take you into primary and intermediate classrooms where students are curious about language, engage with the world around them, and notice and experiment with the conventions all writers use. Instead of chanting grammar rules or completing countless convention worksheets, we invite young writers to explore conventions as special effects devices that activate meaning. Our students study authentic texts and come to recognize these "patterns of power"--the essential grammar conventions that readers and writers require to make meaning. The first part of the book introduces a vibrant approach to grammar instruction and sets up

Skill Builders are great tools for keeping children current during the school year or preparing them for the next grade level. A variety of fun and challenging activities provides students with practice and helps introduce basic skills to new learners. This full-color workbook contains appropriate passages and exercises based on national standards for fifth grade to help ensure that children master grammar skills before progressing. Skill Builders combines entertaining and interactive activities with eye-catching graphics to make learning and reviewing fun and

effective. The compact 6" x 9" size makes this book perfect for school, at home, or on the go. It features 80 perforated, reproducible pages and an answer key.

The first part of the book covers specific parts of speech such as nouns, adjectives, pronouns, verbs, and adverbs as well as the structure of sentences. The last part provides games for a bit of fun, task cards for extra practice, and word banks to save teachers some time. The overall goal is to help students learn enough about grammar to communicate easily and effectively, to evaluate the myriad of messages that surround

them, and to function successfully in business and society.
