He is not the usual theorist used for character analysis, since he focused his research on children. Yet, I believe Piaget is the right choice for this topic. I chose him as the foundation of the paper, to point out Gatsby's inner child.

The Great Gatsby is the story of the wealthy, quixotic Jay Gatsby and his obsessive love for debutante Daisy Buchanan. It is also a cautionary tale of the American Dream in all its exuberance, decadence, hedonism, and passion. First published in 1925 by Charles Scribner's Sons, The Great Gatsby sold modestly and received mixed reviews from literary critics of the time. Upon his death in 1940, Fitzgerald believed the book to be a failure, but a year later, as the U.S. was in the grips of the Second World War, an initiative known as Council on Books in Wartime was created to distribute paperbacks to soldiers abroad. The Great Gatsby became one of the most popular books provided to
