TLC's Counting On breakout stars Jeremy and Jinger Vuolo share their love story, a behind-the-scenes glimpse into their lives together, and the hope that drives them every day.

Jinger Vuolo did not have what you'd call a typical childhood. The sixth child of Jim Bob and Michelle Duggar's nineteen, she grew up with the bright lights of television crews in her home, filming the hit TLC show 19 Kids and Counting. Jinger has always been a fan

But throughout all their stories, just below the surface, weaving together every triumph and trial of their lives, is the silver thread of hope. every person in every walk of life. There is an inheritance of glory, a life richer than we can imagine, if we only walk with Him. From New York Times bestselling author Charles Martin comes a radical retelling of the prodigal son story. Cooper O'Connor thought he could make it big as a musician, but he promptly lost it all. Can he repair his relationship with the father who never stopped calling him home? At the age of eighteen, musician and songwriter Cooper O'Connor took everything his father held dear and drove 1,200 miles from home to Nashville, his life riding on a six-string guitar and

But just as he realizes his love for Daley, Cooper faces a tragedy that threatens his life as well as his career. With nowhere else to go, he returns home to the remote Colorado mountains, searching for answers about his father and his faith. When Daley shows up on his street corner twenty years later, he wonders if it's too late to tell her the truth about his past—and if he is ready to face it himself. Praise for Long Way

the president's change of position on gay marriage and the transformation of religious freedom into a partisan idea, to the administration's failure to find common ground on abortion and the bitter controversy over who would give the benediction at the 2012 inauguration. The book is also a passionate call for faith in the public square, particularly for Christians to see politics as a means of loving one's neighbor and of pursuing justice for all. Engrossing, illuminating, and at times provocative, *Reclaiming Hope* changes the way we think about the relationship of politics and faith. Lamentations is a book that has never had a place of honor at the table of Christian spirituality. This is an unfortunate state of affairs because its challenging poetry has much to offer. This volume explores the how the biblical book of Lamentations may be engaged afresh so that it can function as Holy Scripture for the ekklesia. Four main chapters consider issues in hermeneutics, exegesis, the use of Lamentations in worship, and pastoral reflections. These chapters have been supplemented by seventeen reception history studies written by an international team of Jewish

They include examinations of the use of Lamentations in Isaiah 40-55, the Targum, Rashi, and contemporary Jewish thought, the Patristic period, Calvin, Jewish and Christian worship, music, Rembrandt, and psychological and feminist interpretation. Appendices include new English translations of LXX Lamentations and Targum Lamentations. A collection of cross-denominational hymns spanning several centuries, emphasizing original

It is possible to find hymns in which the most profound emotions are expressed. They are also essential to the literary history of the English speaking people. References to hymns are constant and quotations from hymns in modern English usage are frequent. The ever popular presenter of Songs of Praise has now made her own selection of hymns in this charming and beautifully illustrated anthology. The selection is very personal as the author explains how each

Sally Magnusson also explains why she dislikes many hymns and why they are not included. Who is these days of political correctness for example can sing lustily words like `The rich man in his castle, the poor man at his gate`. More pertinent to our day and age are hymns with phrases such as `Change and decay in all around I see` and the celebrated hymn by Martin Luther which runs `A Firm Stronghold is

message for women to seek a deeper relationship with God
