Cd Rice Brooks

was originally written? What about recently publicized gospels that aren't in the Bible? and much more

Atheism is on the march in the western world, and its enemy is God. Religion, the "New Atheists" claim, "is dangerous", it "kills" or "poisons everything". And if religion is the problem with the world, their answer is simple: get rid of it. But are things really so straightforward? Tackling the likes of Richard Dawkins, Stephen Hawking, Christopher Hitchens, and Daniel Dennett head on, John Lennox highlights the fallacies in their approach, arguing that their irrational and unscientific methodology leaves them guilty of the same obstinate foolishness of which they accuse dogmatic religious folks. Erudite and wide-ranging, *Gunning for God* packs some debilitating punches. It also puts forward new ideas about the nature of God and Christianity that will give the New Atheists' best friends and worst enemies alike some stimulating food for thought. Christopher Hitchens, described in the *London Observer* as "one of the most prolific, as well as brilliant, journalists of our time" takes on his biggest subject yet—the increasingly dangerous role of religion in the world. In the tradition of

## Download Free Gods Not Dead Evidence For God In An Age Of Uncertainty Audio Cd Rice Brooks

Bertrand Russell's *Why I Am Not a Christian* and Sam Harris's recent bestseller, *The End Of Faith*, Christopher Hitchens makes the ultimate case against religion. With a close and erudite reading of the major religious texts, he documents the ways in which religion is a man-made wish, a cause of dangerous sexual repression, and a distortion of our origins in the cosmos. With eloquent clarity, Hitchens frames the argument for a more secular life based on science and reason, in which hell is replaced by the Hubble Telescope's awesome view of the universe, and Moses and the burning bush give way to the beauty and symmetry of the double helix.

Between the ages of 8 and 12, kids often start to wonder if Christianity is true. In *Cold-Case Christianity for Kids*, detective J. Warner Wallace draws readers into the thrill of

## Download Free Gods Not Dead Evidence For God In An Age Of Uncertainty Audio Cd Rice Brooks

high-stakes investigation by showing them how to think rather than telling them what to think. In this children's companion to the bestselling *Cold-Case Christianity*, detective Wallace gets kids excited about testing witnesses, examining the evidence, and investigating the case for Christianity. Includes author illustrations and links to a website ([coldcasechristianityforkids.com](http://coldcasechristianityforkids.com)) where kids can download activities, fill in case notes, and earn a certificate of merit. Detective Wallace gets kids excited about testing witnesses, examining the evidence, and investigating the case for Christianity. Insightful and heart-warming, this classic book is written for those who seek to know God better. It unfolds life-impacting, biblical truths and has been called a "soul-stirring celebration of the pleasures of knowing God."

This study is based on the sequel to one of the most successful faith-based movies of all time. The highly anticipated *Gods Not Dead 2* features a star-studded cast including Melissa Joan Hart, Jesse Metcalfe, Hayley Orrantia, and Duck Dynasty's Sadie Robertson.

The book consists primarily of interviews between Strobel (a former legal editor at the *Chicago Tribune*) and biblical scholars such as Bruce Metzger. Each interview is based on a simple question, concerning historical evidence (for example, "Can the Biographies of Jesus Be Trusted?"), scientific evidence, ("Does Archaeology Confirm or Contradict Jesus' Biographies?"), and "psychiatric evidence" ("Was Jesus Crazy When He Claimed to Be the Son of God?"). Together, these interviews compose a case brief

**explore the Christian faith, ask questions, and share their point of view. Alpha makes it easy to invite friends to have spiritual conversations which explore life's biggest questions in a safe and respectful way. Alpha's approach to hospitality, faith, and discussion is designed to welcome everyone, especially those who might not describe themselves as Christians or church-goers. Each session includes time for a large group meal, short teaching, and small group discussion. A compelling argument for Christianity that equips believers like never before. The goal of God's Not Dead: Evidence for God in an Age of Uncertainty is straightforward: to help readers develop "a faith that is real and credible-and strong enough to help others find faith in God." To that end, Rice Brooks outlines a roadmap that guides seekers to acknowledge the most basic truths of Christianity: There is overwhelming and exciting evidence for God's existence The God who exists is indeed the God of the Bible God has revealed his nature through his Son, Jesus Christ Persuasive arguments crafted with tools borrowed from logic, science, and philosophy, as well as scripture, solidify the faith of the Christian reader and provide starting points for discussions with skeptics. With clear, easy-to-follow explanations of key concepts and controversies, God's Not Dead is apologetics for the twenty-first century, presented in layman's terms. Readers will be empowered not only to talk about their own faith with confidence but to lead others to a relationship with Jesus.**

## **Download Free Gods Not Dead Evidence For God In An Age Of Uncertainty Audio Cd Rice Brooks**

**The God Delusion caused a sensation when it was published in 2006. Within weeks it became the most hotly debated topic, with Dawkins himself branded as either saint or sinner for presenting his hard-hitting, impassioned rebuttal of religion of all types. His argument could hardly be more topical. While Europe is becoming increasingly secularized, the rise of religious fundamentalism, whether in the Middle East or Middle America, is dramatically and dangerously dividing opinion around the world. In America, and elsewhere, a vigorous dispute between 'intelligent design' and Darwinism is seriously undermining and restricting the teaching of science. In many countries religious dogma from medieval times still serves to abuse basic human rights such as women's and gay rights. And all from a belief in a God whose existence lacks evidence of any kind. Dawkins attacks God in all his forms. He eviscerates the major arguments for religion and demonstrates the supreme improbability of a supreme being. He shows how religion fuels war, foments bigotry and abuses children. The God Delusion is a brilliantly argued, fascinating polemic that will be required reading for anyone interested in this most emotional and important subject.**

Move over, Richard Dawkins and Christopher Hitchens—a highly regarded nuclear physicist enters the debate about the existence of God—and comes down on the side of the angels. Goswami's hypothesis is that quantum physics holds the key to all the unsolved mysteries of biology—the nature and origin of life, fossil gaps of evolution, why evolution proceeds from simple to complex, and why biological beings have feeling and consciousness. In *God Is Not Dead*, Goswami moves beyond theory and shows how a God-based science puts ethics and values where it belongs: at the center of our lives and societies. He provides a scientific model that steers between scientific materialism and religious fundamentalism; a model that has implications for how we live both individually and collectively. *God Is Not Dead* is a fascinating tour of quantum physics, consciousness, and the existence and experience of God.

A thoughtful approach to justifying religion using scientific principles reveals how a two-hundred-year-old mathematical equation, developed by European philosopher Thomas Bayes, can be used to prove the probability of God's

## Download Free Gods Not Dead Evidence For God In An Age Of Uncertainty Audio Cd Rice Brooks

existence. Reprint. 10,000 first printing.

Written by an L. A. County homicide detective and former atheist, *Cold-Case Christianity* examines the claims of the New Testament using the skills and strategies of a hard-to-convince criminal investigator. Christianity could be defined as a “cold case”: it makes a claim about an event from the distant past for which there is little forensic evidence. In *Cold-Case Christianity*, J. Warner Wallace uses his nationally recognized skills as a homicide detective to look at the evidence and eyewitnesses behind Christian beliefs. Including gripping stories from his career and the visual techniques he developed in the courtroom, Wallace uses illustration to examine the powerful evidence that validates the claims of Christianity. A unique apologetic that speaks to readers’ intense interest in detective stories, *Cold-Case Christianity* inspires readers to have confidence in Christ as it prepares them to articulate the case for Christianity. This updated edition by one of the world's leading apologists presents a systematic, positive case for Christianity that reflects the latest work in the contemporary hard sciences and humanities. Brilliant and accessible.

Did Jesus Really Exist? The search for the historical Jesus continues to be headline news. Any speculative theory seems to get instant attention as the debate rages about His real identity and the claims made in His name. Did Jesus really exist? Is there real historical evidence that demonstrates that He lived and actually said and did the things the Gospels record? Is there any validity to the speculative claims that the Jesus story was a myth, borrowed from a variety of pagan cultures of the ancient world? In this follow-up to the book *God's Not Dead* (that inspired the movie), *Man, Myth, Messiah* looks at the evidence for the historical Jesus and exposes the notions of skeptics that Jesus was a contrived figure of ancient mythology. It also looks at the reliability of the Gospel records as well as the evidence for the resurrection that validates His identity as the promised Messiah. *Man, Myth, Messiah* will be released concurrent to the *God's Not Dead* movie sequel, which will cover the same theme.

Twenty years ago India was still generally thought of as an archetypal developing country, home to the largest number of poor people of any country in the world, and beset by problems of low economic growth, casteism and violent religious conflict. Now India is being feted as an economic power-house which might well become the second largest economy in the world before the middle of this century. Its democratic traditions, moreover, remain broadly intact. How and why has this historic transformation come about? And what are its implications for

## Download Free Gods Not Dead Evidence For God In An Age Of Uncertainty Audio Cd Rice Brooks

people of India, for Indian society and politics? These are the big questions addressed in this book by three scholars who have lived and researched in different parts of India during the period of this great transformation. Each of the 13 chapters seeks to answer a particular question: When and why did India take off? How did a weak state promote audacious reform? Is government in India becoming more responsive (and to whom)? Does India have a civil society? Does caste still matter? Why is India threatened by a Maoist insurgency? In addressing these and other pressing questions, the authors take full account of vibrant new scholarship that has emerged over the past decade or so, both from Indian writers and India specialists, and from social scientists who have studied India in a comparative context. *India Today* is a comprehensive and compelling text for students of South Asia, political economy, development and comparative politics as well as anyone interested in the future of the world's largest democracy.

In the modern age science has been winning its centuries—old battle with religion for the mind of man. The evidence has long seemed incontrovertible: Life was merely a product of blind chance—a cosmic roll of an infinite number of dice across an eternity of time. Slowly, methodically, scientists supplied answers to mysteries insufficiently explained by theologians. Reason pushed faith off into the shadows of mythology and superstition, while atheism became a badge of wisdom. Our culture, freed from moral obligation, explored the frontiers of secularism. God was dead. "Glynn's arguments for the existence of God put the burden of disproof on those intellectuals who think that the question has long since been settled." — Andrew M. Greeley But now, in the twilight of the twentieth century, a startling transformation is taking place in Western scientific and intellectual thought. At its heart is the dawning realization

## Download Free Gods Not Dead Evidence For God In An Age Of Uncertainty Audio Cd Rice Brooks

that the universe, far from being a sea of chaos, appears instead to be an intricately tuned mechanism whose every molecule, whose every physical law, seems to have been design from the very first nanosecond of the big bang toward a single end—the creation of life. This intellectually and spiritually riveting book asks a provocative question: Is science, the long-time nemesis of the Deity, uncovering the face of God? Patrick Glynn lays out the astonishing new evidence that caused him to turn away from the atheism he acquired as a student at Harvard and Cambridge. The facts are fascinating: Physicists are discovering an unexplainable order to the cosmos; medical researchers are reporting the extraordinary healing powers of prayer and are documenting credible accounts of near-death experiences; psychologists, who once considered belief in God to be a sign of neurosis, are finding instead that religious faith is a powerful elixir for mental health; and sociologists are now acknowledging the destructive consequences of a value-free society. *God: The Evidence* argues that faith today is not grounded in ignorance. It is where reason has been leading us all along.

A cold-case homicide detective helps Christians understand why it's important to develop a "forensic faith" and provides a unique template to help them become effective "Christian Case Makers." *Forensic Faith* will help readers: understand why they have a duty to defend the truth; develop a training strategy to master the evidence for Christianity; learn how to employ the techniques of a detective to discover new insights from God's Word; become better communicators by learning the skills of professional case makers. With real-life detective stories, fascinating strategies, and biblical insights, Wallace teaches readers cold-case investigative disciplines they can apply to their Christian faith. *Forensic Faith* is an engaging, fresh look at what it means to be a Christian.

God Is Not Dead

***Based on the largest near-death experience study in history, involving 3,000 people from diverse backgrounds and religious traditions, including nonbelievers, God and the Afterlife presents startling evidence that a Supreme Being exists—and there is amazing consistency about what he is like. In his bestselling book Evidence of the Afterlife, Dr. Jeffrey Long showed us that there is a strong scientific case for life after death. Now, he goes further, revealing evidence that God is real. At the Near Death Experience Research Foundation, Dr. Long studied the stories of thousands of people who have journeyed to the afterlife. Though there are a wide variety of differences in how people experience NDEs—some see a bright light, others go through a tunnel, still others experience a review of their life—he discovered that many of the accounts shared a remarkably similar description of God; a Supreme Being who radiated love and grace. Expanding on his analysis begun in Evidence of the Afterlife, God and the Afterlife is the first intensive exploration of the***

***provocative answer to that famous 1966 TIME cover that itself provocatively asked "Is God Dead?" In a voice that is by turns witty, muscular, and poetic, Metaxas intentionally echoes C.S. Lewis and G.K. Chesterton in cheerfully and logically making his astonishing case, along the way presenting breathtaking—and often withering—new evidence and arguments against the idea of a Creatorless universe. Taken all together, he shows atheism not merely to be implausible and intellectually sloppy, but now demonstrably ridiculous. Perhaps the only unanswered question on the subject is why we couldn't see this sooner, and how embarrassed we should be about it.***

***With the recent wave of books on atheism becoming New York Times best-sellers, the God debate is heating up. Because of the implications, it's the most significant question of all time: Is there a God, or isn't there? In this compelling book, Ray Comfort argues the case with simple logic and common sense. If there is a God, surely He has made His presence known so that anyone, young or old, scholar or school child, can find Him. By applying basic logic to three clear evidences for the existence of God, Comfort will help you to: \* Examine the case for evolution and see what top scientists are really saying about the theory \* Explore the facts that led the world's most notorious atheist to acknowledge a Creator \* Investigate the evidence to discover who God is through 100% scientific proof, you can know God exists.***

## Download Free Gods Not Dead Evidence For God In An Age Of Uncertainty Audio Cd Rice Brooks

***A moving and beautifully written story about a British poet's conversion from staunch atheism to Catholicism in the space of nine electric months. In 2010, Sally Read was heralded as one of the bright young writers of the British poetry scene. Feminist, atheist and deeply anti-Catholic, she was writing a book about women's reproduction and sexuality when, during her research, she spoke with a Catholic priest. That mysterious encounter led Read on a dramatic journey of spiritual quest and discovery which ended up at the Vatican itself, where she was received into the Catholic Church in December of that year. This story is one that, unsurprisingly, has the vivid flavor and beauty of poetry. Read relates her encounters with the Father, the Spirit and then the Son, exactly in the way they were given to her—timely, revelatory and compelling. These transforming events throw new light onto the experiences of her past—her father's death, her work as a psychiatric nurse, her life as a single woman in London, as a mother and as a writer. She reveals how she developed a close intimacy with the new love that erupted into her life, Christ himself, and how she comes to embrace a doctrine she had previously rejected as bigoted and stifling. Sally Read's story is a testimony to the powerhouse of Christianity: divine love and the life-changing encounter with Christ.***

***Discover the astonishing evidence for intelligent design in this New York Times bestselling book by award-winning journalist Lee Strobel. "My road to atheism***

## Download Free Gods Not Dead Evidence For God In An Age Of Uncertainty Audio Cd Rice Brooks

*Person of Interest*, Wallace carefully sifts through the evidence from history alone, without relying on the New Testament. You'll understand like never before how Jesus, the most significant person in history, changed the world. Features: Join a cold-case detective as he uncovers the truth about Jesus using the same approach he employs to solve real murder cases Marvel at the way Jesus changed the world as you investigate why Jesus still matters today Learn how to use an innovative and unique "fuse and fallout" investigative strategy that you can also use to examine other claims of history Explore and learn how to respond to common objections to Christianity Detective J. Warner Wallace listened to a pastor talk about Jesus and wondered why anyone would think Jesus was a person of interest. Wallace was skeptical of the Bible, but he'd investigated several no-body homicide cases in which there was no crime scene, no physical evidence, and no victim's body. Could the historical life and actions of Jesus be investigated in the same way? In *Person of Interest*, Wallace describes his own personal investigative journey from atheism to Christianity as he carefully considers the evidence. Creative, compelling, and fully illustrated, *Person of Interest* will strengthen the faith of believers while engaging those who are skeptical and distrusting of the New Testament. "Wallace has an uncanny ability to discover clues where no one else sees them. Now he tackles perhaps his toughest case ever: solving a deeply personal mystery involving his own religious faith." —ROBERT DEAN, producer of NBC News Dateline "A creative and eye-opening work. You'll be captivated as Wallace takes you on a thrilling

*journey of discovery." —LEE STROBEL, bestselling author of The Case for Christ "If you read this book, you will have to reckon with Jesus, not just as a historical person but as Lord and Savior. This is not your typical apologetics book!" —ALISA CHILDERS, author of Another Gospel "Bring your doubts, bring your skepticism--but if you bring them in open-minded honesty . . . be prepared to render a shocking verdict." —SCOTT HANSON, host of NFL RedZone*

*In the classic Mere Christianity, C.S. Lewis, the most important writer of the 20th century, explores the common ground upon which all of those of Christian faith stand together. Bringing together Lewis' legendary broadcast talks during World War Two from his three previous books The Case for Christianity, Christian Behavior, and Beyond Personality, Mere Christianity provides an unequalled opportunity for believers and nonbelievers alike to hear this powerful apologetic for the Christian faith.*

*Filled with Scripture readings, group discussion points and questions, the six week study guide will help you discover what you believe and how to stand for it. For use witt, or separate from, the DVD-based study.*
