**Weekly homework sheets give students practice in key writing skills and conventions of print. Many of us grimace when faced with grammar exercises. But in order to communicate with others, pass tests, and get your point across in writing, using words and punctuation effectively is a necessary skill. It's a fact that in our life today, good communication skills-including writing-are essential. The good news is that grammar and writing skills can be developed with practice.**

designation to accommodate students working above or below grade level. Students are required to read passages embedded with errors of grammar, usage, mechanics, content, and organization. They are then given multiple-choice questions designed to help them recognize and correct these mistakes. These exercises will help students to better understand the essential skills of finding and correcting editorial problems and revising writing appropriately. Students will soon be on their way to becoming more knowledgeable about these two very important steps in the writing process. Hours of practice on skills leading to editing and revising mastery. High-interest passages embedded with most the common errors of grammar, usage, mechanics, content, and organization. Multiple-choice questions after each passage help students find,
