Engage students in grades K-1 and build their confidence using Early Graphing: Hidden Pictures. This 64-page resource teaches essential early graphing skills through hands-on activities using popular kindergarten and first-grade themes. Students learn to reveal hidden pictures while practicing reading order, fine-motor skills, attention to detail, concentration, and color words. They take pride in the finished product and are forward to the next one lesson. The lessons are ideal for independent practice, and homework. This book aligns with state, national, and Canadian provincial standards.
