

Grammar To Go

The Let's Go course combines a carefully controlled grammatical syllabus with functional dialogues to produce practical, natural-sounding American English. The Activity Books (also available as part of the Activity Packs) offer exercises that are a bit more challenging than those in the Let's Go Workbooks and provide additional reading, writing, and listening practice.

Brief and basic in its coverage, GRAMMAR TO GO, 5th Edition, offers students a unique focus on sentence diagramming that helps them visualize and understand how words connect. Perfect as a primary text or as a supplement for courses with an emphasis on learning basic grammar and punctuation skills, this edition incorporates a wide range of material to help students hone their skills, including additional “GrammarSpeak” features (which provide guidance on common errors in daily speech and writing); a new “Write Now” feature in each chapter that offers a specific writing topic for paragraph development while focusing on the grammar lessons of the chapter; and more integrated exercises on interesting topics from sports to history to the arts.
