"A coloring book based on the Game of thrones." -- Grimm: Aunt Marie's Book of LoreTitan Books (US, CA)

GET INSIDE GRIMM. NBC’s hit television series Grimm pits modern detective Nick Burkhardt of the Portland Police against a cast of terrifying villains—lifted directly from the pages of classic fairytales. In the world of the show, the classic stories are actually a document of real events, and Nick himself is descended from a long line of guardians, or Grimms, charged with defending humanity from the mythological creatures of the world. From The Big Bad Wolf to Sleeping Beauty, The Mythology of Grimm explores the history and folkloric traditions that come into play during Nick’s incredible battles and investigations—tapping into elements of mythology that have captured our imaginations for centuries.

In Cranbury-on-Sea Aunt Maria rules with a rod of sweetness far tougher than iron and deadlier than poison. Strange and awful things keep happening in Cranbury. Why are all the men apparently gray-suited zombies? Why do all the children—if you ever see them—behave like clones? And what has happened to Mig’s brother, Chris? Could gentle, civilized Aunt Maria, with her talk and daily tea parties, possibly have anything to do with it? Diana Wynne Jones once again has created a fantastic, magical world. Her brilliant storytelling and wonderful sense of humor totally involve the reader in the lives of a lovable young heroine and a villainess readers will love to hate.

When Hadley’s parents leave on a cruise and then are reported lost at sea, her perfect world is turned upside down. In a flash, she is whisked away to a new life of drudgery at Grimm House where she waits on not one but two persnickety old aunts. As she grudgingly fulfills their commands of cooking, cleaning, and even after-dinner-dancing, she comes to suspect the aunts are really witches who are scheming to take the thing she loves best. With only her wits and the help of some unlikely new friends, Hadley makes a plan to escape Grimm House and find her way home before it’s too late.

The biggest lie of all is the story you think you already know. The del Cisne girls have never just been sisters; they’re also rivals, Blanca as obedient and graceful as Roja is vicious and manipulative. They know that, because of a generations-old spell, their family is bound to a bevy of swans deep in the woods. They know that, one day, the swans will pull them into a dangerous game that will leave one of them a girl, and trap the other in the body of a swan. But when two local boys become drawn into the game, the swans’ spell intertwines with the strange and unpredictable magic lacing the woods, and all four of their fates depend on facing truths that could either save or destroy them. Blanca & Roja is the captivating story of sisters, friendship, love, hatred, and the price we pay to protect our hearts.

Anita grew up in the 3rd story apartment above her family’s Bohemian restaurant on Madison Street in Chicago’s west side in the 50’s and 60’s. The daughter of a fireman and a housewife/frustrated writer, she befriended a ragtag brigade of children of immigrants and migrants. Together, they found both themselves and the world-at-large on their neighborhood’s streets. Beautifully written, West Side Girl chronicles the colorful and oftentimes unpredictably eccentric characters and events of the area and time. Themes include social change, girls empowerment and the benefits of growing up in a diverse neighborhood. Seen through the eyes of a child coming of age in the 1950’s and 1960’s, these true stories of the quest for equality and social justice are outrageous, insightful, funny, touching, inspiring and reflective. More than 800,000 copies in print! From the author of critically acclaimed and bestselling memoir Falling Leaves, this is a poignant and moving true account of her childhood, growing up as an unloved daughter in 1940s China. A Chinese proverb says, "Falling leaves return to their roots." In her own courageous voice, Adeline Yen Mah returns to her roots to tell the story of her painful childhood and her ultimate triumph in the face of despair. Adeline’s affluent, powerful family considers her bad luck after her mother dies giving birth to her, and life does not get any easier when her father remarries. Adeline and her siblings are subjected to the disdain of her stepmother, while her stepbrother and stepister are spoiled with gifts and attention. Although Adeline wins prizes at school, they are not enough to compensate for what she really yearns for -- the love and understanding of her family. Like the classic Cinderella story, this powerful memoir is a moving story of resilience and hope. Includes an Author’s Note, a 6-page photo insert, a historical note, and the Chinese text of the original Chinese Cinderella. But I’m getting ahead of myself here. You see, four years ago I left my hometown and swore to never come back. Now my brother is dead and I have no choice but to go searching for answers. A Wrinkle in Time is the winner of the 1963 Newbery Medal. It was a dark and stormy night—Meg Murry, her small brother Charles Wallace, and her mother had come down to the kitchen for a midnight snack when they were upset by the arrival of a most disturbing stranger. “Wild nights are my glory,” the unearthly stranger told them. “I just got caught in a downdraft and blown off course. Let me sit down for a moment, and then I’ll be on my way. Speaking of ways, by the way, there is such a thing as a tesseract.” A tesseract (in case the reader doesn’t know) is a wrinkle in time. To tell more would rob the reader of the enjoyment of Miss L’Engle’s unusual book. A Wrinkle in Time, winner of the Newbery Medal in 1963, is the story of the adventures in space and time of Meg, Charles Wallace, and Calvin O’Keefe (athlete, student, and one of the most popular boys in high school). They are in search of Meg’s father, a scientist who disappeared while engaged in secret work for the government on the tesseract problem.
