recommend the best starting point and sources most likely to yield the desired information. The criteria for selection provide a way into a subject to those new to the field and assists in identifying major new or possibly unexplored sources to those who already have some acquaintance with it. The series attempts to achieve evaluation through a careful selection of sources and through the comments provided on those sources.

country has been regularly surveyed each year, the developments discussed correspond to the year in question. If certain countries have not been surveyed for some years the contributions will usually attempt to cover the intervening period. If countries are being covered for the first time, then more background information will be provided about the state of family law in the country in question. The Survey also contains an article dealing with the more significant developments in international law affecting the family.

“That Affair Next Door” is a 1897 detective novel by Anne Katherine Green. The story revolves around a mysterious murder that has taken place in an otherwise unremarkable neighbourhood. The property next door to the murder scene is owned by the inquisitive Miss Butterworth, whose piqued curiosity leads to her becoming intrinsic to the solving of this horrific crime. The first instalment of Green's female detective series “The Amelia Butterworth Mysteries” and also number eight in the “Mr Gryce Series”, “That Affair Next Door” is a riveting murder mystery not to be missed by fans and collectors of classic detective fiction. include: "Miss Butterworth's Window", "The Windings of a Labyrinth", "The Girl in Gray", and "The End of a Great Mystery". Anna Katharine Green (1846-1935) was an American novelist and poet. Among the first writers of detective fiction in America, she is considered to be the "mother" of the genre for her legally-accurate and well-thought-out plots. Other notable works by this author include: "The Leavenworth Case" (1878), "A Strange Disappearance" (1880), and "The Sword of Damocles: A Story of New York Life" (1881). Read & Co. Classics is proudly republishing this vintage detective novel now in a brand new edition complete with a specially-commissioned new biography of the author.

What's Your Green Goldfish is based on the simple premise that employees are the key drivers of customer experience and that "Happy Employees Create Happy Customers." The book focuses on 15 different ways to drive employee engagement and reinforce a strong corporate culture. It's the second book in the goldfish trilogy. The first book was an Amazon Best Seller entitled, What's Your Purple Goldfish.

Purple focused on customers, whereby Green focuses on employees. Both books are based on a revolutionary new approach called marketing g.l.u.e. (marketing by giving little unexpected extras). The book is based on the findings of the Green Goldfish Project, an effort which crowd sourced 1,001 examples of signature added value for employees. Key themes emerged from the Project. The book is filled with over 200 examples. PRAISE FOR WHAT'S YOUR GREEN GOLDFISH "Stan is the sherpa that guides executives along the journey between the heart and mind of business stakeholders. The Naked Truth of Social Media "Our large-scale research shows unequivocally that engaged employees are more likely to work longer, try harder, make more suggestions for improvement, recruit others to join their company, and go out of their way to help customers. They even take less sick time. Companies can tap into the enormous value of engaged employees by following the 15 ideas that Stan lays out in this book." - Bruce Temkin, author of The Six Laws of Customer Experience "Too often, the actual employment experience delivered on the job does not measure up to the version sold to job candidates during the interview process. In What's Your Green Goldfish, Stan Phelps offers 15 ways to close the gap." - Steve Curtin,
