

Grandpas Box Retelling The Biblical Story Of Redemption

It seems like a dream come true . . . until it forces her to question everything. Brielle Adebayo is fully content teaching at a New York City public school and taking annual summer vacations with her mother to Martha's Vineyard. But everything changes when her mom drops a bombshell--Brielle is really a princess in the island kingdom of Ọlọrọ Ilé, off the coast of Africa, and she must immediately assume her royal position, since the health of her grandfather, the king, is failing. Distraught by all the secrets her mother kept, Brielle is further left spinning when the Ọlọrọ Ilé Royal Council brings up an old edict that states she must marry before her coronation, or the crown will pass to another. Brielle is uncertain if she even wants the throne, and with her world totally shaken, where will she find the courage to take a chance on love and brave the perils a wrong decision may bring? "Shiloh brings all the feels to In Search of a Prince. This romance with a touch of mystery will stay with you long after The End."--New York Times bestselling author RACHEL HAUCK "Beautifully weaving together fairy tale and reality, In Search of a Prince gives us the modern princess we've been waiting for. I enjoyed every moment."--BETHANY TURNER, award-winning author of Plot Twist

Fleeing with Moses from captivity in Egypt, twelve-year-old Tirzah learns a song of hope as she tries to survive to reach the promised land.

Actor Kirk Douglas provides his favorite stories about heroic Biblical figures, including Rebecca, Joseph, and Miriam.

Combines the story of Jabeth, a Cro-Magnon boy living in a cave during the Ice Age following Noah's flood, with information about Ice Age life from a creationist perspective.

Looks at the reasons the woolly mammoths disappeared at the end of the Ice Age and describes life at the end of the Ice Age.

Offers a collection of Bible stories from the Old and New Testaments, discussing some of the lessons that can be learned from each one.

Supplies two needs: (1) profitable, useable material for family devotions and (2) a practical guide for parents helping their children learn the catechism.

In 2008, Cliff Richard will be celebrating 50 years in show business. As part of these celebrations, Lion Children's Books has been specially commissioned by the Cliff Richard Organisation to produce a book and CD package of Cliff Richard's 50 favourite Bible stories, which have been brought together in this colourfully presented hardback to make not only a special commemorative item but a book that can be enjoyed every day. These stories are retold by acclaimed writer and dramatist Brian Sibley and read aloud by Cliff himself for a whole new generation of young ones to enjoy. Stylish and witty illustrations by Stephen Waterhouse make the book a visual treat to enjoy while reading or listening.

Wondrous Works of God

Lucy's Christmas

Much-Afraid had been in the service of the Chief Shepherd, whose great flocks were pastured down in the Valley of Humiliation. She lived with

her friends and fellow workers Mercy and Peace in a tranquil little white cottage in the village of Much-Trembling. She loved her work and desired intensely to please the Chief Shepherd, but happy as she was in most ways, she was conscious of several things which hindered her in her work and caused her much secret distress and shame. Here is the allegorical tale of Much-Afraid, an every-woman searching for guidance from God to lead her to a higher place.

How are parents to raise children so they don't become Pharisees (legalists) or prodigals (rebels)? It's all about grace-filled, gospel-driven parenting, says the mother/daughter team of Elyse Fitzpatrick and Jessica Thompson. Christian parents, in their desire to raise godly children, can drift toward rule-centered discipline. There is, however, a far more effective method—a grace-motivated approach that begins with the glorious truth of God's love for sinners. In *Give Them Grace*, parents will learn how to connect the benefits of the cross—especially regeneration, adoption, and justification—to their children's daily lives. Chapters address topics such as our inability to follow the law perfectly, God's forgiveness and love displayed at the cross, and what true heart obedience looks like. Fitzpatrick and Thompson also discuss discipline, dealing with popular culture, and evangelism as a way of life. Parents will find this book a great resource for raising grace-filled, Jesus-loving kids.

Dylan loves his family's yearly vacation to Holiday and wishes it could last all year. When he finds a flyer asking if he'd like to keep Holiday, he encounters a bigger and better Holiday than the one his family has always visited; he also learns that entering it requires the Founder's authorization. Thus begins Dylan's quest to meet the one of whom people keep saying: "You can't find the Founder; he finds you./He's not just the Founder, he's the Finder too." As Dylan reads of Holiday's origins, he experiences a number of adventures and meets characters who represent the sights and sounds he always finds in Holiday—characters who explain how each of these familiarities points to the Founder's previous rescue of the city's inhabitants. And the more Dylan learns, the more he longs to personally know the one who holds the key to entering the "real Holiday." Writing for elementary-age children and older, author, teacher, and grandmother Starr Meade offers a book that families can read together, discovering along with Dylan how God brings a person to faith. *Keeping Holiday* is also a charming, insightful way to help children grasp the meaning of the Incarnation.

In order to persuade a child to take her bitter-tasting medicine when she is sick, her grandfather tells her a story in which a prince saves the people from sin by drinking from a poisoned fountain.

Lost Books of the Bible For Dummies is your one-stop guide to once-hidden works that add a new dimension to Biblical teachings. Most people have heard about the discovery of strange ancient religious writings that are not part the Hebrew Bible or the New Testament, such as the Gnostic Gospels. Now, you will find new insights and a

fresh perspective on long-lost works that may have once been in the running for Biblical inclusion, but didn't make the final cut. This easy-to-understand guide examines the sometimes weird, provocative, and profoundly moving texts that have been "lost" as well as those hotly debated works that are in some Bibles and not others. You will come away with a clearer understanding of the Judeo-Christian religion and the development of the Biblical canon. You'll learn about the origins of the Bible, explore early scriptures, and understand why translations affect the meanings of texts. You'll even learn how the Greek influenced early Biblical writing. Find out how to: Explain what the term "lost books" means Understand the definition of "canon" Take translation differences into consideration Divide early writings into style categories Take another look at scripture with the Dead Sea Scrolls See how the Greeks influenced early scripture Decode apocalyptic visions Complete with a list of ten of the weirdest Jewish lost books, ten of the weirdest Christian lost books, ten sayings of Jesus NOT in the Bible, and ten "lost books that every student of the Bible should read, Lost Books of the Bible For Dummies is your one-stop guide to understanding and reading the Biblical lost books.

Grandpa's Box Retelling the Biblical Story of Redemption P & R Publishing

"It was a wooden box, simply made. 'I guess you could call it my war chest,' Grandpa said. As the children peered into the box, they saw many small figures-animals, people, and objects of all kinds. A number of them were carved from wood."

Specifically, it is about the present evil age that we live in right now. For many Christians, the expression these last days refers to the time right before the second coming of Christ-but according to the apostles, the last days started with the first coming of Christ and continue even today.

The Bible tells a story. The events of the Bible are exciting and awe inspiring, but often the story can get lost among the laws, genealogies, and poetry. Here, Dr. William Marty retells the entire story of the Bible in one easy-to-read, chronological account. All the stories you remember, and many of those you don't, are part of one grand narrative. It's the page-turning story of God's pursuit

of you--one you'll want to read again and again. Now fully illustrated.

"Take care of the little riders," says Johanna's father to the eleven-year-old when he leaves her with his parents for an extended vacation in their Dutch village. And Johanna does. She loves the twelve metal figures on horseback who ride forth each hour from the clock on the ancient church tower. She would do anything to protect them, anything. And on night she risks her life to prove it. Set during the Second World War when the German army occupied Holland, *The Little Riders* is an exciting, moving adventure story, just right for reading aloud.

This is a heartwarming retelling of a wonderful old fable about a young boy who made a sailboat, lost it, and bought it back---just as God did for us.

Within one of the Old Testament's most famous battles lies one of the most tender love stories. Hidden within the battle of Jericho is the story of Rahab, a beautiful and brave young Canaanite woman who aided the Israelites by hanging a piece of scarlet cord from a window. This act of faith changed her life by placing her in the genealogy of Christ. Rahab is the youngest daughter of a Canaanite farmer, taken to Jericho for the pagan New Year so her father can find her a wealthy spouse. Sala, the Israelite boy who had once saved her from being kidnapped, is also in Jericho. When the two young people meet again they admit their love for one another, but their different religions make marriage impossible. Their love story plays out against the background of Jericho's pagan rites. It is only when the One True God of Israel comes into Rahab's life—and she realizes what He is calling her to do—that she and Sala can come together. Witness Rahab as a young woman determined to find her destiny as she follows her heart toward true love . . . and the One True God. "Wolf (A Reluctant Queen) holds our interest by skillfully conjuring up a fascinating version of Rahab's story, successfully persuading us that the story is far more complex than merely a "scarlet cord." The award-winning children's storytelling podcast, Circle Round, shares some of their most popular folktalks in the new Circle Round book series, with each interactive book featuring a colorfully-illustrated read-aloud story accompanied by storytelling prompts that explore an important theme. A Taste of Honey, a story with roots in India, invites kids to explore the value of learning to use your smarts and develop confident problem-

solving abilities. The rich, colorful illustrations of Indian illustrator Chaaya Prabhat bring to life the narration of Circle Round host and writer, Rebecca Sheir.

Nature reveals majestic truths about God—truths that help us know him better. God's Mighty Acts in Creation helps children recognize those wonders, and what they tell us about their Creator. As Starr Meade, author of Mighty Acts of God, guides young readers through the six days of creation, she points to how creation displays the wisdom and power of God. She also helps readers explore and apply other references to nature in the Bible by answering questions such as: What did Jesus mean when he claimed to be the true vine? How is all flesh like grass, and how should that affect the way we live? What was God revealing about himself when he made the sun stand still for Joshua? Each reading includes a key verse, stimulating questions, and engaging activities, all geared toward elementary-aged children. Whether parents use this book for family devotions or children read it for themselves, all will learn how God's glory, wisdom, sovereignty, and power are revealed in all of creation. This is a companion volume to God's Mighty Acts in Salvation.

...that they may have the full riches of complete understanding, in order that they may know the mystery of God, namely, Christ, in whom are hidden all the treasures of wisdom and knowledge. — Colossians 2:2-3 The Bible is a treasure chest of wisdom and knowledge. But its most magnificent riches are those that reveal the mystery of God—namely, His Son Jesus Christ. Imagine teaching your children that, day after day, they can discover something new about God and His Son in every page of the Bible—from Genesis to Revelation! What a gift to give them! So send your kids on a treasure hunt in the Word with Caleb and Cassie, where they'll learn some of the important things that the Bible teaches about God's character and how they can apply Scripture to their lives. After each story are questions that will help you evaluate their comprehension and encourage additional conversations with them. You'll be assured that they're learning about God's covenant of grace, and their young hearts will find what fun the quest to know more about God can be.

In this personal account, Lilia Tarawa exposes the shocking secrets of the cult, with its

rigid rules and oppressive control of women. She describes her fear when her family questioned Gloriavale's beliefs and practices. When her parents fled with their children, Lilia was forced to make a desperate choice: to stay or to leave. No matter what she chose, she would lose people she loved. In the outside world, Lilia struggled. Would she be damned to hell for leaving? How would she learn to navigate this strange place called 'the world'? And would she ever find out the truth about the criminal convictions against her grandfather? 'A powerful and revealing book...' The fourth book of The Blackgaard Chronicles series—stories based on classic episodes of the Adventures in Odyssey audio program. The scheming Dr. Regis Blackgaard continues his fevered pursuit of the Applesauce program and access to Whit's End. This time, assisted once again by Richard Maxwell, he recruits one of John Avery Whittaker's young friends, who pays a high price for her gullibility.

A lack of confidence in the clarity or perspicuity of Scripture is apparent in Western Christianity. In this New Studies in Biblical Theology volume, Mark Thompson restates the doctrine of the clarity of Scripture. He surveys past and present objections, engages with contemporary hermeneutical challenges, and expounds the living God as the Guarantor of his accessible, written Word.

Whether you are a parent or a teacher, Starr Meade encourages you to impart a robust knowledge of God to your children from a young age, because a sound theology will prepare them for whatever life has in store. Our kids need to know God in order to grow in love for him and to live for him. When we teach the truths of Scripture to our children, we give them truth to love and live by. Like math, grammar, piano, or soccer, God's Word takes time to learn and understand. Where do parents and teachers begin? Starr Meade will guide you and your children into the core doctrines

of the Christian faith. On your journey together, you will find that teaching kids about God deepens your own understanding. It's never too late to learn, and there's nothing better to give than truth. Book jacket.

A modern-day classic. "The Gospel story for kids" -- p. 4 of cover.

In the fall of 1909, Lucy gets an early start on making Christmas presents for her family and friends, which they will open at the church's Christmas program.

Can you captivate an audience with your story? Many of us would love to hold the attention of a crowd, a classroom, or just a group of our friends by telling them a great story. We have felt the pressure of a public presentation or the disappointment of telling a story that others ignore. We are ready to be heard, ready to captivate. In *The Art of Storytelling*, John Walsh takes us through the steps to presenting a compelling story—outlining the strategies that helped him move from stutterer to storyteller. This book will help any person with a story to share by walking you through all aspects of presentation . . . from what to do with your hands as you speak all the way to crafting a killer

ending. Whether you're telling bedtime stories to your children or Bible stories to a congregation, this book will take your storytelling to a new level.

With wit, wisdom, and an extraordinary talent for turning dry, difficult reading into colorful and realistic accounts, the creator of the bestselling Don't Know Much About® series now brings the world of the Old and New testaments to life as no one else can in the bestseller Don't Know Much About® The Bible. Relying on new research and improved translations, Davis uncovers some amazing questions and contradictions about what the Bible really says. Jericho's walls may have tumbled down because the city lies on a fault line. Moses never parted the Red Sea. There was a Jesus, but he wasn't born on Christmas and he probably wasn't an only child. Davis brings readers up-to-date on findings gleaned from the Dead Sea Scrolls and Gnostic Gospels that prompt serious scholars to ask such serious questions as: Who wrote the Bible? Did Jesus say everything we were taught he did? Did he say more? By examining the Bible historically, Davis entertains and amazes, provides a much better understanding of the subject, and offers much more fun learning about it.
