*London is poised on the brink of World War 11. Timid, scrawny Willie Beech -- the abused child of a single mother -- is evacuated to the English countryside. At first, he is terrified of everything, of the country sounds and sights, even of Mr. Tom, the gruff, kindly old man who has taken him in. But gradually Willie forgets the hate and despair of his past. He learns to love a world he never knew existed, a world of friendship and affection in which harsh words and daily beatings have no place. Then a telegram comes. Willie must return to his mother in London. When weeks pass by with no word from Willie, Mr. Tom sets out for London to look for the young boy he has come to love as a son.*

Good Night Fish

Good Night, Mr. Tom

Planes

From the author of the breakout thriller Every Last Fear, comes Alex Finlay’s electrifying next novel The Night Shift, about a pair of small-town murders fifteen years apart—and the ties that bind them. One of the Best or Most Anticipated Books of 2022: Newsweek • PopSugar • E! News • Goodreads • Book Riot • BookBub • The Nerd Daily • SheReads • Novel Suspense • Crime by the Book • London Times A Library Reads Selection—Best Book Voted By Librarians for March 2022 “The night was expected to bring tragedy.” So begins one of the most highly-anticipated thrillers in recent years. It’s New Year’s Eve 1999. Y2K is expected to end in chaos: planes falling from the sky, elevators plunging to earth, world markets collapsing. A digital apocalypse. None of that happens. But at a Blockbuster Video in New Jersey, four teenagers working late at the store are attacked. Only one inexplicably survives. Police quickly identify a suspect, the boyfriend of one of the victims, who flees and is never seen again. Fifteen years later, more teenage employees are attacked at an ice cream store in the same town, and again only one makes it out alive. In the aftermath of the latest crime, three lives intersect: the lone survivor of the Blockbuster massacre who’s forced to relive the horrors of her tragedy; the brother of the fugitive accused, who’s convinced the police have the wrong suspect; and FBI agent Sarah Keller who must delve into the secrets of both nights—stirring up memories of teen love and lies—to uncover the truth about murders on the night shift. Twisty, poignant, and redemptive, The Night Shift is a story about the legacy of trauma and how the broken can come out on the other side, and it solidifies Finlay as one of the new leading voices in the world of thrillers.

The same team that brought you Where Do Diggers Sleep at Night? and Where Do Steam Trains Sleep at Night? have created another high-flying bedtime story—this one for plane enthusiasts! Have you ever wondered what little airplanes do when it’s time for bed? Jumbo jets, biplanes, helicopters—even Air Force One!—power down, wash up, and listen to stories with mommy and daddy planes beneath a blanket of stars, getting ready to fly to dreamland. Little airplane lovers will be tickled to see how bedtime is just the same for their favorite flying vehicles as it is for them, as they come down to earth for sleepy time. “Combining a quiet, nocturnal story with the ever popular subject of flying machines, this is a nifty bedtime book for budding aviators.” —Kirkus Reviews

Audisee® eBooks with Audio combine professional narration and text highlighting for an engaging read aloud experience! What do you need to know before flying on a plane? Lively photos and age-appropriate text will help prepare you for the exciting experience of taking your first flight. Critical thinking questions, a photo glossary, and other features keep readers engaged while introducing them to nonfiction reading skills.

Good Night Books explores storybooks, picture books, pop-up books, animal books, science books, school books, fairy tales, libraries, bookstores, book mobiles, big books, small books, hard- and soft-covered books, and more. This educational and enriching board book delves into the fascinating world of books, detailing everything from learning institutions to every type of book imaginable. Read on! This book is part of the bestselling Good Night Our World series, which includes hundreds of titles exploring iconic locations and exciting themes.

Good Night Central Park

A Scientific Parody

*Follow the powerful story of fighter aircraft—from the earliest six-winged inventions used during World War I right up to modern supersonic stealth fighters. Along the way, explore inside the cockpit of a Supermarine Spitfire, the engine of the jet-powered Messerschmitt Me 262, and the inner workings of the Lockheed Martin F-35 Lightning. From dogfight tricks to ejector seats, learn how fighter plane technology and strategy have developed throughout military history, and see life through the eyes of a fighter pilot.*

*This soothing nighttime board book takes young readers on exciting and educational tour of the great state of Missouri. Young children will explore all the fascinating sites this state has to offer including the mighty Mississippi, St. Louis Arch, Grant's Farm, SEA LIFE Aquarium, St. Louis Zoo, Hannibal, sports teams, Lake of the Ozarks, City Museum, Silver Dollar City, Route 66, and more.*

*A totalitarian regime has ordered all books to be destroyed, but one of the book burners suddenly realizes their merit.*

*Take the train to dreamland with this board book version of the chugging bedtime tale, the perfect companion to Where Do Diggers Sleep at Night? and Where Do Jet Planes Sleep at Night? Have you ever wondered what little trains do when it’s time for bed? Same things you do! Steam trains, freight trains, subways—and more!—wash up, have a snack, load their teddies for storytime, and get rocked to sleep by mommy and daddy trains beneath a blanket of stars. Little one-track-mind train lovers will be tickled to see how bedtime is just the same for their favorite vehicles as it is for them. “Train lovers will be sure to take this bedtime read for a ride.” —School Library Journal*

*Many of North America’s most beloved regions are artfully celebrated in these boardbooks designed to soothe children before bedtime while instilling an early appreciation for the continent’s natural and cultural wonders. Each book stars a multicultural group of people visiting the featured area’s attractions—such as the Rocky Mountains in Denver, the Georgia Aquarium in Atlanta, Lake Ontario in Toronto, and volcanoes in Hawaii. Rhythmic language guides children through the passage of both a single day and the four seasons while saluting the iconic aspects of each place. Covering many of the state’s most interesting places and features, including Mount Rainier, Spokane, Olympia, the Pacific Ocean, Puget Sound, Olympic National Park, volcanoes, the Cascade Range, the Hoh Rain Forest, Point Defiance Zoo and Aquarium, Seattle’s Space Needle and Pike Place Market as well as celebrated activities like fishing and camping, this book is a celebration of all things that make Washington state such a special place.*

*One of the first books in the Good Night series to focus on a general environment rather than a specific geographic location, this vividly illustrated board book follows a multicultural group of people during a trip to the zoo. Designed to soothe children before bedtime with rhythmic language while instilling an early appreciation for the wonders of the natural world, this book features adults and children experiencing all that the zoo has to offer while guiding readers through both the passage of a single day and the four seasons.*

*North America’s most beloved regions and sites are artfully celebrated in our board book series, which is designed to soothe children before bedtime while instilling an early appreciation for the continent’s natural and cultural wonders. This board book celebrates Central Park with rhythmic language that guides children through the passage of both a single day and the four seasons. From the statues to the street performers, these colorful pages explore the most interesting aspects and features of Central Park, including the zoo, the various pools and ponds, Lasker Rink and Pool, and the Conservatory Garden. Visitors to the Big Apple or children who call New York City home will love reading about the famous urban park.*

*Pilotless Planes or “drones” have become an important aspect of modern military operations. Developed for espionage and warfare, pilotless planes are also used for public safety issues and can reduce injury or death rates for pilots. Glossary, additional resources and index. Every great invention begins with a great idea! Read all the books in this series and learn about the history and impact of some of the most fascinating innovations and inventions of our time. Explore the idea’s early stages of development, problems encountered along the way, and how each great idea has influenced our lives. From popular culture and the environment to life-saving machines, learn about the ideas, people, and technologies that made it all happen. This series correlates with The Science, Technology, Engineering, and Math (S.T.E.M.) curriculum initiative.*
