

Good News Bible Rainbow

Clear and readable, with beautiful colour illustrations of favourite Bible stories, the Rainbow Bible is the obvious choice for a child's first full-text Bible and for use in schools and Sunday schools. This new Edition include new colour plates and revised maps and introductory material.

'The Good News Bible' is a modern translation from the best Greek and Hebrew sources. The 'Rainbow' Bible is the most popular edition, and is used in almost every primary school and Sunday School. This edition features new illustrations of favourite Bible stories.

Beloved Son A spiritual novel that blends fact and fiction set in a time when rumors and visions among Jerusalem's Jews heralded the arrival of a Messiah to free them of their ages-long oppression. Their fervent anticipation collided with Rome's merciless authority when their Messiah appeared in the flesh as Jesus Christ. Jesus's example of Divine Love is newly-explored as the Son of God walks the path of teacher, healer and prophet while guiding his disciples. This reimagined journey illustrates Christ's teachings of universal truths while exploring alternative ways for him to fulfill the prophecies.* Did Jesus really die on the cross?* Was there a romantic connection between Jesus and Mary Magdalene?* If Jesus could read minds - how could Judas have betrayed him?* If Jesus was a shape-shifter - then how could he be captured against his will? The journey of Christ fulfilling his destiny as prophesied is uniquely re-imagined in this mystical adventure.

This Torah-based book will help clarify your understanding of the Messiah's Truth from a Hebraic perspective.

Life in the Overflow

The New Magnified Version of Isaiah in Plain English!

Rainbow Paint Effect Children's Story Writing Paper Composition Book

"A wondrous, sparkling fusion of wisdom and insight." - Patricia Santhuff What do the wonderful myths of ancient Greece, the beautiful stories in the Bible and Qur'an, and all the sacred stories from traditions around the world, have in common? They open our hearts to wonder, mystery, passion, and joy. I know, on the outside these stories seem very different, confusing, conflicting, and often violent and divisive. But when read symbolically and internally, they are all telling the same story. They show us the path of spiritual awakening and enlightenment. Sometimes the story is called "Returning to the Promised Land." Sometimes it's called "Seeking the Holy Grail." Sometimes it's called "Persephone's Return to Olympus." But whatever it's called, the inner meaning and purpose is always the same. The stories are all a call to awaken, to live passionately and consciously, and to enter the door that leads to enlightenment and communion with the divine. The door is

always open. The light is always ready to receive us. But we have to learn how to tread the path! Fortunately, that's what all the sacred stories are really about. THE DOOR IS OPEN uncovers the 7 Universal Steps that are found within the symbols and allegories of all great mythology and scripture. Each chapter ends with a series of practical and enjoyable spiritual exercises and activities. You can do this work on your own, or together with a group. It could be a church or synagogue group, a book club, a classroom, or any group of friends who want to get together and expand their spiritual horizons.

Discover the wonder of a life with God you can't contain. The pages of scripture are full of ordinary people who walked with God as he poured himself out through them to a world in need. What if God never changed? What if he is still speaking to us and longing to work miraculously through us? What if it isn't a matter of more training or effort but simply receiving and releasing everything he already purchased? "Life in the Overflow" invites you to know God intimately as your Daddy in a way that spills out of you naturally. Filled with disarming honesty and fervent expectation, this book mirrors a reflection of who you are, who your God is and what he actually longs to do through "ordinary, messy kids" today!

Miracles happen today. Do you want to increase your faith? Read about miracles. True stories of God's faithfulness, love, and power are woven together with art, poetry and scripture into a tapestry made of the colors of the rainbow that demonstrate the many aspects of faith. A woman finds herself in a car accident on a lonely Nevada highway gazing at her two daughters sprawled on the road. She screams in terror for help. Someone places a white gold cross in the palm of her hand. This changes everything. "A White Gold Cross," one of the true stories found in "Faith Colors, Encounters with God in Living Faith," explores the power of faith in God to transform the outcome of a terrible crisis. This story is found in the section called White Faith, the kind of faith that strengthens the inner heart to persevere. A son prays in earnest while the emergency team from the fire station try to revive his father. After the paramedics give up and permission is granted to stop CPR, the father miraculously begins to breathe on his own. But will he survive long enough to take care of his unfinished business? This story is found under Blue Faith, the kind of faith that looks up from a dark pit to find hope. These testimonies and others, including some of the author's own experiences, are grouped into the colors of the rainbow to highlight important aspects of faith. Poems and prophetic art, intensifying the impact of the messages, are found throughout the book. Each color section concludes with a prayer to draw the reader's heart closer to God. Scriptures and colorful prophetic pictures featured in this book highlight significant attributes of faith that are bound to spark hope in God and His promises found in the Bible.

Is it possible to experience joy made full? This story is one of heroic recovery. Darcy's sights are firmly set on winning The National Oldtime Fiddle Contest in Weiser, Idaho. She barely gains traction with her quest when tragedy strikes.

A Kid's Guide to God's Supernatural Power

The Three-Strand Cord of Active Relational Christian Mentoring

The Bible in Today's English Version is a new translation which seeks to state clearly and accurately the meaning of the original texts in words and forms that are widely accepted by all people who use English as a means of communication. This

translation does not follow the traditional vocabulary and style found in the historic English Bible versions. Rather it attempts in this century to set forth the Biblical content and message in standard, everyday, natural form of English. The aim of this Bible is to give today's readers maximum understanding of the content of the original texts. The Preface explains the nature of special aids for readers which are included in the volume. It also sets forth the basic principles which the translators followed in their work. The Bible in Today's English Version was translated and published by the United Bible Societies for use throughout the world. The Bible Societies trust that people everywhere will not only find increased understanding through the reading and study of this translation, but will also find a saving hope through faith in God, who made possible this message of Good News for all people. - Foreword.

The Gospel of Christ is a message which claims to save from damnation those who believe it. This "good news" message purports to reveal who saves, what he did, why we need it, how we get it, and where to find reliable information about it. The Gospel, however, is widely doubted, disputed, and denied. Many wonder: - Does Jesus have to be who Christians claim he is? - What did his death accomplish? - Why would God send me to hell? - Can faith really be all there is to it? - Do I need to trust the Bible? Using Bible verses, "I Have Some Good News" addresses objections to the Gospel, and allows Christianity's source book to speak for itself.

"Knowledge held within is dead knowledge. Share it with others, and then it is resurrected." These are words that Apostle Dr. Muriel Avant Fuqua lives by. Though, throughout her life, there have been plenty of things she'd rather have kept silent about, she has learned, firsthand, that it is these very traumas that must be brought into the light so their power can be broken and healing can begin. A shining example of the necessity to speak out—and a cautionary tale about the harm and dysfunction that results from silence—this empowering memoir is about overcoming the debilitating pain of abuse and infidelity through the healing power

of a loving God. At the same time, Dr. Fuqua's debut book serves as an excellent educational source on the challenging issues of women in ministry and church hurt. Over the years, Dr. Fuqua has experienced more than her fair share of pain, but she has also discovered the amazing truth that God can truly renew brokenness. And her life, her marriage, and her church all declare the good news. Discover for yourself the peace of Christ, as you learn from her story how you, too, can step into the light and wrap your pain in the glory of God.

Balmer takes a look at American evangelicalism through the eyes of evangelical activists across the country, presenting to the reader a more accurate and balanced understanding of an abiding tradition that is both rich in theological insights and mired in contradictions.

This work is an invitation and guide for young people to bring the realm of Heaven to earth. As children discover their identity through the revelation of the Father's love, they are released to fulfill their Royal Mission: to demonstrate the Kingdom of God by living a life of miracles. Each chapter explains and identifies the inheritance that God's sons and daughters possess, such as the Father's love, the anointing and indwelling of the Holy Spirit, faith, prayer, and the keys of power and authority. This book is not only a companion for the "journey", but also provides a meeting place for children to encounter God's presence that will transform their hearts and lives.

Properly, while I endeavor to expound the principles of Christian social justice, I shall also endeavor to show you how these principles can be applied. And just as properly, it will be my hope to bestir you to action-Christian action, American action-for faith without good works is dead. Thus, at the outset, while I am deeply grateful to everyone of you for, the heroic sacrifices you have made, and will make, to keep me on the air over this independent chain of radio stations, may I ask you for one more favor today-the favor of a prayer to the Holy Ghost. I beseech all of you to ask the spirit of understanding to fill me with prudence; and the spirit of fortitude to give me strength and courage to carry on the battle against the hidden powers of darkness-perhaps not quite so hidden

today as yesterday. May I also suggest that you will ask your little children who are ignorant of the causes of poverty, wretchedness and exploitation-may I suggest that you ask these innocent children to whisper a prayer for one who fully recognizes how unworthy he is but who fully realizes what a golden opportunity God has given to him to be an instrument for good. You are anxious to know what topics I shall discuss during the insuing year. Roundly speaking, it is my hope that these addresses will be concerned chiefly with Christian social justice. While my ultimate objective is to help more and more men to save their immortal souls, I recognize how difficult it is for man to practice Christian virtue, to live a holy life in peace and contentment, when he and a great group of his fellowmen are denied unjustly an equitable share in the goods and wealth of this world-goods and wealth which our common Father in heaven bestowed upon all men for all men to use and enjoy-goods and wealth, which, alas, have been concentrated in the hands of a few to the detriment of the many because an un-Christian species of social injustice was foisted upon us in the past few centuries and because, as a result of this, an alien philosophy of social injustice, under the name either of Communism or Naziism, is endeavoring to win our allegiance today. Fearlessly, Christian social justice challenges these several systems for the attention and the support, in this instance, of the American public-a public composed of persons who, despite their many faults and shortcomings, will never surrender the heritage of Bethlehem, of Pilate's hall, of Calvary Hill or of the Easter morning sepulchre from whose empty depths there echo and re-echo the immortal words, "I am the Resurrection and the Life." Fortified with these precious heritages it is our hope to carry on a campaign of instruction and inspiration even though we find ourselves opposed by the rugged individualists on the right and by the unchristly radicals on the left. It is our hope to convert a zealous band of followers into a group of active Christians-. Christians who, by the sincerity of their lives and the logic of their doctrines shall win millions of followers who are convinced that there is no way other than Christ's way for saving America and restoring prosperity and peace for all. My friends, at the outset, permit me to clarify the fundamental doctrine of Christian social justice-the doctrine that differentiates it from every other plan of life proposed for man to follow. It is this: Christ came on earth not only to redeem and save individuals but also to establish an absolutely new social order. Recognizing the chaotic condition of society in His own time; aware of the universal slavery practiced virtually by every nation; and conscious of the spiritual darkness which had encompassed every kingdom, empire, republic and tribe, our Saviour well understood that man, left to his natural abilities, was unable to acquire peace and prosperity in this world and save his immortal soul in the hereafter.

Although most Christian women wear several hats covering many responsibilities, many have little time to fulfill their desire to be of service to the Lord and others. Have you ever wished that you could do more than you are doing right now for the Lord? Have you ever thought about serving in your church community but nothing seems to fit your time frame or abilities? Whether you are a wife, mother, partner to your spouse, sole breadwinner, or even a career woman, most Christian women have a heart for serving the Lord. However, women often do not know where to start even though they may have a deep longing to serve God and others or to bring

Christ's message to those who don't know him. This book will show women the importance of and the ease of engaging in Active Relational Christian Mentoring (ARCM). Through true mentoring stories, the author also explains and demonstrates the importance of Christ being at the center of all mentoring relationships. Having Christ at the center of the braided three-strand cord of mentoring means positive, meaningful, and loving help is there for both the mentor and mentee. The three-strand cord of ARCM also provides a caring and efficient way for Christian women to support, encourage, enlighten, and empower other women through the development of godly mentoring relationships. It is through their personal relationships that women are given the opportunity to shine the light of Christ on others. You can do it! You can mentor another woman for the Lord!

Sequin Sparkle and Change Bible: Rainbow

The Book of Isaiah is very Rich with Metaphors and Similes, if you are in Love with them, or not; but, most Poor People are not: beCause the Metaphors are far too "Foggy" for them to Understand, which Means that they must Practice Reading all such Books, just to get a Good Understanding of them. At any rate, this Version of Isaiah is by far the Best in the World, and is Rated as "Extremely Good" by Well-Educated People. Therefore, it is a "must read" Book, if anyone is Interested in Actually Understanding the Bible. Most People are not; but, that is not a Problem: because most People were not Born to be Masters. Indeed, most were Born to be Good Servants of Good Masters, which is Good: because the Masters are like the Head of the Body of Good Government, which Body must have many other Working Parts and Organs, just to Function Correctly as a Body. Therefore, do not let the Hands Despise the Eyes: beCause, what could the Hands Do without Eyes to Guide them, even if the Eyes belong to some other Person, who can See what is Needed. We suggest that Readers of this Inspired Book take their Sweet Time, and read only a few Chapters each Day, and do not attempt to read the entire Book during one Day, even though it will be Tempting to Finish it, quickly, just to Discover those Precious Parts that make it so Famous and Controversial among Religious Scholars, some of whom are very Perplexed by it: because no one can Rightly Deny that God, himself, is Speaking through "Isaiah," who may have been Reincarnated! Indeed,

there is the Possibility of it; but, do not let that "Buck you Out of the Saddle," as a Cowboy might say. Remember that this is a Companion Book of: "The New MAGNIFIED Version of The Book of MOORMUN!" (The Story of the White and Dark Indians in the Americas!), Book 040, which is perhaps the Best Modern Book in the whole World! Yes, unlike the Mutilated Bible, the Book of Mormon is much more Understandable, being "a New Revelation from God," you might say; but, it is nothing quite as Enlightening as the New MAGNIFIED Version, which most Definitely contains New Revelations from the Supreme Ruler of this Heaven and Earth. Therefore, do not let the Sun Set on another Day of Deprivation; but, PLEASE, for your own Sake, Educate yourself with all such Good Books: beCause that is True Wisdom on your part, which will make you Glad that you did. Guaranteed!

Do you know that you were well thought out in the mind of God? Do you know you were not a by-chance product? Do you know you have a God purpose? Created On Purpose For Purpose holds the keys that will unlock all the answers and equip you to walk out your God purpose! Everyone has a sense that they were born for a purpose. But there is something more than just a purpose. The God purpose was designed specifically for you, and it's your responsibility to live out this assignment! From her own experience in discovering her God purpose, author Lisa Singh has outlined the steps to take to discover your God purpose. This easy-to-read guide will instruct you to explore why God designed a special purpose for you and how you can come to understand it. Once you know your place in the world, you can begin to live your purpose and thereby bless not only yourself, but the world you live in. Realize who you are and learn practical applications for victorious, fulfilling living. Whether studying alone or in a small Bible study, you'll find the tools you need to find your God purpose and start living your life the way it was intended to be lived—on purpose!

Venerated as god and goddess, feared as demon and pestilence, trusted as battle omen, and used as a proving ground for optical theories, the rainbow's image is woven into the fabric of our past and present. From antiquity to the nineteenth century, the rainbow has played a vital role in both inspiring and testing new ideas about the physical world. Although scientists today understand the rainbow's underlying optics fairly well, its subtle variability in nature has yet to be fully explained. Throughout history the rainbow has been seen primarily as a symbol&—of peace, covenant, or divine sanction&—rather than as a natural phenomenon. Lee and Fraser discuss the role the rainbow has played in societies throughout the ages, contrasting its guises as a sign of optimism, bearer of Greek gods' messages of war and retribution, and a

symbol of the Judeo-Christian bridge to the divine. The authors traverse the bridges between the rainbow's various roles as they explore its scientific, artistic, and folkloric visions. This unique book, exploring the rainbow from the perspectives of atmospheric optics, art history, color theory, and mythology, will inspire readers to gaze at the rainbow anew. Discovery in the Desert is the first book in Tom Thiele's Discovery Series. When asked about religious affiliation, do you describe yourself as a Christian? Do you wonder about heaven? When someone knows that they are a good person, does that mean that they are a heaven-bound Christian? That is exactly how David Hart saw himself before his discovery in the desert. David Hart, a young, bright NASA physicist is chosen to join a team of other NASA scientists assigned to a Classified Military Project. The team is formed to bring a new, cutting edge technology to the United States military-Time Travel. Initially great strides are made in developing a time travel capsule, and then the team hits a brick wall. Once the obstacle becomes common knowledge at NASA, the project transforms from one of prestige and glamor to one of embarrassment. The slowed progress grates on David's patience. Then he decides to do the unthinkable! Join David on this adventure of a lifetime as he realizes that not only has he been chosen to be on this NASA team, but he has been chosen for a much more significant task. A task, that once accomplished, will change David's life forever.
