My dog likes to disco on TikTok for fun. He'd rather start dancing than go for a run... Former Children's Poet Laureate Kenn Nesbitt, possibly the funniest poet ever to wield a pen, is back with more of the impossible poems, outrageous rhymes, and absurd wordplay that kids can't stop reading. My Dog Likes to Disco unleashes seventy new poems about disco-dancing dogs, invisible kids, misbehaving phones, preposterous people, and much, much more. From the creator of the world's most popular poetry website for children, poetry4kids.com, My Dog Likes to Disco includes many of the most popular poems Kenn Nesbitt has ever written, including "I Made a Meme this Morning," "My Flat Cat," and "Our Dog's Name is Roomba." Reviews Irrepressible, unpredictable, and raucously popular children's poet Kenn Nesbitt was spawned in the same cracked petri dish as Jack Prelutsky, to whom he is the natural heir. (J. Patrick Lewis, US Children's Poet Laureate, author of Please Bury Me in the Library) Kenn Nesbitt wrote a book of poems A funny one I think. And though it's colored black and white Watch it tickle you PINK! (Douglas Florian, author and illustrator of Comets, Stars, the Moon, and Mars: Space Poems and Paintings) Kenn Nesbitt's brain is the clown car of children's poetry. I don't know how they all fit in there, but they keep tumbling out, one after another, each one funnier than the one before it. (Eric Ode, poet and songwriter. Author of When You're a Pirate Dog and Other Pirate Poems) Fans of Kenn Nesbitt will gobble up this new offering, which combines his infallible command of rhyme scheme with the hilarious--yet oddly contemplative--wisdom of a child pondering the world. (Joyce Sidman, author of Swirl by Swirl: Spirals in Nature)

Dreams are the currency of Okri's writing, particularly in this first book of poems, An African Elegy, but also in his books of short stories and prize-winning novel The Famished Road. Okri's dreams are made on the stuff of Africa's colossal economic and political problems, and reading the poems is to experience a constant succession of metaphors of resolution in both senses of the word. Virtually every poem contains an exhortation to climb out of the African miasma, and virtually every poem harvests the dream of itself with an upbeat restorative ending' - *Giles Foden, Times Literary Supplement*

Introduction to Financial Mathematics

A collection of 40 short poems by a long time poet. Called 'relentlessly dramatic' by one reader, and 'perfectly put together' by another. A short poem doesn't leave room for error. You must condense everything down to one point, and economically yet dramatically aim for it. You either make it, or you miss it.

Here is a book as joyous and painful, as mysterious and memorable, as childhood itself. I Know Why the Caged Bird Sings captures the longing of lonely children, the brute insult of bigotry, and the wonder of words that can make the world right. Maya Angelou's debut memoir is a modern American classic beloved worldwide. Sent by their mother to live with their devout, self-sufficient grandmother in a small Southern town, Maya and her brother, Bailey, endure the ache of abandonment and the prejudice of the local "powhitetrash." At eight years old and back at her mother's side in St. Louis, Maya is attacked by a man many times her age—and has to live with the consequences for a lifetime. Years later, in San Francisco, Maya learns that love for herself, the kindness of others, her own strong spirit, and the ideas of great authors ("I met and fell in love with William Shakespeare") will allow her to be free instead of imprisoned. Poetic and powerful, I Know Why the Caged Bird Sings will touch hearts and change minds for as long as people read. "I Know Why the Caged Bird Sings liberates the reader into life simply because Maya Angelou confronts her own life with such a moving wonder, such a luminous dignity."—James Baldwin From the Paperback edition.

Mathews Phosa developed his love for poetry as a young boy growing up in rural Mpumalanga and Limpopo. Mostly written while in exile as the commander of an MK unit, Chants of Freedom vividly recreates the feelings of anger, defiance, frustration, shame, pain and ultimately hope that characterised the exiles' experience of the struggle to abolish apartheid in South Africa. Writiing in a lyrical style, Phosa addresses such themes as oppression, violence, death and hatred, and recalls the atrocities and tragedies of the migrant-labour system, the murders of innocent children, the detentions without trial, the bannings and the state-sanctioned executions that characterised the apartheid era. He recalls the influences on his life, from his grandparents to struggle leaders, and pays tribute to the role played by women and the youth in the liberation struggle. He celebrates the victory over apartheid and eulogises all those who contributed to the fight for democracy, black and white. Chants of Freedom provides raw, powerful and unprecedented insight into the consciousness of a freedom fighter, and ultimately reveals his humanity.

This selection of the earliest poems in English comprises works from an age in which verse was not written down, but recited aloud and remembered. Heroic poems celebrate courage, loyalty and strength, in excerpts from Beowulf and in The Battle of Brunanburgh, depicting King Athelstan’s defeat of his northern enemies in 937 AD, while The Wanderer and The Seafarer reflect on exile, loss and destiny. The Gnostic Verses are proverbs on the natural order of life, and the Exeter Riddles are witty linguistic puzzles. Love elegies include emotional speeches from an abandoned wife and separated lovers, and devotional poems include a vision of Christ's cross in The Dream of the Rood, and Caedmon’s Hymn, perhaps the oldest poem in English, speaking in praise of God.

Dancing with Hyenas is a tour-de-force that blends excellent prose with fact-driven stories to give a fresh perspective of the black struggle against the oppressive conditions of apartheid South Africa. The reader is taken 'behind the scenes' to conversations and strategy sessions in which successive generations of black youths are conscientized about the ideals of the liberation struggle. In the book, author Mzi Mahola tells the stories in evocative, authentic, and thought-provoking narrative. Elsewhere he recounts the deep soul-searching exchanges among the black youth about the goals and efficacy of the Black Consciousness Movement in advancing cause of black liberation. His accounts are remarkably accurate, especially given the fifteen-year range over which the book is written. What is most refreshing about Dancing with Hyenas is the emic perspective it takes since most of the books on the topic are written by outside observers. This is a one-of-a-kind book- amust-read for any interested in learning from indigenous blacks how they were able to make meaning of the lives while confronted by vagaries and vicissitudes of that vicious system, which was finally brought down in the early 1990s.

Dancing with Hyenas is a bout rites of passage of a young man hurled into maturity in a troubled land. Mzikayise Mahola conveys the story choosing words with the precision and dexterity of a poet, recalling events and painting them with the skill reserved for great story tellers. The book enthralns as it enables the reader to journey with Lizo through the labyrinth of dark paths in a perilous South Afica. We do not know how he will, survive the wrath of the system whose cultures always hover with devilish zeal and sickening patience. Lizo thrives in a world that betrays talented and ambitious youth. Mahola lucidly captures the snippets of history, sharing hopes and shattered dreams in the trapping of the old South Africa. Indeed, this book is a piece of history that exemplifies how many young people experienced the rough ride into brittle futures.

The SALRM 2011 provides a rich source of information on a range of language-related subjects. A prominent issue remains the changing of street and place names, including the Pretoria/Tshwane and Louis Trichardt/Makhado sagas. Language in education remains a thorny issue; as medium of instruction at school and tertiary level, and the proposal that passing an African language should be a requirement in order to obtain a tertiary degree in South Africa. In terms of language legislation, the draft version of the National Language Act was proposed. The language of record in courts also received attention in the media.

Maya Angelou's unforgettable collection of poetry lends its name to the documentary film about her life, And Still I Rise, as seen on PBS's American Masters. Pretty women wonder where my secret lies. I'm not cute or built to suit a fashion model's size But when I start to tell them, They think I'm telling lies. I say, It's in the reach of my arms, The span of my hips, The stride of my step, The curl of my lips. I'm a woman Phenomenally. Phenomenal woman, That's me. Thus begins “Phenomenal Woman,” just one of the beloved poems collected here in Maya Angelou’s third book of verse. These poems are powerful, distinctive, and fresh—and, as always, full of the lifting rhythms of love and remembering. And Still I Rise is written from the heart, a celebration of life as only Maya Angelou has discovered it. “It is true poetry she is writing,” M.F.K. Fisher has observed, “not just rhythm, the beat, rhymes. I find it very moving and at times beautiful. It has an innate purity about it, unquenchable dignity. . . . It is astounding, flabbergasting, to recognize it, in all the words I read every day and night . . . it gives me heart, to hear so clearly the caged bird singing and to understand her notes.”

A #1 NEW YORK TIMES BESTSELLER! Featured in its own episode in the Netflix original show Bookmarks: Celebrating Black Voices! National Book Award winner Jacqueline Woodson and two-time Pura Belpré Illustrator Award winner Rafael López have teamed up to create a poignant, yet heartening book about finding courage to connect, even when you feel scared and alone. There will be times when you walk into a room and no one there is quite like you. There are many reasons to feel different. Maybe it's how you look or talk, or where you're from; maybe it's what you eat, or something just as random. It's not easy to take those first steps into a place where nobody really knows you yet, but somehow you do it. Jacqueline Woodson's lyrical text and Rafael López's dazzling art reminds us that we all feel like outsiders sometimes—and how brave it is that we go forth anyway. And that sometimes, when we reach out and begin to share our stories, others will be happy to meet us halfway. (This book is also available in Spanish, as El Día En Que Descubres Quién Eres!)
