

Grammar And Beyond 1 Workbook

Based on extensive research, *Grammar and Beyond* ensures that students study accurate information about grammar and apply it in their own speech and writing. The *Grammar and Beyond Teacher Support Resource Book with CD-ROM, Level 2*, provides suggestions for applying the target grammar to all four major skill areas, helping instructors facilitate dynamic and comprehensive grammar classes; an answer key and audio script for the *Student's Book*; a CD-ROM containing ready-made, easily scored Unit Tests, as well as 32 PowerPoint® presentations to streamline lesson preparation and encourage lively heads-up interaction.

This Greek grammar text integrates the technical requirements for proper Greek interpretation with the actual interests and needs of Bible Students. It is the first textbook to systematically link syntax and exegesis of the New Testament for second-year Greek students.

The Basics of New Testament Syntax provides concise, up-to-date guidance for intermediate Greek students to do accurate exegesis of biblical texts. Abridged from *Greek Grammar Beyond the Basics: An Exegetical Syntax of the New Testament*, the popular exegetical Greek grammar for studies in Greek by Daniel B. Wallace, *The Basics of New Testament Syntax* offers a practical grammar for second-year students. The strengths of this abridgment will become quickly apparent to the user:

- It shows the relevance of syntax for exegesis and is thoroughly cross-referenced to Exegetical Syntax.
- It includes an exceptional number of categories useful for intermediate Greek studies.
- It is easy to use. Each semantic category is discussed, and a definition and key to identification are provided.
- Scores of charts and tables are included to enable the intermediate student to grasp the material quickly.

Grammar and Beyond Level 4 Workbook

For the Sixth Form and Beyond

Grammar and beyond

Based on extensive research, *Grammar and Beyond* ensures that students study accurate information about grammar and apply it in their own speech and writing. This is the first half of *Student's Book, Level 4*. The *Student's Book* is the main component of *Grammar and Beyond*. In each unit, students study the grammar in a realistic text and through charts and notes informed by a billion-word corpus of authentic language. The exercises provide practice in reading, writing, listening, and speaking, making this a complete course. Students learn to avoid common mistakes, based on an extensive corpus of learner language. Each unit concludes with a Grammar for Writing section, in which students apply the grammar in an extended writing task.

Bangkok Express is an often hilarious, always dangerous, fast moving tale of the tricks and turns in an exotic land where what meets the eye often fools, if not confuses, the observer. Joe leaves behind a life of commuter trains, a messy divorce, and an egotistical boss to undertake an assignment that changes his life forever. For Joe, Thailand is a private investigator's hardest challenge. A land where women, drink and drugs come with no warning attached and nothing is what it seems. Can Joe untangle a web of corruption and lies and write the report that the "suits" want to see? Or is there something else on offer, something that will bring more happiness than that of a "job well done"? Bangkok Express is a beautifully bizarre, exotic novel that will leave the reader feeling like they just stepped off a fast moving train in the world's most exciting city.

Grammar is an essential element of language learning. Yet it can be hard to teach and difficult to learn. Oxford surveyed over one thousand teachers to find out the biggest challenges facing grammar students. Elements of Success solves those challenges. Level-appropriate charts explain grammar in a clear, simple and highly visual way so that students can readily understand and review the grammar points. The charts have easy-to-understand explanations, manageable sections, and effective use of color making them accessible. Many of the grammar charts include common student errors. Grammar activities point students back to specific sections of the charts, so they know exactly where to look for help. The content is engaging, relevant, and meaningful, capturing students' interest. All the charts, activities, information and pronunciation notes use authentic, corpus-based language based on the 2-billion word Oxford English Corpus so that students learn grammar as it is most likely to be used by a native speaker. Additional Research Says notes, For Your Information notes, and Pronunciation notes throughout Elements of Success provide students with interesting, useful information.

Extensive practice activities ensure students retain their learning, reducing time spent re-teaching the same grammar points. Students are given multiple ways to use the grammar so that they can not only remember it, but are able to apply it. All the grammar practice activities can be adapted to the unique needs of the students and of the classroom. Think about It, Write about It and Talk about It activities are flexible, open-ended activities which integrate listening, speaking, reading, and writing skills, and engaging topic-based activities put grammar in context. Four-skills practice and critical thinking empower students to use language creatively and develop comprehensive language abilities. Elements of Success also allows students to practise anytime, anywhere through Elements Online Practice Plus. This easy-to-use site, designed specifically for English language learners, provides students with all new practice activities and interactive games. Automatic feedback not only gives the right answers but explains why the answers are correct. The integrated discussion board and email tools allow students to communicate with one another. The Online Practice site includes the grammar charts, audio downloads of all the student book audio, and progress reports to show what students have mastered and what they still need help with. The comprehensive teacher's resources for Elements of Success include an easy-to-use learning management system which allows teachers to monitor their students' performance and communicate with their students online. Teachers can download all the resources, including student book answer keys, teaching notes, class audio, and audio scripts. Tests are available in a variety of formats to suit every classroom's unique needs. Teachers can assign automatically-scored online tests or download print-and-go tests or customizable tests. Elements iTools Online enriches students' learning experience and reduces teachers' lesson planning time. Student book on screen engages students with "heads up" instruction, and pop-up photos illustrate grammar points in context and support instruction. On-screen expansion activities promote classroom engagement. Also included are general teaching notes to guide instruction, audio at point of use, extra audio, additional grammar presentations, and links taking you directly to Online Practice.

This second edition updates a course which has proven to be a perfect fit for classes the world over. Engaging content and a strong focus on grammar and vocabulary combine to make this course a hit with both teachers and students. Popular course features have been refreshed with new content, including the imaginative reading and listening topics, 'Culture in Mind', and 'Everyday English' sections. New for the second edition is a DVD-ROM with the Level 1 Student's Book containing games, extra exercises and videos featuring the photostories' characters as well as a 'Videoke' record-yourself function. There is a full 'Vocabulary bank' at the back of the book which expands upon lexical sets learned in the units.

Swahili Grammar and Workbook provides a practical and comprehensive companion to Swahili grammar, filling in gaps left by other textbooks. Presenting the essentials of Swahili grammar in a highly accessible fashion, it reduces complex language topics to helpful rules and mnemonic aids, enabling maximum grammar retention and accurate usage. Grammar points are followed by multiple examples and exercises, allowing students to consolidate and practice their learning. No prior knowledge of linguistic terminology is required. Key features include: Twenty five language notes covering key topics such as: personal pronouns; the Swahili noun class system; special class combinations; the imperative, the subjunctive, and the conditional moods; the use of comparatives; the use of monosyllabic verbs; the passive form and various other forms of verb extensions; the relative clause Clear, detailed and jargon-free grammatical explanations supported by an assortment of helpful diagrams, charts and tables and many relevant and up-to-date examples A wide range of communication-oriented exercises to reinforce learning and develop students' ability to use Swahili actively Audio files to support pronunciation practice, clearly linked to relevant sections of the book and available for free download at <http://www.routledge.com/books/details/9781138808263/> Four appendices, Swahili-English and English-Swahili vocabulary lists, a bibliography and an index presented at the back of the book for easy access to information. Written by a highly experienced instructor, Swahili Grammar and Workbook will be an essential resource for all students and teachers of Swahili. It is suitable for use both as a companion reference text in language courses and as a standalone text in independent grammar classes.

Fix It! Grammar: the Nose Tree [Book 1 Teacher/Student Combo]

Grammar Explorer 1

NEW YORK TIMES BESTSELLER • A sharp, funny grammar guide they'll actually want to read, from Random House's longtime copy chief and one of Twitter's leading language gurus NAMED ONE OF THE BEST BOOKS OF THE YEAR BY O: The Oprah Magazine • Paste • Shelf Awareness "Essential (and delightful)"—People We all write, all the time: books, blogs, emails. Lots and lots of emails. And we all want to write better. Benjamin Dreyer is here to help. As Random House's copy chief, Dreyer has upheld the standards of the legendary publisher for more than two decades. He is beloved by authors and editors alike—not to mention his followers on social media—for deconstructing the English language with playful erudition. Now he distills everything he has learned from the myriad books he has copyedited and overseen into a useful guide not just for writers but for everyone who wants to put their best prose foot forward. As authoritative as it is amusing, Dreyer's English offers lessons on punctuation, from the underloved semicolon to the enigmatic en dash; the rules and nonrules of grammar, including why it's OK to begin a sentence with "And" or "But" and to confidently split an infinitive; and why it's best to avoid the doldrums of the Wan Intensifiers and Throat Clearers, including "very," "rather," "of course," and the dreaded "actually." Dreyer will let you know whether "alright" is all right (sometimes) and even help you brush up on your spelling—though, as he notes, "The problem with mnemonic devices is that I can never remember them." And yes: "Only goddess savages eschew the series comma." Chockful of advice, insider wisdom, and fun facts, this book will prove to be invaluable to everyone who wants to shore up their writing skills, mandatory for people who spend their time editing and shaping other people's prose, and—perhaps best of all—an utter treat for anyone who simply revels in language. Praise for Dreyer's English "Playful, smart, self-conscious, and personal. . . . One encounters wisdom and good sense on nearly every page of Dreyer's English."—The Wall Street Journal "Destined to become a classic."—The Millions "Dreyer can help you. . . . with tips on punctuation and spelling. . . . Even better: He'll entertain you while he's at it."—Newsday
