

## Gray Wolf Security 2 Texas

What begins as a simple animal rights demonstration leads to a stolen experiment and a conspiracy that may not only bring down the US Government, but destroy civilization as we know it! "Mr. President? We have... a situation." With that simple statement, the President and his advisors found themselves whisked away to a secure location. Their goal: To find a solution to a biological outbreak that could overtake the country. And to do so without anyone knowing how close humanity has come to the brink. But what about the citizens they are trying to protect? Those who would be most affected because they were kept in dark? These are their stories. The stories of the common man, the unwitting doctor, and the shady organization trying to clean up a mess they didn't know they were creating.... This is...The Debate of the Dead. The game made popular at conventions by its creators, lost gamers productions, is now a collection of riveting tales from Pro Se Productions.

Sia is a Phantom Wolf. Neither dead nor alive-and rotting from the inside-she is on the edge of her curse. Once a Phantom Wolf has been created, they hunt their blood pack and slaughter all their loved ones. Except for Sia, who woke years after her death to find herself rampaging through the land on a lonely path. She continues to run from the rival pack that hunts her because she is a Phantom Wolf. Attracted to a scent, Sia finds her old best friend, who is now a grown woman. Having once saved Keeley, Sia takes the role of protector yet again, despite Keeley’s involvement with the mysterious Alpha, Kiba, and his kin brother, Saith. An ambush separates the pack and the four of them blindly fight the new warriors that attack them: desperately needing to find out where the attacks are coming from, as Sia has vowed to protect Keeley. But at what cost? Now being chased, Sia finds herself conflicted by the mortal and spirit world while trying to protect her kin. Sia must confront her fears, as well as the human lover who killed her many years before. It is not only survival Sia contends with, but her own facade that must be broken so that she may find peace within herself once more.

This time, Torte’s pastry chef and amateur sleuth finds herself coming out of the oven and straight into the fire in Ellie Alexander’s Nothing Bundt Trouble: A Bakeshop Mystery. Spring has sprung in Ashland, Oregon, and everything at Torte seems to be coming up buttercream roses. But just when Juliet Capshaw seems to have found her sweet spot—with her staff set to handle the influx of tourists for this year’s Shakespeare festival while she moves back into her childhood home—things take a dramatic turn. Jules discovers a long-forgotten dossier in her deceased father’s belongings that details one of the most controversial cases in Ashland’s history: a hit-and-run accident from the 1980s. Or was it? Now it’s up to Jules to parse through a whole new world of details from another era, from unraveling cassette tapes to recipes for Bundt cakes, before an old enemy brings the Capshaw “pastry case” to a modern-day dead end. The Bakeshop Mysteries are: “Delicious.”—RT Book Reviews “Marvelous.”—Fresh Fiction “Delectable.”—Portland Book Review

Supernatural war is on the horizon, and no one will escape unscathed. Enemy after enemy, foe after foe, has fallen before the combined might of the Romanian grey wolves and their allies among the supernatural races. But now the alliance doesn't fight a single supernatural threat. It's no longer a single coven of vampires, a lone deranged warlock, or a rogue pack that threatens their safety. Now, the wolves face a unified force of evil--the Order of the Burning Claw. The Order needs a representative from every supernatural race to unleash a spell that will enslave humanity forever, and they've just recruited one of their most powerful members. The Order will stop at nothing to gain power, including kidnapping the pack’s children and its beleaguered healer. The Romanian pack would love nothing more than to bring the wrath of the Great Luna down upon their foes. But how can they do that when their enemies hold captive the pack’s greatest treasures. Before this is over, bonds will be tested, a new leader will rise, and all hell will break loose.

This comedy is a fictitious "ED WOOD" type screenplay about the making of "MANOS The Hands of Fate." Harold P. Warren (October 23, 1923 - December 26, 1985), better known as Hal Warren, was an insurance and fertilizer salesman who lived in the El Paso, Texas area. He is best remembered for writing, directing, and producing the 1976 movie "Manos" The Hands of Fate. Manos is remembered as one of the worst films of all time. Warren made Manos on a bet. He had met Stirling Silliphant, who was in the area scouting locations for a film. Warren bet Silliphant (who would later write the award winning screenplay for In the Heat of the Night) that he could make a successful horror movie on a limited budget. Warren raised about \$20,000. He managed to find an old 16-millimeter Bell & Howell camera to use on the film. Because the camera was spring wound, it could only shoot just over 30 seconds of film at a time. After casting himself in the starring role of Michael, he approached locals to play the other roles, as well as fill crew positions. He did not pay anyone, instead promising people a percentage of the profits. Warren and two others also dubbed all the voices, as the camera was not capable of capturing sound. For two months, Warren, the cast, and crew filmed at County Judge Colbert Coldwell's ranch. Warren's prima donna attitude caused a great deal of friction among those working on the film, who began calling the film Mangos: The Cans of Fruit behind his back. When the time came to premiere the film in El Paso, Warren turned the premiere into a media event. He hired a limousine to carry the cast to the theater. But a few minutes into the film, the audience began heckling it, and soon the film was down into hysterics. Manos had a short run on some drive-in theaters in West Texas. Afterwards, the movie was largely forgotten until it was featured in Mystery Science Theater 3000 in 1993. This is how the film MIGHT have been made...

"Going to war throws people off center -- so does coming home."

The Galactic Empire has fallen, In its wake two new governments have risen, The Republic Empire, rulers of the inner systems, And the Order of the Empire, that controls the outer rim. These two governments live in an uneasy alliance. The Jedi Order has been reestablished as peace keepers, between the two governing systems of the galaxy. Though the Jedi Order exist, the Jedi live in scattered groups, Each group establishing its own temple and their own laws. The Jedi only answer to their Grand Masters and the Governments they serve. Planetary systems live in chaos as the two governments fight for territory. While the Republic Empire prefers diplomacy, The Order of the Empire refers planetary occupation and Favoritism of influential citizens to control the planets in their territory. Civil war looms on the horizon, Can the scattered and disjointed Jedi Order restore peace, Before it is too late...

A midnight ritual by a secret society in the English Countryside nearly costs Thomas Spell his life. He returns home to Chicago to find that he carries within himself something unspeakable - a condition for which he believes there is no cure, until he meets Penelope, a beautiful and brilliant pre-med student determined to heal him. But the Brotherhood searches for him still, convinced that he holds the key to an unimaginable power. As his life begins to spiral out of control, Thomas is forced to confront his own past, as well as the dark forces closing in on him and everything he holds dear.

Starkishia

***The fight for dominance begins. The period of mourning for the great alphas, Vasile and Alina, is over. But some refuse to move on. The high fae, Perizada, vows never to experience the loss of her friends--her family--again. She knows the only way to do this is to take on the Order of the Burning Claw herself. But her mate would never allow it. So, she does the only thing she can, severing all ties with her allies. Peri’s decision could destroy her enemies, the Order, but it could also destroy everything she holds dear. The end of mourning also marks the beginning of challenges to the new alpha of alphas, Fane Lupei. Rogue wolves who desire to rule in his stead attempt to stake their claims. Though Fane abides by pack law when facing his opponents, others aren’t so honorable. Fane soon realizes the threats he faces aren’t just against him, but against his entire pack. Skender and the fae, Tenia, fight against the mate bond drawing them closer. They both know they cannot be together, but the bond is more powerful than either expected. Meanwhile, Skender has promised to keep Tenia’s son, Torton, safe--a promise he’s willing to die to keep. Skender soon finds out that there’s more to the boy than meets the eye, and Skender’s ability to keep the boy safe could be the key to saving them all.***

***Founded in 1854, Bosque County, Texas was the site of a slew of gruesome murders that spanned over a century. Harrison details each story of revenge, passion, or insanity in a time when law enforcement was virtually absent.***

***From the unbridled lands of East Texas, tenacious men with diverse backgrounds came together to form the Twenty-Second Texas Infantry. Also known as Hubbard's regiment, families synonymous with the Texas Revolution joined the ranks of politicians, attorneys, farmers, and teachers. Many championed Southern values whereas some campaigned for Northern agendas. Yet, most were Texan by choice and they sought to defend their homes. The regiment's stories of triumph and sorrow intertwined with American history as the men drudged across the unforgiving lands west of the Mississippi River. They fought in the bloody encounters of Fort DeRussy, Mansfield, Pleasant Hill, and Jenkins' Ferry as life-threatening diseases complicated their service. Their ambitious marches forever tied them to the story of Texas during the Civil War.***

***The Kilted Cowboy is a romantic drama with bite, set in the modern era. When a rich Texan Rancher Daniel Delaque, comes to Scotland on a roots holiday he once promised his late wife, he meets and falls in love with a beautiful Scots widow Jean McGregor. Romance blossoms and she elopes with him back to the USA. After a whirlwind romance they get married in Las Vegas in the Elvis chapel. There is only one fly in this particular ointment. Mike McGregor joined the British Army when he was 16 following in his father's footsteps. At the age of 20, a few weeks from returning from his second tour in Afghanistan Mike is wounded in a road side ambush. He returns home to Scotland to discover the secret his family have been desperately trying to keep from him. After a few days at home and after receiving a medal from the Queens hand for his bravery during the ambush, Mike finds himself back on a plane and heading for the wild lands of Texas and an unexpected adventure. With handsome cowboys, beautiful women, romance, Red Indians, Cattle rustling, rodeos, drug dealers and murder, the citizens of Helltown are in for a rude awakening when Mike McGregor rides into town. The picture postcard cowboys from the Double D are in for a shock when the hard talking hard fighting Scottish Soldier walks into their bunkhouse.***

**Book 2 in the Townsends of Texas Series.**Lena I have one goal in mind: Write another album. The completion of my next album would grant me freedom from my record label. A label owned by my scheming, lying, and manipulative ex-fiancé. Too bad writer's block has had a death hold over me for months. An invitation to my former public relations rep's wedding presents an opportunity to get away from everything and get back my writing mojo. Too bad my planned refuge lands me directly in the sights of Gabriel Grey Wolf Townsend. Despite my fears and the warnings from my cousin, Gabriel slowly wears me down until I vow to give him the one thing I've never given anyone: All of Me. But my promise is put to the test when my past comes back to haunt us both.

**Small print edition 5x8**Starkishia: Estrella is a story about a little girl who grew up too fast to feel the grass wear thin under the soles of her shoes. Abuse thickened her skin, yet her nightmares were as dark as they were real. The library became her sanctuary where stories took her to another place and time. But, in reality there was nothing imaginary about the bruises under her clothing as she advanced from one classroom to another during middle school, or nothing fictitious about being molested by the maggot hands of a despicable relative. Her plight was hidden in a small town in Georgia, just as her physical abuse was disregarded by the school's social worker. This colored child was brought into this world by her 14 year old mother who was ruthlessly dominated by her husband. Starkishia loved her mother above all else; her step-father who provided shelter for them witnessed her birth and helped raise her. She consumed pieces of joy, but sometimes she received broken reprisals and ended up walking down the dark road alone; yet in some fortunate way humanity was always within reach. After her parents split up, Starkishia and her family ended up in Texas. Single parenthood changed their family structure forevermore. Starkishia became a wage earner at age 13; she also became homeless the following year. She was, for years, engulfed by her impoverished and dysfunctional environment. She married a native of Mexico a few days after her 15th birthday. He nicknamed her 'Estrella' a Spanish term which means 'Star.' It goes without saying that Starkishia was born in the land of opportunity, but it was not exactly within her reach. Yes, she was her grandmother's star, but she was a statistic of minimal proportions as far as small town and suburbia America was concerned. Shortly after marriage, she became a mother. Afterward the life of this teen went downhill at lightning speed. Many readers will identify with her; for, she walked away from her husband broken hearted; then, she fell in love with another man, and as new babies arrived, she took her limited funds and focused on the lives of those under her roof; in time, her parental absence to her oldest two children turned flat out into abandonment. Have mercy! Starkishia was a lost teen, but through grace she eventually became a productive woman in American society. Meredith Etc., a small press, proudly introduces readers to Starkishia: Estrella, a story about the perils of teen parenthood, economic dispossession, and the charity of new beginnings.Meredith Coleman McGee, Publisher/Acquisition EditorMeredith Etc., a small pressJackson, Mississippi, USAwww.meredithetc.com

A young private investigator learns the price of keeping deadly secrets when a vicious killer sets his sights on her in this pulse-pounding thriller from the USA TODAY and New York Times bestselling author. Private investigator Kira Vance spends her days navigating the intricate labyrinth of Houston’s legal world, and she knows all of its shadowy players and dark secrets. On a seemingly normal day, she’s delivering a report to her top client when suddenly everything goes sideways and the meeting ends in a bloodbath. Twenty-four hours later, the police have no suspects but one thing is clear: a killer has Kira in his sights. Fiercely independent, Kira doesn’t expect—or want—help from anyone, least of all an unscrupulous lawyer and his elite security team. Instead, she launches her own investigation, hoping to uncover the answers that have eluded the police. But as Kira’s hunt for clues becomes more and more perilous, she realizes that she alone may hold the key to finding a vicious murderer. And she knows she must take help wherever she can find it if she wants to stay alive... Written with Laura Griffin's signature “gritty, imaginative, sexy” (Cindy Gerard, New York Times bestselling author) style, Her Deadly Secrets is an electrifying and scintillating novel that packs a powerful punch.

The Romania Grey Wolves have been through hell and back. A month remains of the mourning period decreed by the Great Luna, and Jen has decided it's time for the pack to celebrate the many blessings they've missed over the years because of all the battles they've faced. As usual, there's a little crazy, a lot of funny, and most of all the loyal love of the pack as they deal with all the chaos that comes with the holidays. Up on the rooftop werewolves hide, Jen's to-do list is miles wide. All through the years, so much they've missed "Let's celebrate them all!" Jen insists. Ho, ho ho! All better go! Ho, ho, ho, ho, ho! Don't be slow! Up on the rooftop Click, click, click, The claws are out on the Crazy wolf chick. First comes the stocking Of little Slate, Watch out Santa You might get ate. Thia needs some soap, And her mouth washed out. Oh' jingle hell, Is her favorite shout. Ho, ho, ho! Titus says to go! Ho, ho, ho! He's a hunting pro! Down through the halls, Sneak, sneak, sneak. All around the corners so, Aunt Jen will freak. Up in the night sky, the moon shines down. The Great Luna's love is all around. Her wolves have learned what they never lack, Hope, grace, and lots of love. For the pack.

Passwords are not the problem. The management of passwords is the real security nightmare. User authentication is the most ignored risk to enterprise cybersecurity. When end users are allowed to generate, know, remember, type and manage their own passwords, IT has inadvertently surrendered the job title Network Security Manager in the cybersecurity chain. Dovell Bonnett reveals the truth about the elephant in the room that no one wants to mention: Expensive backend security is worthless when the virtual front door has a lousy lock! Dovell proves that making passwords secure is not only possible, passwords can actually become an effective, cost efficient and user friendly cybersecurity. After examining how encryption keys are secured, this book introduces a new strategy called Password Authentication Infrastructure (PAI) that rivals digital certificates. Passwords are not going away. What needs to be fixed is how passwords are managed.

With the challenge complete and the corrupt Alpha of Coldspring defeated Fane is now free to complete the mate bond with Jacque and perform the Blood Rites. Although the challenge is done, the effects are far-reaching. Once it is known that Vasile one of the strongest Alphas in the world is in America, specifically Coldspring, TX, there is no way to overlook the significance of this. An Alpha who happens to share Jacque’s DNA, but is this the one she needs to fear? With her mom driving and her two best friends, Jen and Sally in tow, Jacque set off for her happily ever after. She will soon realize a plan has been put in motion that will change her course and possibly tear her from Fane’s hands. Fane will overlook the significance of this. Alpha Rising

Scarred, solitary Derek Gaunt has separated from his Pack, and is truly a lone wolf. With no family he answers to no one; but is fiercely loyal to a chosen few. So, when several of those close to him are murdered, he'll stop at nothing to hunt their killer through the magic-drenched streets of Atlanta. Never one to be left on the sidelines, equally determined--some

might say stubborn--Julie Lennart-Olsen soon joins in his pursuit; and what began as revenge turns into a race to save the city. Their search pits them against powers they never imagined and magic so old, it predates history. It may cost Derek his life, but there are things for which even he would risk everything.

Sergeant Sebastian Gray is trying to acclimate himself to the ordinary routine of life on base in Corpus Christi, Texas, after being wounded in battle during a terrorist surge in Syria. When terrorists commence a series of high profile lone-wolf attacks within the United States, his hatred for them is heightened by his inability to take the fight to them. On the anniversary of the deaths of his team, Sebastian finds himself surrounded by terrorists in a well-planned attack on his base. This time, the terrorists are American soldiers. Or are they? With the help of DEA Agent Sean Ray, Sebastian attempts to distinguish friend from foe in a deadly race against time to stop the deadly attack.

A talented songwriter, Shawn Gallagher spends his days lost in reverie and wonder, oblivious to the wiles of women and the ways of the world. He claims that he's content with his life, but his music tells a different story?one of loneliness and desperate longing? No one understands why Shawn doesn't put his musical gift to profitable use?least of all Brenna O'Toole, a fiercely independent tomboy who has been secretly in love with him for years. But it is only when Shawn gives in to the mysteries of magic that he gets the chance to fulfill his destiny as a man and a musician?as the song in his head keeps time with the beating of a woman's heart.

Mr. Babb, a descendant of resolute venturesome pioneer stock, entered upon an eventful boyhood in the untamed wilds of the western border of Texas in a locality and period when the mounted Indian marauder with his panoply of war and death was often seen silhouetted against the distant horizon, at a time when the spectre of tragedy and desolation, of atrocious massacre, mutilation, captivity, and torture, cast its terrifying shadow athwart the fireside of every pioneer home; when, unheralded, cunning monsters of vindictive savage hate, here and there among the settlers, in unguarded repose or fancied security, sprang from stealthy ambush, from the wood-land's dark border, the sheltering hillside and gulch, or the shadowy lustre of an unwelcome fateful full moon, amid and unheeding the shrieks of horror and frenzied slaughter, mingled with the cries of anguish and prayers of women and children kneeling before their doom, they struck with the fangs of the most vicious, merciless, and unreasoning beast, and in their unrestrained and unresisted madness and ferocity, they left in the crimson wake a sickening chapter of ghastly human wreckage of whole families exterminated, in either a fiendish butchery or revolting captivity without a counter part in all the annals of every race and age since the hour of the dawn of Christendom, if not since the world began.

Book 12 of the Grey Wolves Series

Centerline

A Grey Wolves Howlday

The Purple Morrow is destroyed. However, its promise endures in the form of a champion, mankind's only hope against the destruction spawned by an ancient, sinister evil. The Rovers have invaded the Southernlands, forcing the inhabitants deeper south for respite. Ex-Rover commander Kelen arrives in Swill, a defunct desert town, with revenge in mind. There he encounters the Shadow Man who reveals the truth of his past, including the disturbing origin of a mysterious mark on his forearm. Kelen tries to fight destiny, but soon learns the Shadow will not relent until a terrible prophecy is fulfilled. As Marathana quails under the threat of burgeoning darkness, Jeru's clan looks to him to lead. Jeru, however, knows his path lies elsewhere. Leaving everything behind, he braves the Badlands, a hellish desert only the hardiest dare go, to find the Storyteller who can awaken the latent spirit of the Papilion within him. Jeru learns much in that place of desolation, including one truth which could turn destiny on its head. Now more than ever, Kelen, the Wolf of the North, threatens everything he holds dear. Jeru must choose: save those he loves, or sacrifice them to save Marathana.

Jaque Pierce was an ordinary 17-year-old girl getting ready to start her senior year in high school in Coldspring, TX when a mysterious foreign exchange student from Romania moves in across the street. Jacque and her two best friends Sally and Jen don't realize the last two weeks of their summer are going to get a lot more interesting. From the moment Jacque sets eyes on Fane, she feels an instant connection, a pull like a moth to a flame. Little does she know that the flame she is drawn too is actually a Canis Lupus, werewolf, and she just happens to be his mate, the other half of his soul. The problem is Fane is not the only wolf in Coldspring. Just as Fane and Jacque are getting to know each other, another wolf steps out to try and claim Jacque as his mate. Fane will now have to fight for the right to complete the mating bond, something that is his right by birth but is being denied him by a crazed Alpha. Will the love Fane has for Jacque be enough to give him the strength to defeat his enemy and will Jacque accept she is Fane's mate and complete the bond between them?

Jennifer Adams, best friend to Jacque Pierce and Sally Morgan, spicy, out spoken, a little crazy and human...or so she thought. Jen has just found out that human DNA is not the only thing that resides in her veins, she happens to share that little pesky werewolf gene, although it isn't more than just a drop. Now that she and her friends are living in Romania with Fane's pack, she is also oh so conveniently stuck with the object of her affection, the fur ball Decebel. Drawn to each other by something they don't understand Jen finds herself frustrated by the lack of mating signs between her and said fur ball. Not only is she dealing with that not so un-frustrating problem, she now has been informed that because of that little drop of werewolf blood in her she is now required to attend a multi-pack gathering for un-mated wolves. This type of gathering hasn't taken place in over a century but with a shortage of females among the werewolf population the males are getting worried they won't ever find their true mates. Meanwhile, Decebel struggles with the emotions he is feeling towards Jen. He tries to keep his distance but there is just something about the mouthy blonde that keeps him coming back for more of her verbal abuse that he just can't seem to get enough of...go figure.

THIS VALUABLE ANATOMY BOOK, Written in the 1850s by a young doctor, Henry Gray. Gray's Anatomy was the most comprehensive and accessible anatomy of its time. This beautifully produced slipcased volume contains the historic text of the second edition and all of Henry Vandyke Carter's masterly drawings. It is essential reading for anyone with an interest in the history of medicine or in the amazingly complex machine that is the human body. HENRY GRAY [1827 - 1861] was an English anatomist and surgeon most notable for publishing the book Gray's Anatomy. He was elected a Fellow of the Royal Society (FRS) at the age of 25. While still a student, Gray secured the triennial prize of Royal College of Surgeons in 1848 for an essay entitled The Origin, Connexions and Distribution of nerves to the human eye and its appendages, illustrated by comparative dissections of the eye in other vertebrate animals. In 1852, at the early age of 25, he was elected a Fellow of the Royal Society, and in the following year he obtained the Astley Cooper prize of three hundred guineas for a dissertation "On the structure and Use of Spleen."

Gray's Anatomy

Debate of the Dead

The Grey Code

Phantom Wolf

Her Deadly Secrets

The Warlock and the Wolf

*A dreamtime journey takes Giraffe on a quest to discover that changing our physical appearance is not the answer to finding happiness. Through friends and a special meeting with a unicorn, wonderful learning takes place on the importance of accepting and loving yourself with joy, enthusiasm, and gratitude. The book also includes practical information and exercises to assist parents with developing the practice of everyday gratitude in our lives.*

*As one evil falls, another rises in its place. The powerful witch, Desdemona, has finally been killed by an alliance of wolf, elf, and fae. But Reyaz, brother to Cypher the warlock king, has vowed retribution for a life that was taken from him. Now Cypher must decide not only how to protect his newfound mate and his people, but also how to destroy the only family he has left. Meanwhile, Jen's pregnancy progresses and the fateful due date draws ever nearer. The thought of losing Decebel's child constantly threatens to overwhelm her. With each passing day, Decebel grows more distant, causing Jen to wonder what toll the impending loss of their child is taking on him. Unbeknownst to Jen, in an act of desperation to protect his unborn child and mate, Decebel strikes a deadly bargain with the Great Luna-his life in place of his child's. There is only one way for that to happen; the bond between he and Jen must be broken. As Jen as Decebel struggle through their darkness, another kind of darkness is infiltrating Fane's heart. Doubts and questions linger as he tries to cope with the emotions brought on in the aftermath of Desdemona's curse. He knows what happened wasn't real, but still he can't rid himself of the terrible images seared into his memory. Jacque is his light, the one who keeps the darkness at bay, yet he won't let her inside to do just that. Sally continues to learn what it means to be a gypsy healer and Costin struggles to protect her as she runs full speed ahead to help her wolves, heedless of her own safety. She sees her best friends struggling, each enduring their own trials. She's desperate to help them, but can she keep them safe? With all of these things hanging heavy over the heads of the Serbia and Romania packs, their attention is divided. The wolves do not even realize a threat has slowly infiltrated their midst. Will they recognize the threat in time to save the lives that precariously hang in the balance? Against this backdrop of darkness, choices will be made, fears will be confronted, and the ultimate sacrifice will be made. Will the wolves stand together to defeat the threats arrayed against them, both from within and without? Will love conquer all? Or will the beleaguered wolves finally succumb to their demons?*

*Divine Vengeance weaves intrigue and drama through the accurate and volatile historical events of the Cathar wars in thirteenth century France. A brutal massacre sponsored by the Pope. Brother Raimon cannot reconcile the dissonance between his faith and the violence. Nor can he rationalize his love for a Guilelma, a Cathar heretic. What starts as offering a helping hand, soon turns into organized aid for fleeing heretics. Now Raimon is captured attempting to sabotage the trebuchet Malvoisine, and he is to be burned at the stake...along with 180 heretics...and the woman he loves. Sadly the brutality of crusade leader Simon de Montfort is not contrived. The Cathar crusade was the first pogrom aimed at a Christian region. It led to the dark years of the Inquisition and set a concerning tone that influenced Western thought for centuries. Action, intrigue, geography, an era of history rife with contradictions, and an unrequited love. Join the adventure!*

*Bilingual children's book (age 2 and up) Tim can't fall asleep. His little wolf is missing! Perhaps he forgot him outside? Tim heads out all alone into the night - and unexpectedly encounters some friends... "Sleep Tight, Little Wolf" is a heart-warming bedtime story. It has been translated into more than 50 languages and is available as a bilingual edition in all conceivable combinations of languages.
